

REFERENCE: Tender for Repair and Maintenance of Aids to Navigation

**CONTRACTING
AUTHORITY:** East Suffolk Council (ESC)

ISSUE DATE: 29 August 2019

DPS LOT 1: Invitation to join East Suffolk Council DPS

Background: East Suffolk Council is planning to invite tenders for a Term Contract over 3 years to undertake inspections of, and carry out works to, defective Aids to Navigation (AtoN) along the Suffolk Coast from Corton to Felixstowe and on the River Deben, that cannot be accessed by land-based equipment. Those AtoN that are accessible from land are maintained by others under a separate coastal structure repair and maintenance contract.

This advert is to encourage all companies that are interested in submitting a tender for this work to join the East Suffolk Council DPS Lot 1 Repairs and Maintenance - Coastal Management.

To join the DPS please refer to information in the attached documents:

- Coastal Partnership DPS Introduction Guide
- Coastal-Partnership-East-Dynamic-Purchasing-System Invite
- Delta e-Sourcing Guide.

Submit your application via the Delta system by **24 September 2019 @ 16.00 hours.**

Scope of Works: The contract period will be between December 2020 and December 2023 with a potential extension of up to 2 years in one year increments.

The expected annual average value is up to £40k per annum.

Price: The Tender Price List will require fixed rates to be entered for some repeatable tasks however other work is not able to be specified and will be done on a negotiated cost basis. A pricing template will be provided.

Evaluation: The Tenders will be assessed using a Quality and Price model.

Timetable: The provisional Tender Out date is early October with a 4 week tender period. The Contract will be an NEC4 form with bespoke Additions and Amendments.
