COMMERCIAL QUESTIONNAIRE

AW5.1	Please confirm your bid submission price for completion of all the Services as detailed in the Section 4 Specification. All prices shall be in £ GBP and exclusive of VAT.
Bidder Guidance	Bidders shall provide their bid submission price for completion of all Services as detailed in the Section 4 Specification. The scoring methodology for this question shall be: Price will be evaluated using proportionate pricing (lowest bid / bid * mark). A bidder's score will be based on the lowest total score received divided by their total cost and then multiplied by the marks available. For example, if the total basket price for three bid responses is received and Bidder A has quoted £50,000 as their total price, Bidder B has quoted £80,000 and Bidder C has quoted £100,000 then the calculation will be as follows: (Maximum marks available in this example being 12.5) Bidder A Score = $50000/50000 \times 12.5 = 12.5$ Bidder B Score = $50000/80000 \times 12.5 = 7.81$ Bidder C Score = $50000/100000 \times 12.5 = 6.25$ This evaluation criteria will therefore not be subject to any averaging, as this is a mathematical scoring criterion, but will still be subject to a commercial review. The lowest score possible is 0.
