Where the Contractor is required to provide information, reports or attend meetings in order to support delivery and management of the contract but does not meet those requirements by any required dates (unless the Authority accepts that circumstances were outside of the control of the Contractor), the Authority reserves the right to deduct 5% of the next payment that becomes due for each week or portion of a week that passes before the supplier meets those requirements.

If, at any time, any of the goods or services provided under the Contract do not meet the required standard or quality then the Authority will not be obligated to buy any more services unless it is satisfied that the required standard or quality will be met.

Where the Contractor is unable to provide the required goods/services within the timescales required, the Authority shall be entitled to procure those goods/services from other providers, including the cancellation of any orders that have been made with no costs incurred by the Authority.
