Dear colleagues, partners and valued stakeholders,

Commissioning 4 Change Engagement Events - March 2019

Derby City Council will be transforming the way it commissions services for adults living in Derby City who are in receipt of social care support - specifically residential care, homecare, supported accommodation, and day opportunities. This will particularly affect service providers supporting adults who are 18 and above.

At this stage, we would like to invite your organisation to 'save the date' for forthcoming events which we have planned at the Council House.

- **Wednesday 20th March 10am to 12 noon – Home Care**
- **Wednesday 20th March 2pm to 4pm – Supported Accommodation**
- **Tuesday 26 March 11am to 1pm – Residential Care**
- **Wednesday 27th March 2pm to 4pm – Day Opportunities**

All the above events will take place in the Jacob Rivers Room except the event on 26 March for Residential Care which will take place in the Joseph Wright Room.

These events will provide an opportunity to network and meet commissioners, and gain an understanding of the proposed contract specifications for Home Care, Day Opportunities, Supported Accommodation and Care Homes. This will also be an opportunity to influence and shape these specifications going forward and thus the future model of care and support in our City.

We will also update you on how these services will be commissioned via Dynamic Purchasing Systems as this will be our new approach to commissioning these services going forward.

As each event has a different focus you are encouraged to attend as many sessions as you feel are relevant to your organisation. However, due to limited capacity, we ask that you limit your request to two delegates per event. Places will be confirmed on a first come, first served basis.

To register your interest in attending one or more of the events above please email Tiegan Butler IntegratedCommissioning@derby.gov.uk or telephone her on 01332 643345 by 15 March 2019. Please be clear on which event(s) you wish to attend, how many delegates and your contact details such as your email address and telephone number. Please also confirm on booking if you or your colleagues have any access requirements to enable attendance.

Yours Sincerely

Amy Jones

Head of Commissioning and Market Management
