STAR Two Framework Agreement: Contract Amendment No.1: TTWO0117 Station Asset Management

This agreement is made on 14 February 2023

On behalf of the Secretary of State for Transport, I am writing regarding the agreement made on 25 February 2021 between the Department for Transport ("the Employer") and GHD ("the Supplier") regarding the above work package order.

I can confirm that the agreement has now been varied in **Time only**. The agreement will continue in accordance with the same terms and conditions as specified in the original agreement of 25 February 2021. This contract has been extended from 25 February 2023 to now conclude on **25 February 2024**. For the avoidance of doubt, the contract value of £240,000 **remains** and there is no variation to this amount.

The Supplier's services under this Work Package Order will continue to be charged on a Time Charge Option E as governed by the NEC4 Professional Services Contract June 2017.

Please acknowledge receipt and acceptance of this letter by signing and returning a copy to me. Please contact [REDACTED] who is the Contract Manager for this Work Package to discuss detailed arrangements for the continuation of this work package.

Yours sincerely,

[REDACTED]

IN WITNESS WHEREOF the Parties have entered into the Agreement on the date written above.
