

Digital Outcomes and Specialists 4 Framework Agreement Call-Off Contract

Schedule 4 - Contract Change Notice (CCN)

Order Form reference for the Call-Off Contract being varied: 2020 Grenfell Tower Inquiry Website Build and Ongoing Maintenance (CO-GTI-01-2)

BETWEEN:

Cabinet Office – Grenfell Tower Inquiry ("the Buyer")

and

Digital Craftsmen Limited ("the Supplier")

1. The Call-Off Contract is varied as follows and shall take effect on the date signed by both Parties:

Full Details of the Proposed Change; The Call-Off Contract with reference CO GTI-01 is extended for six (6) months from 05/11/2022 until 21/04/2023. This Extension is for time and value and therefore has an attendant cost, meaning that the original Call-Off Contract value will increase by £17,528.00 (£8,764.00 excluding VAT per quarter for two quarters) from the original awarded value of £49,896.00 excluding VAT that was itself increased via Variation 1 to £66,588.00 excluding VAT to a total value of £84,116.00 excluding VAT.

Reason for the change; The service provision of the website build plus ongoing maintenance is required on a continual basis until the end of the Grenfell Tower Inquiry hearings upon which the website will be archived. As the Inquiry is still live, a further Extension Term needs to be entered into.

Likely impact, if any, of the change on other aspects of the Call-Off Contract; There will be no impact on this modification to enter into this Extension Term as this covers the provision of a website and ongoing maintenance regarding all information related to the Grenfell Tower Inquiry.

2. Words and expressions in this Contract Change Notice shall have the meanings given to them in the Call-Off Contract.
3. The Call-Off Contract, including any previous changes shall remain effective and unaltered except as amended by this change.
