

Proposed Ground Floor Plan

Project Brief

1. Work areas defined in red areas.
2. Build new walls to include new double doors and glazed sections.
3. Remove non load bearing walls and make good as denoted by dashed lines.
4. New single and double doors c/w furniture.
5. New full height insulated roller shutter door between KW032 and KW032A.
6. Redecorate all areas.
7. New flooring throughout.
8. LED lighting to all areas, subject to M&E Design.
9. Allow to relocate and alter glass partitioning to KW045.
10. Fitted work benches to all workshop areas.
11. Allow for specialist equipment to all workshops to include required services.
12. Allow for external works to include new windows, doors and decoration.
