

Section 1 - Consultancy Value Statement: Value to be delivered	
Supplier Name	JBA Consulting
Title of Contract	Supply of National Infrastructure Assessment: Performance Measures
Requirement Summary	The purpose of this requirement was to deliver a report that recommends a set of suitable quantitative performance measures for each outcome dimension identified (service quality, cost, resilience and environment), which can be applied to each National Infrastructure Commission (“NIC”) sector (energy, transport, water and wastewater, digital communications, solid waste and flood risk management) and across sectors in a consistent way.
Financial Value Statement	N/A
Non-financial Value Statement	The NIC will be looking to cite the findings from the consultants’ report in its ‘Vision and Priorities’ publication in mid-2017 and use the findings to inform its analysis of infrastructure needs over the long-term.
Section 2 - Consultancy Value Statement: Actual Value Delivered	
Financial Value Statement	TBC when project completed with regards to statement in Section 1.
Non-financial Value Statement	TBC when project completed with regards to statement in Section 1.
