## Tri-Tech 3D Terms and Conditions

**ACCEPTANCE OF ORDER** Orders are only accepted between Tri-Tech Engineering Ltd (hereinafter called the "Supplier") and the purchaser hereof (hereinafter called the "Buyer") on the terms and conditions set out below and no other terms and conditions shall apply unless expressly agreed to in writing by both the "Supplier" and the "Buyer"

### PRICES

Unless otherwise stated, prices do not include VAT. **DELIVERY**

This price is based on basic ground floor installation, with no steps or other restrictions, and subject to full site survey if any different.

Delivery for this system is to customer site after clarification of all technical details, receipt of official order and confirmation of receipt by us. Any data named by the Company for dispatch or delivery is an estimate only and is not to be of the essence of the Contract. The Customer shall nevertheless be bound to accept the goods ordered when available. The "Supplier" shall not be liable in any way in respect of late dispatch or delivery howsoever caused and failure to deliver is deemed to be a breach of contract. Unless otherwise stated goods shall be delivered at current carrier rates, unless otherwise agreed between the Customer and the Company at the time when the order was placed.

Any additional cost incurred will be charged at cost. Estimated delivery is within 45 days from receipt of official order.

### PAYMENT TERMS

Stratasys products are payable 30% with purchase order, remaining 70% due on notification of scheduled delivery. Tri-

Tech Engineering Ltd is unable to process purchase orders and provides shipping details unless payment is made by the due date. Payments should be made via BACS to: **NatWest Bank**

**Account Number 95401431**

**Sort code Number 558136**

VAT registration: GB765325322

### CANCELLATION

Your written purchase order constitutes a legally binding agreement and any cancellation will result in incurred costs up to and including that date being invoiced.

### WARRANTIES

Stratasys printers carry a 12 month warranty on parts and labour (excluding printing heads) from the date of installation at customer's site. This standard warranty is based on a single shift operation, unless stated otherwise in the quotation. Any modification to the equipment carried out by the customer will invalidate the warranty. Warranty claims are made on the understanding that the equipment is used in a manner for which it was intended. **SERVICES**

The customer shall be responsible to ensure all services required for installation purposes are available prior to the scheduled install date.

Adequate space for the machine must be available with access to all sides for servicing and maintenance operations. Floors should be level and of suitable construction.

### TRAINING & INSTALLATION

Full setup, operating and maintenance instructions will be supplied with the printer. Online and telephone support is also available. Further training available without 3D Print Academy.

### TITLE OF GOODS

Unless otherwise agreed, and solely for the purpose of securing the payment of all outstanding sums due to the Company from the Customer, the Company retains title and ownership of the goods until payment of all amounts due from the Customer has been received.

In the event of non-payment in full by the due date for payment the Customer gives license to the Company to enter onto any property or premises of the Customer or the property or premises of an associated company to recover goods which are the Company's property by virtue of this clause and which are unpaid for.

Notwithstanding the foregoing, risk in the goods shall pass to the Customer on delivery except where the Customer or its agent collects the goods from the Company's premises in which case risk shall pass to the Customer when the goods leave the Company's premises.

The Customer agrees to be responsible for insuring the goods once the risk has passed to the Customer with an insurance office of repute against the usual commercial risks and agrees to indemnify the Company against loss in the event of its failure to do so.

### ACCEPTANCE OF GOODS

The Customer is deemed to have inspected the goods on delivery or within 48 hours thereof and unless the Company receives written notification from the Customer dispatched with 48 hours of delivery the Customer will not be entitled to complain of any default in the goods and will be deemed to have accepted them in their conditions at the time of delivery.

### DEFAULT BY CUSTOMER

The Customer shall make default in or commit any breach of its obligation to the Company if the Customer shall commit any execution or distress levied upon any of its goods or property, or if the Customer being a limited company has any resolution or petition to wind up such company's business passed or presented or if a receiver of such company's undertaking, property or asset so or any part thereof shall be appointed whether by the court or out of court the Company shall have the right forthwith to determine any contract then subsisting without prejudice to any claim or right the company might otherwise make or exercise. **LEGAL CONSTRUCTION**

These conditions of sale and any contract of which they and quotations given form part shall be constructed solely according to the laws of England.
