## **Appendix 1: Supporting Equality & Diversity Deliverables**

### **Enhancing Learning Experience:**

- Structured coaching and mentoring sessions
- Access to leadership training to supplement the commercial education programme.
- Managing matchmaking process for 1:1 coaching programme for Clinical
- Entrepreneurs that are newly ready to scale their innovation in the NHS.
- Creation of groups for action learning, and to enhance community experience of the
- Clinical Entrepreneurs looking at geographical areas, specialty/clinical areas, and areas of interest.

### **Improving Access and Support for Underrepresented Groups:**

- Externally commissioned review of programme diversity looking at both recruitment and curriculum/learning.
- Additional support for Clinical Entrepreneurs from underrepresented group to access educational events in person.
- Communications and promotional activity specifically tailored to targeting a diverse range of groups to enable more diverse recruitment.

### **Programme Ambassadors' Network:**

Creating ambassador roles within the programme to be deployed to promote the programme in geographical areas with fewer applicants, as well as those specialties with fewer applicants, encouraging greater diversity in Clinical Entrepreneur network which better represents the NHS.

### **Enhancing Digital Engagement:**

- Enhance the learning experience for those joining remotely by utilising better streaming and recording technology. Improving experience to those who are unable join in person by the production of high quality and accessible recordings.
- Enhancement of community hub mobile app linked to the web platform on both iOS and Android platform. Widening use and engagement, increasing accessibility. Additional push notifications feature to help support communication.
