Schedule 1

Key Provisions

Standard Key Provisions

1 Application of the Key Provisions

- 1.1 The standard Key Provisions at Clauses 1 to 8 of this Schedule 1 shall apply to this Contract.
- 1.2 The optional Key Provisions at Clauses 9 to 26 of this Schedule 1 shall only apply to this Contract where they have been checked and information completed as applicable.
- 1.3 Extra Key Provisions shall only apply to this Contract where such provisions are set out at the end of this Schedule 1.

2 Term

- 2.1 This Contract shall commence on the Commencement Date (**01 September 2023**) and the Term of this Contract shall expire 2 years from the Actual Services Commencement Date. The Term may be extended in accordance with Clause 15.2 of Schedule 2 provided that the duration of this Contract shall be no longer than **3** years in total.

Note that the term runs from the date when the Services are actually provided. If there is an implementation plan over, for example, three months, the term runs from the date the Services are provided. In these circumstances, it will be important to include a process in the implementation plan for acknowledging this date to ensure the term is clear.

The above approach has been adopted as it will mean that any delay in implementation does not have the effect of shortening the contract term. However, it may be that for some projects you want the services to start and/or end on a particular date or event. Where this is the case, this Key Provision can be amended accordingly.

Specification and Tender Response Document

Introduction and background

1. Background to the requirement/overview of requirement

1.1 The screening programmes

Screening is a process of identifying apparently healthy people who may be at increased risk of a disease or condition. They can then be offered information, further tests and appropriate treatment to reduce their risk and/or any complications arising from the disease or condition. Further information regarding the general principles of screening can be found on GOV.UK.

The UK National Screening Committee (UK NSC) recommends systematic population screening in pregnancy for HIV, hepatitis B and syphilis. This is to enable early detection and treatment for infections in pregnancy to significantly reduce the risk of vertical transmission of infection from the mother to the child. The NHS Infectious Diseases in Pregnancy Screening (IDPS) programme, part of NHS England, and has responsibility for implementing this policy in the NHS.

The broad potential health outcomes of the IDPS Programme are safeguarding the health of women identified with these conditions in pregnancy, preventing new infant infections and protecting the health of newly infected infants.

Approximately 650,000 pregnant women enter the antenatal screening pathway in England each year, with more than 4,000 women expected either to have a screen positive result for HIV, hepatitis B or syphilis, or to be identified as having a prior diagnosis of these infections. Uptake of antenatal screening for HIV, hepatitis B and syphilis is high in England, over 99% for all three infections in 2016/17.

1.2 Data collection process

A formal IDPS Programme was established in 2008 and became part of the population screening programmes in 2013. Each condition has a screening pathway that describes a woman's 'step by step' journey from booking to delivery. The pathway goes from identification of the eligible population and the offer of screening through to timely referral and entry into care and specialist services. The pathway correlates with the themes of the programme standards.

The IDPS Programme Standards were updated to include defined metrics to support screening quality assurance processes. In October 2021, the IDPS programme moved from PHE into NHS England. Data collection moved alongside the programme and NHS England took over coordination of the annual data collection from PHE. Before PHE took over data collection April 2016, annual data collection for IDPS programme was conducted

by the National Infection Service's National Antenatal Infections Screening Monitoring (NAISM).

Monitoring of screening outcomes is a core deliverable for all national screening programmes and a key objective for the programme teams. Within the IDPS Programme, the collation and analyses of screening outcome data is essential to:

- monitor the performance of the screening programme
- review all positive cases to inform screening programme pathways, policies and standards
- identify areas for further audit, research and service improvements
- report on the effect of health inequalities for women who screen positive for any of the 3 screening for infections and the impact on the health of their infants

The IDPS programme previously contributed to the commissioning of the National Surveillance of HIV in Pregnancy and Childhood (NSHPC) at University College London Great Ormond Street Institute of Child Health (GOSICH), to collect data on the HIV antenatal screening programme outcomes.

HIV and syphilis infections are NOT reportable by law in the UK and good quality surveillance relies on the goodwill and relationships built over many years with respondents. Acute hepatitis B infection is a notifiable disease and laboratories have a statutory requirement to report all diagnoses of hepatitis B, both chronic and acute, to health protection teams at UK Health Security Agency (UKHSA) under the Health Protection (Notification) Regulations 2010.

The surveillance and sensitive nature of HIV, hepatitis B and syphilis requires stringent governance approvals for collection, storage and processing of the data and specialised knowledge in infectious diseases obstetric and paediatric medicine for the appropriate analysis and interpretation of the data. The UKHSA has well-established reporting systems for the surveillance of adult HIV in specialist HIV centres and infectious disease units in England, however it does not have the knowledge or networks within paediatric and obstetric services to collect, analyse or interpret maternity and paediatric surveillance data. NHS England requires comprehensive ascertainment of all known HIV, hepatitis B and syphilis infections in pregnant women and infants in England. This data is essential for understanding and quantifying vertical transmission (mother to child) in England and optimising its prevention. The data are also used in a mathematical model run by UKHSA in collaboration with Cambridge University to measure the diagnosed and undiagnosed prevalence of HIV in the whole population.

Over the past five years, the IDPS Programme has expanded surveillance to include syphilis and hepatitis B infection during pregnancy and associated vertical transmissions of these infections.

1.3 Service objectives

Over the life of the contract, the supplier will manage the Integrated Screening Outcomes Surveillance Service to collect, analyse and report obstetric and paediatric data on HIV, syphilis and hepatitis B in pregnant women and children in order to assess the key outcomes of the IDPS Programme and its impact on:

- prevention of vertically acquired HIV, hepatitis B and syphilis

- protecting the health of women with HIV, hepatitis B and syphilis during and after pregnancy
- protecting the health of infants newly infected with HIV, hepatitis B and syphilis
- monitoring reports of congenital rubella in infants

5 Congenital rubella

5.1 Cessation of screening

In 2016, screening for rubella susceptibility was removed as a part of the screening programme. This is because screening for rubella in pregnancy does not give any protection to the unborn baby in that pregnancy. Reports of congenital rubella should still be notified to the screening programmes outcome service. Since cessation of screening, there have been no reports of congenital rubella in infants born to women in England.

5.2 Congenital rubella

Registered medical practitioners (RMPs) have a statutory duty to notify the 'proper officer' at their local council or local health protection team (HPT) of suspected cases of rubella infection, including congenital rubella. This reporting is in accordance with the Health Protection (Notification) Regulations 2010.

In the event if a report of congenital rubella in an infant born in England, it is expected that ISOSS would use the same established approach used to investigate other vertical transmissions, drawing on the good relationships with clinical colleagues in provider organisations to establish the circumstances around the transmission. This would be a collaborative approach with colleagues from the UKHSA.

6 Governance

6.1 Data controllers

NHS England are the data owners and data controllers of ISOSS. As such, NHS England are responsible for having in place the legal assurances to collect data under Regulation 3 of The Health Service (Control of Patient Information) Regulations 2002. As data controllers, NHS England have appointed the supplier to act as data processors for ISOSS.

6.2 Data processors

The service providers are commissioned as acting as data processors.

- 6.2.1 the processor must only act on the controller's documented instructions
- 6.2.2 the processor will only process personal data received upon documented instruction from the controller (unless required by law to process personal data without such instructions) including in respect of international data transfers
- 6.2.3 the processor ensures that any person processing personal data is subject to a duty of confidentiality
- 6.2.4 the processor takes all measures required pursuant to Article 32 of UK GDPR (Security of Processing) including but not limited to implementing appropriate technical and organisational measures to protect personal data received
- 6.2.5 the processor assists the controller by appropriate technical and organisational measures to respond to data subject rights' requests under UK GDPR
- 6.2.6 the processor assists the controller to ensure compliance with obligations under UK GDPR in relation to security of data processing (UK GDPR Article 32), notification of data breaches (UK GDPR Articles 33 and 34) and data protection impact assessments (UK GDPR Article 35 and 36)

- 6.2.7 at the end of the data processing by the processor and on the controller's instruction, the processor returns the personal data received to the data controller
- 6.2.8 the processor makes available to the controller all information necessary to demonstrate compliance with Article 28 of UK GDPR and that the processor allows for and contributes to audits conducted by the controller or a third party on the controller's behalf
- 6.2.9 Article 32(1) of UK GDPR requires processors to implement appropriate technical and organisational measures to ensure a level of security for personal data appropriate to the risk. This includes the following types of measures when appropriate:
- pseudonymisation and encryption of personal data (including use of Soundex coding)
 - ensuring the confidentiality, integrity, availability, and resilience of processing activities
 - the ability to restore personal data in a timely manner in the event of a physical or technical incident
 - regular security testing, assessing, and evaluating the effectiveness of technical and organisational measures to ensure the security of processing

findings to stakeholders and ensuring the quality of the surveillance service. The supplier will:

- 7.4.1 collaborate with NHSE colleagues on papers and conference abstracts by mutual agreement

- 7.5 No other policies are associated with this contract (other than ones included in this specification)
- 7.6 The supplier will adhere to a adopt their internal Serious incidents policy:

Schedule 6

Staff transfer

The optional parts of this Schedule 7 below shall only apply to this Contract where such parts have been checked.

Part A ☒ No staff transfer to the Supplier under TUPE (only applicable to the Contract if this box is checked)

- 1.1 The Parties agree that at the commencement of the provision of Services by the Supplier TUPE, the Cabinet Office Statement and Fair Deal for Staff Pensions shall not apply so as to transfer the employment of any employees of the Authority or a Third Party to the Supplier.
- 1.2 If any person who is an employee of the Authority or a Third Party claims, or it is determined, that their contract of employment has been transferred from the Authority or Third Party to the Supplier or a Sub-contractor pursuant to TUPE, or claims that their employment would have so transferred had they not resigned, then:
 - 1.2.1 the Supplier will, within seven (7) days of becoming aware of that fact, give notice in writing to the Authority;
 - 1.2.2 the Authority or Third Party may offer employment to such person within twenty-eight (28) days of the notification by the Supplier;
 - 1.2.3 if such offer of employment is accepted, the Supplier or a Sub-contractor shall immediately release the person from their employment;
 - 1.2.4 if after that period specified in Clause 1.2.2 of Part A of this Schedule 7 has elapsed, no offer of employment has been made by the Authority or Third Party, or such offer has been made by the Authority or Third Party but not accepted within a reasonable time, the Supplier or Sub-contractor shall employ that person in accordance with its obligations and duties under TUPE and shall be responsible for all liabilities arising in respect of any such person and shall (where relevant) be bound to apply Fair Deal for Staff Pensions in respect of any such person in accordance with the provisions of Part D of this Schedule 7.

Part B ☐ Staff transfer from the Authority under TUPE (only applicable to the Contract if this box is checked)

- 1.1 The Parties agree that the commencement of the provision of Services under this Contract shall give rise to a relevant transfer as defined in TUPE. Accordingly the contracts of employment of the Transferring Employees will transfer on the Transfer Date to the Supplier or any Sub-contractor pursuant to TUPE, the Cabinet Office Statement and Fair Deal for Staff Pensions.
- 1.2 The Supplier agrees, or shall ensure by written agreement that any Sub-contractor shall agree, to accept the Transferring Employees into its employment on the Transfer Date upon their then current terms and conditions of employment (including the right to continued access to the NHS Pension Scheme or access to a Broadly Comparable pension scheme which shall be dealt with in accordance with Part D of this Schedule 7) and with full continuity of employment.
- 1.3 The Supplier's agreement in Clause 1.2 of Part B of this Schedule 7 (and any subsequent agreement by any Sub-contractor), is subject to the right of any employee

identified as a Transferring Employee to object to being transferred to the Supplier or any Sub-contractor.

1.4 The Supplier will, or shall ensure by written agreement that any Sub-contractor will:

- 1.4.1 not later than twenty eight (28) days after issue of a written notice in writing to it from the Authority, provide the Authority with the information required under regulation 13(4) of TUPE. The Supplier shall be liable to the Authority for, and shall indemnify and keep the Authority indemnified against, any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings that arise or result from any breach of this obligation;
- 1.4.2 provide such assistance and information to the Authority as it may reasonably request to facilitate a smooth and efficient handover of the Transferring Employees to the Supplier or any Sub-contractor (including attendance at any meetings with Transferring Employees, trade unions and employee representatives);
- 1.4.3 comply with its obligations to inform and, if necessary, consult with the appropriate representatives of any employees who are affected by the relevant transfer in accordance with regulation 13 of TUPE; and

1.5 The Authority will on or before the Transfer Date:

- 1.5.1 pay all wages, salaries and other benefits of the Transferring Employees (including any contributions to retirement benefit schemes) and discharge all other financial obligations (including reimbursement of any expenses) owing to the Transferring Employees in respect of the period before the Transfer Date;
- 1.5.2 procure that any loans or advances made to the Transferring Employees before the Transfer Date are repaid to it;
- 1.5.3 account to the proper authority for all PAYE tax deductions and national insurance contributions payable in respect of the Transferring Employees in the period before the Transfer Date; and
- 1.5.4 pay the Supplier the amount which would be payable to each of the Transferring Employees in lieu of accrued but untaken holiday entitlement as at the Transfer Date.

1.6 The Authority will:

- 1.6.1 provide such assistance and information to the Supplier as it may reasonably request to facilitate a smooth and efficient handover of the Transferring Employees to the Supplier or any Sub-contractor, including the provision of all employee liability information identified in regulation 11 of TUPE in relation to the Transferring Employees; and

- 1.6.2 comply with its obligations to inform and, if necessary, consult with the appropriate representatives of any employees who are affected by the relevant transfer in accordance with regulation 13 of TUPE.
- 1.7 The Authority shall indemnify and keep indemnified the Supplier in relation to any Employment Liabilities arising out of or in connection with any claim which arises as a result of any act or omission of the Authority in relation to the Transferring Employees prior to the Transfer Date save for where such act or omission results from complying with the instructions of the Supplier or Sub-contractor, including the Supplier or Sub-contractor failing to comply with its obligations under regulation 13 of TUPE, but only to the extent that such claim is brought by:
 - 1.7.1 any of the Transferring Employees (whether on their own behalf or in their capacity as employee representatives); or
 - 1.7.2 any trade union, staff association or staff body recognised by the Authority in respect of any of the Transferring Employees or any employee representatives acting on behalf of any of the Transferring Employees.
- 1.8 The Supplier shall be responsible for or shall procure that any relevant Sub-contractor shall be responsible from the Transfer Date for all remuneration, benefits, entitlements and outgoings in respect of the Transferring Employees and other Staff.
- 1.9 The Supplier shall indemnify and will keep indemnified the Authority in relation to any Employment Liabilities arising out of or in connection with:
 - 1.9.1 any act or omission of the Supplier or Sub-contractor on or after the Transfer Date (or any other event or occurrence after the Transfer Date) in respect of any Transferring Employee or Staff (including but not limited to any liability which arises because a Transferring Employee's employment with the Supplier or Sub-contractor is deemed to include their previous continuous employment with the Authority);
 - 1.9.2 any act or omission of the Supplier or Sub-contractor in relation to its obligations under regulation 13 of TUPE, or in respect of an award of compensation under regulation 15 of TUPE except to the extent that the liability arises from the Authority's failure to comply with regulation 13 of TUPE;
 - 1.9.3 any allegation or claim by a Transferring Employee or any other employee of the Authority that in consequence of the transfer of Services to the Supplier or Sub-contractor there has or will be a substantial change in such Transferring Employee's working conditions to their detriment within regulation 4(9) of TUPE; and
 - 1.9.4 any allegation or claim that the termination of employment of any of the Transferring Employees or any other employee of the Authority whether on or before the Transfer Date which arises as a result of any act or omission by the Supplier or Sub-contractor save for where such act or omission results from complying with the instructions of the Authority.
- 1.10 If any person who is an employee of the Authority who is not a Transferring Employee claims or it is determined that their contract of employment has been transferred from

the Authority to the Supplier or any Sub-contractor pursuant to TUPE, or claims that their employment would have so transferred had they not resigned:

- 1.10.1 the Supplier will, within seven (7) days of becoming aware of that fact, give notice in writing to the Authority;
- 1.10.2 the Authority may offer employment to such person within twenty eight (28) days of the notification by the Supplier;
- 1.10.3 if such offer of employment is accepted, the Supplier or Sub-contractor shall immediately release the person from their employment; and
- 1.10.4 if after the period specified in Clause 1.10.2 of Part B of this Schedule 7 has elapsed, no offer of employment has been made by the Authority or such offer has been made by the Authority but not accepted within a reasonable time, the Supplier or Sub-contractor shall employ that person in accordance with its obligations and duties under TUPE and shall be responsible for all liabilities arising in respect of any such person from the Transfer Date.

Part C ☐ Staff transfer from a current provider under TUPE (only applicable to the Contract if this box is checked)

- 1.1 The Parties agree that the commencement of the provision of Services under this Contract shall give rise to a relevant transfer as defined in TUPE. Accordingly the contracts of employment of the Third Party Employees will transfer on the Transfer Date to the Supplier or a Sub-contractor pursuant to TUPE, the Cabinet Office Statement and (where relevant) Fair Deal for Staff Pensions.
- 1.2 The Supplier agrees, or shall ensure by written agreement that any Sub-contractor shall agree, to accept the Third Party Employees into its employment on the Transfer Date upon their then current terms and conditions of employment (and including (where relevant) the right to secure access or continued access to the NHS Pension Scheme or access or continued access to a Broadly Comparable pension scheme in accordance with Fair Deal for Staff Pensions (which shall be dealt with in accordance with Part D of this Schedule 7) and with full continuity of employment.
- 1.3 The Supplier's agreement in Clause 1.2 of Part C of this Schedule 7 (and any subsequent agreement by any Sub-contractor), is subject to the right of any Third Party Employee to object to being transferred to the Supplier or any Sub-contractor.
- 1.4 The Supplier will, or shall ensure by written agreement that any Sub-contractor will:
 - 1.4.1 not later than twenty eight (28) days after issue of a written notice in writing to it from the Authority, provide the Third Party with the information required under regulation 13(4) of TUPE. The Supplier shall be liable to the Authority for, and shall indemnify and keep the Authority and any Third Party indemnified against, any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings that arise or result from any breach of this obligation;
 - 1.4.2 provide such assistance and information to the Third Party as it may reasonably request to facilitate a smooth and efficient handover of the Third Party Employees to the Supplier or any Sub-contractor (including attendance at any meetings with Third Party Employees, trade unions and employee representatives);
 - 1.4.3 comply with its obligations to inform and, if necessary, consult with the appropriate representatives of any employees who are affected by the relevant transfer in accordance with regulation 13 of TUPE; and
 - 1.4.4 immediately following the Transfer Date comply with its obligation to consult with the appropriate representatives of the Third Party Employees about any Measures in accordance with regulation 13(6) of TUPE.
- 1.5 The Supplier shall be responsible for, or shall procure that any relevant Sub-contractor shall be responsible from the Transfer Date, for all remuneration, benefits, entitlements and outgoings in respect of the Third Party Employees and other Staff.
- 1.6 The Supplier shall indemnify and will keep indemnified the Authority and any Third Party in relation to any Employment Liabilities arising out of or in connection with:
 - 1.6.1 any act or omission of the Supplier or a Sub-contractor on or after the Transfer Date (or any other event or occurrence after the Transfer Date) in respect of any Third Party Employee or Staff (including but not limited to any liability which arises because a Third Party Employee's employment with the Supplier or a Sub-contractor is deemed to include their previous continuous employment with the Third Party);

- 1.6.2 any act or omission of the Supplier or a Sub-contractor in relation to its obligations under regulation 13 of TUPE, or in respect of an award of compensation under regulation 15 of TUPE except to the extent that the liability arises from the Third Party's failure to comply with regulation 13 of TUPE;
 - 1.6.3 any claim or allegation by a Third Party Employee or any other employee of the Authority or Third Party that in consequence of the transfer of Services to the Supplier or a Sub-contractor there has or will be a substantial change in their working conditions to their detriment within regulation 4(9) of TUPE; and

Part D ☐ Provisions regarding pensions (only applicable to the Contract if this box is checked or Clause 1.2.4 of Part A of this Schedule 7 applies)

Broadly comparable pension benefits ☐ (Clause 1.4 of this Part D of this Schedule 7 only applies to the Contract if this box is checked or 1.2.4 of Part A of this Schedule 7 applies. For the avoidance of doubt, where this box is not checked, but the Part D box above is checked all of the provisions of this Part D of this Schedule 7 shall apply to this Contract except Clause 1.4 of this Part D of this Schedule 7)

1 Pension protection for Eligible Employees

1.1 General

- 1.1.1 The Supplier shall procure that, if relevant, each of its Sub-contractors shall comply with the provisions in this Schedule 7 as if references to the Supplier were to the Sub-contractor.

1.2 Membership of the NHS Pension Scheme

- 1.2.1 In accordance with Fair Deal for Staff Pensions, the Supplier to which the employment of any Eligible Employee compulsorily transfers as a result of the award of this Contract, if not an NHS Body or other employer which participates automatically in the NHS Pension Scheme, shall on or before the Employee Transfer Date, each secure a Direction Letter to enable the Eligible Employees to retain either continuous active membership of or eligibility for, the NHS Pension Scheme, or as appropriate rejoin or secure eligibility for the NHS Pension Scheme for so long as they remain employed in connection with the delivery of the Services under this Contract.
- 1.2.2 The Supplier must supply to the Authority a complete copy of the Direction Letter as soon as reasonably practicable after the Employee Transfer Date.
- 1.2.3 The Supplier shall comply with the terms of the Direction Letter (including any terms which change as a result of changes in Law) for so long as it remains bound by the terms of the Direction Letter.
- 1.2.4 Where any Staff (including any Transferred Staff) omitted from the Direction Letter supplied in accordance with Part D of this Schedule 7 is subsequently found to be an Eligible Employee, the Supplier (or its Sub-contractor if relevant) will ensure that that person is treated as an Eligible Employee from the Employee Transfer Date so that their Pension Benefits and Premature Retirement Rights are not adversely affected.
- 1.2.5 The Supplier shall ensure that all data relating to the Eligible Employees and the NHS Pension Scheme is up to date and is provided to the Authority as requested from time to time.

1.3 Contributions payable

- 1.3.1 The Supplier shall pay to the NHS Pension Scheme all such amounts as are due under the Direction Letter and shall deduct and pay to the NHS Pension Scheme such employee contributions as are required by the NHS Pension Scheme.
- 1.3.2 Where during the Term the standard employer contribution rate which the Supplier is required to pay into the NHS Pension Scheme pursuant to the terms of its Direction Letter is increased to a rate which is over and above the rate which was applicable to the Supplier as at the date of this Contract

and such rate increase results in an increased cost to the Supplier overall in relation to the provision of the Services (“Cost Increase”), the Supplier shall (subject to Clause 1.3.3 of Part D of this Schedule 7 and the provision of supporting information) be entitled to recharge a sum equal to the Cost Increase to the Authority. The Supplier shall only be entitled to recharge any Cost Increase to the Authority pursuant to this Clause 1.3.2 of Part D of this Schedule 7 in circumstances where the Cost Increase arises solely as a direct result of a general increase in the employer contribution rate applicable to all employers participating in the NHS Pension Scheme and not in circumstances where the employer contribution rate applicable to the Supplier is increased for any other reason, including as a result of any acts or omissions of the Supplier which give rise to any costs or additional charges (including interest) being charged to the Supplier which are over and above the minimum employer contributions payable by an employer in the NHS Pension Scheme (including as a result of a failure by the Supplier to comply with the terms of its Direction Letter or to meet its obligations to the NHS Pension Scheme).

1.3.3 The Supplier must supply all such information as the Authority may reasonably request from time to time in order to support any claim made by the Supplier pursuant to Clause 1.3.2 of Part D of this Schedule 7 in relation to a Cost Increase.

1.3.4 Where during the Term the standard employer contribution rate which the Supplier is required to pay in relation to the NHS Pension Scheme pursuant to the terms of its Direction Letter is decreased as part of a general reduction in the standard employer contribution rate applicable to all employers participating in the NHS Pension Scheme to a rate which is lower than that which was applicable as at the date of this Contract and such decrease results in a cost saving for the Supplier (a “Cost Saving”), the Authority shall be entitled to reduce the amounts payable to the Supplier under this Contract by an amount equal to the Cost Saving. The Authority shall be entitled to deduct any Cost Saving from sums otherwise payable by the Authority to the Supplier under this Contract.

1.4 Broadly Comparable Pension Benefits

1.4.1 If the Authority in its sole discretion agrees that the Supplier or Sub-contractor need not provide the Eligible Employees with access to the NHS Pension Scheme, the Supplier must ensure that, with effect from the Employee Transfer Date until the day before the Subsequent Transfer Date, the Eligible Employees are offered access to a scheme under which the Pension Benefits are Broadly Comparable to those provided under the NHS Pension Scheme.

1.4.2 The Supplier must supply to the Authority details of its Broadly Comparable scheme and provide a full copy of the valid certificate of Broad Comparability covering all Eligible Employees, as soon as it is able to do so and in any event no later than twenty eight (28) days before the Employee Transfer Date.

1.5 Transfer Option where Broadly Comparable Pension Benefits are provided

1.5.1 As soon as reasonably practicable and in any event no later than twenty (20) Business Days after the Employee Transfer Date, the Supplier must provide the Eligible Employees with the Transfer Option, where a Third Party offered, or the Supplier offers, a Broadly Comparable scheme.

1.6 Calculation of Transfer Amount

- 1.6.1 The Authority shall use reasonable endeavours to procure that twenty (20) Business Days after the Transfer Option Deadline, the Transfer Amount is calculated by the Third Party's Actuary or the Authority's Actuary (as appropriate) on the following basis and notified to the Supplier along with any appropriate underlying methodology.
- 1.6.2 If the Third Party offers a Broadly Comparable scheme to Eligible Employees:
- (i) the part of the Transfer Amount which relates to benefits accrued in that Broadly Comparable scheme other than those in Clause (ii) of Part D of this Schedule 7 below must be aligned to the funding requirements of that scheme; and
 - (ii) the part of the Transfer Amount which relates to benefits accrued in the NHS Pension Scheme (having been previously bulk transferred into the Third Party's Broadly Comparable scheme), must be aligned to whichever of:
 - (A) the funding requirements of the Third Party's Broadly Comparable scheme; or
 - (B) the principles under which the Third Party's Broadly Comparable scheme received a bulk transfer payment from the NHS Pension Scheme (together with any shortfall payment), gives the higher figure, provided that where the principles require the assumptions to be determined as at a particular date, that date shall be the Employee Transfer Date.
- 1.6.3 In the case of Transferring Employees or any Third Party Employees who have access to the NHS Pension Scheme (and who are classed as Eligible Employees), the Transfer Amount shall be calculated by the NHS Pension Scheme's Actuary on the basis applicable for bulk transfer terms from the NHS Pension Scheme set by the Department of Health from time to time.
- 1.6.4 Each Party shall promptly provide to the Actuary calculating or verifying the Transfer Amount any documentation and information which that Actuary may reasonably require.

1.7 Payment of Transfer Amount

Subject to:

- 1.7.1 the period for acceptance of the Transfer Option having expired; and
- 1.7.2 the Supplier having provided the trustees or managers of the Third Party's pension scheme (or NHS Pensions, as appropriate) with completed and signed forms of consent in a form acceptable to the Third Party's pension scheme (or NHS Pensions) from each Eligible Employee in respect of the Transfer Option; and
- 1.7.3 the calculation of the Transfer Amount in accordance with Clause 1.6 of Part D of this Schedule 7; and

- 1.7.4 the trustees or managers of the Supplier's (or any Sub-contractor's) Broadly Comparable scheme (or NHS Pensions, as appropriate) having confirmed in writing to the trustees or managers of the Third Party's pension scheme (or NHS Pensions, as appropriate) that they are ready, willing and able to receive the Transfer Amount and the bank details of where the Transfer Amount should be sent, and not having revoked that confirmation,

the Authority will use reasonable endeavours to procure that the Third Party's pension scheme (or the NHS Pension Scheme, as appropriate) shall, on or before the Payment Date, transfer to the Supplier's Broadly Comparable scheme (or NHS Pension Scheme) the Transfer Amount in cash, together with any cash or other assets which are referable to additional voluntary contributions (if any) paid by the Eligible Employees which do not give rise to salary-related benefits.

1.8 Credit for Transfer Amount

- 1.8.1 Subject to prior receipt of the Transfer Amount, by the trustees or managers of the Supplier's Broadly Comparable scheme (or NHS Pensions, as appropriate), the Supplier must procure that year-for-year day-for-day service credits are granted in the Supplier's (Broadly Comparable scheme (or NHS Pension Scheme), or an actuarial equivalent agreed by the Authority's Actuary (and NHS Pension Scheme Actuary) in accordance with Fair Deal for Staff Pensions as a suitable reflection of the differences in benefit structure between the NHS Pension Scheme and the Supplier's pension scheme.
- 1.8.2 To the extent that the Transfer Amount is or shall be insufficient to provide benefits in the receiving scheme on the basis set out in Clause 1.8.1 above, the Supplier shall be liable to make a top-up payment into the receiving scheme such that benefits shall be provided by the receiving scheme on the basis set out in Clause 1.8.1 above.

1.9 Premature Retirement Rights

- 1.9.1 From the Employee Transfer Date until the day before the Subsequent Transfer Date, the Supplier must provide Premature Retirement Rights in respect of the Eligible Employees that are identical to the benefits they would have received had they remained employees of an NHS Body or other employer which participates automatically in the NHS Pension Scheme.

1.10 Breach and Cancellation of any Direction Letter(s) and Right of Set-Off

- 1.10.1 The Supplier agrees that it shall notify the Authority if it breaches the terms of the Direction Letter. The Supplier also agrees that the Authority is entitled to make arrangements with NHS Pensions for the Authority to be notified if the Supplier breaches the terms of this Direction Letter.
- 1.10.2 If the Authority is entitled to terminate this Contract pursuant to Clause 15.5.5 of Schedule 2, the Authority may in its sole discretion instead of exercising its right under Clause 15.5.5 of Schedule 2 permit the Supplier to offer Broadly Comparable Pension Benefits, on such terms as decided by the Authority.
- 1.10.3 If the Authority is notified by NHS Pensions of any NHS Pension Scheme Arrears, the Authority shall be entitled to deduct all or part of those arrears from any amount due to be paid by the Authority to the Supplier having given

the Supplier five (5) Business Days' notice of its intention to do so, and to pay any sum deducted to NHS Pensions in full or partial settlement of the NHS Pension Scheme Arrears. This set-off right is in addition to and not instead of the Authority's right to terminate the Contract under Clause 15.5.5 of Schedule 2.

1.11 Compensation

- 1.11.1 If the Supplier is unable to provide the Eligible Employees with either:
- (i) membership of the NHS Pension Scheme (having used its best endeavours to secure a Direction Letter); or
 - (ii) a Broadly Comparable scheme,
- the Authority may in its sole discretion permit the Supplier to compensate the Eligible Employees in a manner that is Broadly Comparable or equivalent in cash terms, the Supplier having consulted with a view to reaching agreement any recognised trade union or, in the absence of such body, the Eligible Employees. The Supplier must meet the costs of the Authority in determining whether the level of compensation offered is reasonable in the circumstances.
- 1.11.2 This flexibility for the Authority to allow compensation in place of Pension Benefits is in addition to and not instead of the Authority's right to terminate the Contract under Clause 15.5.5 of Schedule 2.

1.12 Supplier Indemnities Regarding Pension Benefits and Premature Retirement Rights

- 1.12.1 The Supplier must indemnify and keep indemnified the Authority and any Successor against all Losses arising out of any claim by any Eligible Employee that the provision of (or failure to provide) Pension Benefits and Premature Retirement Rights from the Employee Transfer Date, or the level of such benefit provided, constitutes a breach of his or her employment rights.
- 1.12.2 The Supplier must indemnify and keep indemnified the Authority, NHS Pensions and any Successor against all Losses arising out of the Supplier (or its Sub-contractor) allowing anyone who is not an Eligible Employee to join or claim membership of the NHS Pension Scheme at any time during the Term.
- 1.12.3 The Supplier must indemnify the Authority, NHS Pensions and any Successor against all Losses arising out of its breach of this Part D of this Schedule 7 or the terms of the Direction Letter.

1.13 Sub-contractors

- 1.13.1 If the Supplier enters or has at the Commencement Date entered into a Sub-contract for delivery of all or part of the Services it shall impose obligations on its Sub-contractor in the same terms as those imposed on the Supplier in relation to Pension Benefits and Premature Retirement Benefits by this Part D of this Schedule 7, including requiring that:
- (i) if the Supplier has secured a Direction Letter, the Sub-contractor also secures a Direction Letter in respect of the Eligible Employees for their future service with the Sub-contractor as a condition of being awarded the Sub-contract; or

- (ii) if the Supplier has offered the Eligible Employees access to a pension scheme under which the benefits are Broadly Comparable to those provided under the NHS Pension Scheme, the Sub-contractor either secures a Direction Letter in respect of the Eligible Employees or provides Eligible Employees with access to a scheme with Pension Benefits which are Broadly Comparable to those provided under the NHS Pension Scheme and in either case the option for Eligible Employees to transfer their accrued rights in the Supplier's pension scheme into the Sub-contractor's Broadly Comparable scheme (or where a Direction Letter is secured by the Sub-contractor, the NHS Pension Scheme) on the basis set out in Clause 1.8 of Part D of this Schedule 7, except that the Supplier or the Sub-contractor as agreed between them, must make up any shortfall in the transfer amount received from the Supplier's pension scheme.

1.14 Direct Enforceability by the Eligible Employees

- 1.14.1 Notwithstanding Clause 30.8 of Schedule 2, the provisions of this Part D of this Schedule 7 may be directly enforced by an Eligible Employee against the Supplier and the Parties agree that the Contracts (Rights of Third Parties) Act 1999 shall apply to the extent necessary to ensure that any Eligible Employee shall have the right to enforce any obligation owed to him or her by the Supplier under this Part D of this Schedule 7 in his or her own right under section 1(1) of the Contracts (Rights of Third Parties) Act 1999.
- 1.14.2 Further, the Supplier must ensure that the Contracts (Rights of Third Parties) Act 1999 shall apply to any Sub-contract to the extent necessary to ensure that any Eligible Employee shall have the right to enforce any obligation owed to them by the Sub-contractor in his or her own right under section 1(1) of the Contracts (Rights of Third Parties) Act 1999.

1.15 Pensions on Transfer of Employment on Exit

- 1.15.1 In the event of any termination or expiry or partial termination or expiry of this Contract which results in a transfer of the Eligible Employees, the Supplier must (and if offering a Broadly Comparable scheme, must use all reasonable efforts to procure that the trustees or managers of that pension scheme must):
 - (i) not adversely affect pension rights accrued by the Eligible Employees in the period ending on the Subsequent Transfer Date;
 - (ii) within thirty (30) Business Days of being requested to do so by the Authority or Successor, (or if the Successor is offering Eligible Employees access to the NHS Pension Scheme, by NHS Pensions), provide a transfer amount calculated in accordance with Clause 1.6 of this Part D of this Schedule 7; and
 - (iii) do all acts and things, and provide all information and access to the Eligible Employees, as may in the reasonable opinion of the Authority be necessary or desirable and to enable the Authority and/or the Successor to achieve the objectives of Fair Deal for Staff Pensions.

Schedule 7

Expert Determination

1 Dispute Process

- 1.1 During any Dispute, including a Dispute as to the validity of the Contract, it is agreed that the Supplier shall continue its performance of the provisions of the Contract (unless the Authority requests in writing that the Supplier does not do so).
- 1.2 In the case of a Dispute the Supplier and the Authority shall make every reasonable effort to communicate and cooperate with each other with a view to resolving the Dispute and shall follow the procedure set out in this Schedule 8.
- 1.3 In the event of a Dispute either Party may serve a Dispute Notice on the other Party to commence formal resolution of the Dispute. The Dispute Notice shall set out:
 - 1.3.1 the material particulars of the Dispute; and
 - 1.3.2 the reasons why the Party serving the Dispute Notice believes the Dispute has arisen.
- 1.4 Following the service of a Dispute Notice the Parties shall first seek to resolve the Dispute by convening a meeting between the Authority's Contract Manager and the Supplier's Contract Manager (together the "**Contract Managers**").
 - 1.4.1 The meeting of the Contract Managers must take place within five (5) Business Days of the date of the Dispute Notice (the "**Dispute Meeting**").
 - 1.4.2 The Contract Managers shall be given ten (10) Business Days following the date of the Dispute Meeting to resolve the Dispute.
 - 1.4.3 The Contract Managers can agree to further meetings at levels 2 and/or 3, as referred to at Clause 5.1 of the Key Provisions in Schedule 1, in addition to the Dispute Meeting, but such meetings must be held within the ten (10) Business Day timetable set out in Clause 1.4.2 of this Schedule 8.
 - 1.4.4 If at any point it becomes clear that the timetable set out cannot be met or has passed, the Parties may (but shall be under no obligation to) agree in writing to extend the timetable. Any agreed extension to the timetable shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension.
- 1.5 If the procedure set out in Clause 1.4 of this Schedule 8 has been exhausted and fails to resolve the Dispute either Party may request the Dispute be resolved by way of a binding expert determination (pursuant to Clause 1.6 of this Schedule 8). For the avoidance of doubt, the Expert shall determine all matters (including, without limitation, matters of contractual construction and interpretation) in connection with any Dispute referred to binding expert determination pursuant to Clause 1.6 of this Schedule 8.
- 1.6 Where the Dispute is referred to binding expert determination the following process will apply:
 - 1.6.1 The Party wishing to refer the Dispute to expert determination shall give notice in writing to the other Party informing it of its wish to refer the Dispute to expert determination and giving brief details of its position in the Dispute.
 - 1.6.2 The Parties shall attempt to agree upon a single expert (who must have no connection with the Dispute unless both Parties have consented in writing) (an "**Expert**"). For the avoidance of doubt, where the Dispute relates to contractual interpretation and construction, the Expert may be Queen's Counsel. In the event that the Parties fail to agree upon an Expert within five

- (5) Business Days following the date of the notice referred to in Clause 1.6.1 of this Schedule 8 (or if the person agreed upon is unable or unwilling to act), the Parties agree that the Expert will be nominated and confirmed to be appointed by the Centre for Effective Dispute Resolution.
- 1.6.3 The Expert must be willing and able to complete the expert determination process within thirty (30) Business Days of the Date of Final Representations (as defined in Clause 1.6.5 of this Schedule 8).
- 1.6.4 The Expert shall act as an expert not as an arbitrator or legal advisor. There will be no formal hearing and the Expert shall regulate the procedure as he sees fit.
- 1.6.5 The Parties shall each have the right to make written representations to the Expert and will, with reasonable promptness, provide the Expert with such assistance and documents as the Expert reasonably requires for the purpose of reaching a decision. Such representations must be made within twenty eight (28) Business Days of the Expert being appointed, or fourteen (14) Business Days after the last documents requested by the Expert have been provided to the Expert, whichever is the later (“**Date of Final Representations**”). Any documents provided to the Expert and any correspondence to or from the Expert, including email exchanges, shall be copied to the other Party simultaneously.
- 1.6.6 The Expert shall have the power to open up, review and revise any certificate, opinion, requisition or notice and to determine all matters in Dispute (including his jurisdiction to determine matters that have been referred to him).
- 1.6.7 The Expert may take such advice and assistance from professional advisers or other third parties as he reasonably considers appropriate to enable him to reach a determination of the Dispute and may issue orders that one or both of the Parties are to pay such third party costs, stating the proportion. For the avoidance of doubt, where the Expert is not Queen’s Counsel, and the Expert requires advice or assistance on matters of contractual interpretation and construction, the expert may take such advice and assistance from a third party Queen’s Counsel of their choosing under this Clause 1.6.7 of this Schedule 8. The Parties will pay any such third party costs incurred pursuant to this Clause 1.6.7 of this Schedule 8 in such proportions as the Expert shall order. In the absence of such order such third party costs will be paid equally.
- 1.6.8 The Expert shall provide the Parties with a written determination of the Dispute (the “**Expert’s Decision**”) within thirty (30) Business Days of the Date of Final Representations, which shall, in the absence of fraud or manifest error, be final and binding on the Parties.
- 1.6.9 The Expert’s Decision shall include reasons.
- 1.6.10 The Parties agree to implement the Expert’s Decision within five (5) Business Days of the Expert’s Decision being provided to them or as otherwise specified as part of the Expert’s Decision.
- 1.6.11 The Parties agree that the Expert shall be entitled to proceed to give his binding determination should one or both Parties fail to act in accordance with the procedural timetable set out above.

- 1.6.12 The Parties will pay the Expert's costs in such proportions as the Expert shall determine. In the absence of such determination such costs will be shared equally.
- 1.6.13 The Parties agree to keep confidential all information arising out of or in connection with the expert determination, including details of the underlying Dispute, except where disclosure is required by Law.
- 1.7 Nothing in this Contract shall prevent:
 - 1.7.1 the Authority taking action in any court in relation to any death or personal injury arising or allegedly arising in connection with the provision of the Services; or
 - 1.7.2 either Party seeking from any court any interim or provisional relief that may be necessary to protect the rights or property of that Party (including Intellectual Property Rights) or which relates to the safety of patients and other service users or the security of Confidential Information, pending the resolution of the relevant Dispute in accordance with the Dispute Resolution Procedure.
- 1.8 Subject to Clause 1.7 of this Schedule 8 neither Party may commence legal proceedings in relation to a Dispute until the dispute resolution procedures set out in this Schedule 8 have been exhausted. For the avoidance of doubt, either Party may commence legal proceedings to enforce the Expert's Decision.
- 1.9 This Schedule 8 shall survive the expiry of or earlier termination of this Contract for any reason.
