

Consultancy Value Statement

Introduction

Departments should publish on Contracts Finder a statement of the value to be delivered from all approved consultancy contracts of £20,000 and above, using this proforma. On completion of the contract Contracts Finder should be updated with a statement of the actual value delivered.

Process

Publication should be at the "Contract" stage of the procurement lifecycle. The statement should be published as a separate linked notice to other contract information. Please note that publication and any exemptions to publishing should be in accordance with the policy stated in Contracts Finder guidance. Please also note that the text in bold on this template statement must be included without amendment to assist key word searching.

Section 1: To be completed and published at award of contract

Consultancy Value Statement: Value to be delivered

Name of Supplier: Peter Brett Associates

Title of Contract: CCCC16A89 DCLG Tenant Led Right to Transfer

Requirement Summary: This contract is for the provision of a socio-economic evaluation. The evaluation will be on the matter of whether the partial transfer of Local Authority housing stock (under the Right to Transfer 2013 Regulations) to a new social landlord will have a detrimental effect on the provision of housing services or the regeneration of the local area.

Financial Value Statement: There is no direct financial or quantifiable value to be delivered by the contract. The maximum capped value of this contract £24,531 (excluding VAT).

Non-Financial Value Statement: The following outputs will be delivered from this contract:

- An analysis of the potential costs and benefits to the provision of housing services or the regeneration of the local area as a result of the proposed transfer in the form of socio-economic evaluation;
- Production of a report which provides an analysis and conclusions of the social-economic evaluation (with any detailed data assessment included in annexes); and
- A face-to-face presentation of outcomes to the Authority

[Section 2: To be completed and published at the end of contract]

Consultancy Value Statement: Actual Value Delivered

Financial Value Statement: *[insert details of the actual financial/quantifiable value delivered by the contract, as identified as part of the end contract performance review]*

Non-Financial Value Statement: *[insert details of the actual non-financial/unquantifiable value to be delivered by the contract, as identified as part of the end contract performance review]*
