For the avoidance of doubt the Supplier shall have no right to compel the Authority to exhibit the Product Information in any product catalogue as a result of the approval given by it pursuant to this Clause 10.6 or otherwise under the terms of this Framework Agreement.

Hospices that previously received their supplies through NHS hospitals are now included on the list from March 2015- codes commencing HOS

For Any NHS Trust named on this list- all secondary purchasing points are also covered

Access to CMU framework pricing may be requested by the NHS Trust for authorised outsourced service providers (e.g homecare service providers or out-patient dispensing departments)

ex SHA (= the 10 branded region model) please note these are sub groups of the 4 NHSE regions . Thus North is NE, NW and Yorkshire Humber, South is SW, SEC and South Central, Midlands & East is East of England , West Midlands and East Midlands, London is "as is" - it is both a 4 and a 10 region

APPENDIX ONE
Participating Authorities

APPENDIX TWO
Details of Goods/Services and Prices

APPENDIX THREE**Framework Agreement Price Variation and Additional Goods****1. Price Variations**

Prices shall be firm (i.e. not subject to variation) for the duration of the Framework Agreement.

2. Additional Goods

- 2.1 Goods may be added to this Framework Agreement if they are within the same product range as any goods supplied from time to time under this Framework Agreement. The additional goods will be deemed to be within such product range if they are made with the same active ingredient(s) and the Supplier is the sole source of supply of such additional goods. Provided that each proposal for the supplier to provide additional goods shall be assessed by the Authority and this shall not place any obligation on the Authority to purchase such additional goods from the Supplier in breach of any law relating to public procurement. In all other cases where supply of additional goods is available from third parties, the Authority shall apply the statutory procedures to enable the Supplier and any third parties to participate in such exercise.
- 2.2 If the Supplier wishes to add additional goods to this Framework Agreement, it shall give the Authority one-month prior notice in writing of the identity and price of the additional goods.
- 2.3 The Authority reserves the right not to add the additional goods (being the subject matter of the notice given by the Supplier under paragraph 2.2 above) to this Framework Agreement. If the Authority wishes to exercise this right, it shall, within 14 days of the notice given by the Supplier under paragraph 2.2 above, give the Supplier notice in writing to that effect.
- 2.4 The price of the additional goods shall be the price offered by the Supplier under paragraph 2.2 above.

3. Termination by Supplier

- 3.1 The Supplier may terminate this Framework Agreement by giving to the Authority not less than three months' notice in writing, such notice to be given within fourteen days of its receipt of the notice referred to in Clause 2.1 of this Framework Agreement.
- 3.2 In the event that the Supplier (acting reasonably and in good faith) intends to cease to manufacture or to market any particular product line of the Goods in the United Kingdom the Supplier may terminate the supply under this Framework Agreement of such product line by giving three months' written notice to the Authority to such effect. The Supplier shall give reasonable details in its notice of the grounds for ceasing to manufacture or market the product line in the United Kingdom.

- 3.3 For the avoidance of doubt, in the event that the Supplier gives notice under paragraph 3.1 or paragraph 3.2 above, the Supplier shall be obliged to supply the Goods (in accordance with the terms of this Framework Agreement) pursuant to any Order that may be placed by, or on behalf of, customers prior to the expiry of the notice.
