of Defence

## Contract

**713718452**

**Contract Title: Nuclear Careers Portal –  
provision and maintenance.**

**Contract Start Date: 20 January 2025**

**Contract Expiry Date: 31 March 2025**

<b>Between the Secretary of State for Defence of the United Kingdom of Great Britain and Northern Ireland ("The Authority")</b>	<b>And Winchester Consulting Limited ("The Contractor")</b>
Team Name and Address: Navy Commercial Leach Building HMS Excellent Whale Island Portsmouth PO2 8BY	Contractor Address: 82 Wandsworth Bridge Road London SW6 2TF

Issued: 20 January 2025

Version: Contract Commencement

**1 Definitions - In the Contract:**

**Article** means, in relation to Clause 9 only, an object which during production is given a special shape, surface or design which determines its function to a greater degree than does its chemical composition;

**Assets Subject to Special Controls (ASSC)** means a Contractor Deliverable which is: (1) subject to the United States International Traffic In Arms Regulations (ITAR); (2) subject to the 600 series of the United States Export Administration Regulations (EAR); or (3) classified as Attractive to Criminal and Terrorist Organisations (ACTO), meaning that it includes material which represents an immediate risk to Defence personnel or the public; or which is considered as attractive to criminal and terrorist organisations;

**ASSC Indicator** means for Contractor Deliverables subject to ITAR, a United States Munitions List (USML) or for Contractor Deliverables subject to the 600 series of the EAR, an Export Control Classification Number (ECCN);

**The Authority** means the Secretary of State for Defence of the United Kingdom of Great Britain and Northern Ireland, (referred to in this document as "the Authority"), acting as part of the Crown;

**Business Day** means 09:00 to 17:00 Monday to Friday, excluding public and statutory holidays;

**Contract** means the agreement concluded between the Authority and the Contractor, including all terms and conditions, associated purchase order, specifications, plans, drawings, schedules and other documentation, expressly made part of the agreement in accordance with Clause 2.c;

**Contractor** means the person, firm or company specified as such in the purchase order. Where the Contractor is an individual or a partnership, the expression shall include the personal representatives of the individual or of the partners, as the case may be;

**Contractor Deliverables** means the goods and / or services including packaging (and supplied in accordance with any QA requirements if specified) which the Contractor is required to provide under the Contract in accordance with the schedule to the purchase order; **Effective Date of Contract** means the date stated on the purchase order or, if there is no such date stated, the date upon which both Parties have signed the purchase order;

**Firm Price** means a price excluding Value Added Tax (VAT) which is not subject to variation;

**Government Furnished Assets (GFA)** is a generic term for any MOD asset such as equipment, information or resources issued or made available to the Contractor in connection with the Contract by or on behalf of the Authority;

**Hazardous Contractor Deliverable** means a Contractor Deliverable or a component of a Contractor Deliverable that is itself a hazardous material or substance or that may in the course of its use, maintenance, disposal, or in the event of an accident, release one or more hazardous materials or substances and each material or substance that may be so released;

**Issued Property** means any item of Government Furnished Assets (GFA), including any materiel issued or otherwise furnished to the Contractor in connection with the Contract by or on behalf of the Authority;

**Legislation** means in relation to the United Kingdom any Act of Parliament, any subordinate legislation within the meaning of section 21 of the Interpretation Act 1978, any exercise of Royal Prerogative or any enforceable community right within the meaning of Section 2 of the European Communities Act 1972.

**Mixture** means a mixture or solution composed of two or more substances;

**Notices** means all notices, orders, or other forms of communication required to be given in writing under or in connection with the Contract;

**Parties** means the Contractor and the Authority, and Party shall be construed accordingly;

**PPT** means a tax called "plastic packaging tax" charged in accordance with Part 2 of the Finance Act 2021;

**PPT Legislation** means the legislative provisions set out in Part 2 and Schedules 9-15 of the Finance Act 2021 together with any secondary legislation made under powers contained in Part 2 of the Finance Act 2021. This includes, but is not limited to, The Plastic Packaging Tax (Descriptions of Products) Regulations 2021 and The Plastic Packaging Tax (General) Regulations 2022;

**Plastic Packaging Component(s)** shall have the same meaning as set out in Part 2 of the Finance Act 2021 together with any associated secondary legislation;

**Sensitive Information** means the information listed as such in the purchase order, being information notified by the Contractor to the Authority, which is acknowledged by the Authority as being sensitive, at the point at which the Contract is entered into or amended (as relevant) and remains sensitive information at the time of publication;

**Substance** means a chemical element and its compounds in the natural state or obtained by any manufacturing process, including any additive necessary to preserve its stability and any impurity deriving from the process used, but excluding any solvent which may be separated without affecting the stability of the substance or changing its composition;

**Transparency Information** means the content of this Contract in its entirety, including from time to time agreed changes to the Contract, except for (i) any information which is exempt from disclosure in accordance with the Freedom of Information Act 2000 (FOIA) or the Environmental Information Regulations Act 2004 (EIR), which shall be determined by the Authority, and (ii) any Sensitive Information.

**Quality Assurance Requirements** means those requirements specified in Schedule 3 – Contract Data Sheet; and

**Unique Item Identifier (Ull)** means a unique and unambiguous identifier that distinguishes an item from all other like and unlike items, consisting of: (1) NATO Stock Number (NSN); (2) NATO Commercial and Government Entity (NCAGE) code; (3) ASSC Indicator, where applicable; (4) serial number; and (5) part number.

**2 General**

a. The Contractor shall comply with all applicable Legislation, whether specifically referenced in this Contract or not.

b. Any variation to the Contract shall have no effect unless expressly agreed in writing and signed by both Parties.

c. If there is any inconsistency between these terms and conditions and the purchase order or the documents expressly referred to therein, the conflict shall be resolved according to the following descending order of priority:

- (1) the terms and conditions;
- (2) the purchase order; and
- (3) the documents expressly referred to in the purchase order.

d. Neither Party shall be entitled to assign the Contract (or any part thereof) without the prior written consent of the other Party.

e. Failure or delay by either Party in enforcing or partially enforcing any provision of the Contract shall not be construed as a waiver of its rights or remedies. No waiver in respect of any right or remedy shall operate as a waiver in respect of any other right

## OFFICIAL

or remedy.

f. The Parties to the Contract do not intend that any term of the Contract shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a Party to it.

g. The Contract and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English Law, and subject to Clause 16 and without prejudice to the dispute resolution procedure set out therein, the Parties submit to the exclusive jurisdiction of the English courts. Other jurisdictions may apply solely for the purpose of giving effect to this Clause 2.g and for enforcement of any judgement, order or award given under English jurisdiction.

### 3 Application of Conditions

a. The purchase order, these terms and conditions and the specification govern the Contract to the entire exclusion of all other terms and conditions. No other terms or conditions are implied.

b. The Contract constitutes the entire agreement and understanding and supersedes any previous agreement between the Parties relating to the subject matter of the Contract.

### 4 Disclosure of Information

Disclosure of information under the Contract shall be managed in accordance with DEFCON 531 (SC1).

### 5 Transparency

a. Notwithstanding any other condition of this Contract, and in particular Clause 4, the Contractor understands that the Authority may publish the Transparency Information to the general public.

b. Subject to Clause 5.c, the Authority shall publish and maintain an up-to-date version of the Transparency Information in a format readily accessible and reusable by the general public under an open licence where applicable.

c. If, in the Authority's reasonable opinion, publication of any element of the Transparency Information would be contrary to the public interest, the Authority shall be entitled to exclude such information from publication. The Authority acknowledges that it would expect the public interest by default to be best served by publication of the Transparency Information in its entirety. Accordingly, the Authority acknowledges that it shall only exclude Transparency Information from publication in exceptional circumstances and agrees that where it decides to exclude information from publication on that basis, it will provide a clear statement to the general public explaining the categories of information that have been excluded from publication and reasons for withholding that information.

d. The Contractor shall assist and co-operate with the Authority as reasonably required to enable the Authority to publish the Transparency Information, in accordance with the principles set out above. Where the Authority publishes Transparency Information, it shall:

(1) before publishing redact any information that would be exempt from disclosure if it was the subject of a request for information under the FOIA and/or the EIR, for the avoidance of doubt, including Sensitive Information;

(2) taking into account the Sensitive Information set out in the purchase order, consult with the Contractor where the Authority intends to publish information which has been identified as Sensitive Information. For the avoidance of doubt the Authority, acting reasonably, shall have absolute discretion to decide what information shall be published or be exempt from disclosure in accordance with the FOIA and/or EIR; and

(3) present information in a format that assists the general public in understanding the relevance and completeness of the information being published to ensure the public obtain a fair view on how this Contract is being performed.

### 6 Notices

a. A Notice served under the Contract shall be:

(1) in writing in the English language;

(2) authenticated by signature or such other method as may be agreed between the Parties;

(3) sent for the attention of the other Party's representative, and to the address set out in the purchase order;

(4) marked with the number of the Contract; and

(5) delivered by hand, prepaid post (or airmail), facsimile transmission or, if agreed in the purchase order, by electronic mail.

b. Notices shall be deemed to have been received:

(1) if delivered by hand, on the day of delivery if it is the recipient's Business Day and otherwise on the first Business Day of the recipient immediately following the day of delivery;

(2) if sent by prepaid post, on the fourth Business Day (or the tenth Business Day in the case of airmail) after the day of posting;

(3) if sent by facsimile or electronic means:

(a) if transmitted between 09:00 and 17:00 hours on a Business Day (recipient's time) on completion of receipt by the sender of verification of the transmission from the receiving instrument; or

(b) if transmitted at any other time, at 09:00 on the first Business Day (recipient's time) following the completion of receipt by the sender of verification of transmission from the receiving instrument.

### 7 Intellectual Property

a. The Contractor shall as its sole liability keep the Authority fully indemnified against an infringement or alleged infringement of any intellectual property rights or a claim for Crown use of a UK patent or registered design caused by the use, manufacture or supply of the Contractor Deliverables.

b. The Authority shall promptly notify the Contractor of any infringement claim made against it relating to any Contractor Deliverable and, subject to any statutory obligation requiring the Authority to respond, shall permit the Contractor to have the right, at its sole discretion to assume, defend, settle or otherwise dispose of such claim. The Authority shall give the Contractor such assistance as it may reasonably require to dispose of the claim and will not make any statement which might be prejudicial to the settlement or defence of the claim.

c. Notwithstanding any other provisions of the Contract and for the avoidance of doubt, award of the Contract by the Authority and placement of any contract task under it does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949. The Contractor acknowledges that any such authorisation by the Authority under its statutory powers must be expressly provided in writing, with reference to the acts authorised and the specific intellectual property involved.

### Notification of Intellectual Property Rights (IPR) Restrictions

## OFFICIAL

d. Where any of the Conditions listed below (1 to 3) have been added to these Conditions of the Contract as Project Specific DEFCONs at Clause 21, the Contractor warrants and confirms that all Intellectual Property Rights restrictions and associated export restrictions relating to the use or disclosure of the Contractor Deliverables that are notifiable under those Conditions, or of which the Contractor is or should reasonably be aware as at Effective Date of Contract, are disclosed in Schedule 2 (Notification of Intellectual Property Rights (IPR) Restrictions):

- (1) DEFCON 15 - including notification of any self-standing background Intellectual Property;
- (2) DEFCON 90 - including copyright material supplied under Clause 5;
- (3) DEFCON 91 - limitations of Deliverable Software under Clause 3b;

e. The Contractor shall promptly notify the Authority in writing if they become aware during the performance of the Contract of any required additions, inaccuracies or omissions in Schedule 2.

f. Any amendment to Schedule 2 shall be made in accordance with DEFCON 503 (SC1).

### 8 Supply of Contractor Deliverables and Quality Assurance

a. This Contract comes into effect on the Effective Date of Contract.

b. The Contractor shall supply the Contractor Deliverables to the Authority at the Firm Price stated in the Schedule to the purchase order.

c. The Contractor shall ensure that the Contractor Deliverables:

- (1) correspond with the specification;
- (2) are of satisfactory quality (within the meaning of the Sale of Goods Act 1979, as amended) except that fitness for purpose shall be limited to the goods being fit for the particular purpose held out expressly by or made known expressly to the Contractor and in this respect the Authority relies on the Contractor's skill and judgement; and
- (3) comply with any applicable Quality Assurance Requirements specified in the purchase order.

d. Import licences, export licences and any associated restrictions under the Contract shall be managed in accordance with DEFCON 528 (SC1).

### 9 Supply of Data for Hazardous Substances, Mixtures and Articles in Contractor Deliverables

a. Nothing in this Clause 9 shall reduce or limit any statutory duty or legal obligation of the Authority or the Contractor.

b. As soon as possible and in any event within the period specified in the purchase order (or if no such period is specified no later than one month prior to the delivery date), the Contractor shall provide to the Authority's representatives in the manner and format prescribed in the purchase order:

- (1) confirmation as to whether or not to the best of its knowledge any of the Contractor Deliverables contain Hazardous Substances, Mixtures or Articles; and
- (2) for each Substance, Mixture or Article supplied in meeting the criteria of classification as hazardous in accordance with the GB Classification, Labelling and Packaging (GB CLP) a UK REACH compliant Safety Data Sheet (SDS);
- (3) where Mixtures supplied do not meet the criteria for classification as hazardous according to GB CLP but contain a hazardous Substance an SDS is to be made available on request; and
- (4) for each Article whether supplied on its own or part of an assembly that contains a Substance on the UK REACH Authorisation List, Restriction List and / or the Candidate List of Substances of Very High Concern (SVHC) in a proportion greater than 0.1% w/w of the Article, sufficient information, available to the supplier, to allow safe use of the Article including, as a minimum, the name of that Substance at the time of supply.

c. For substances, Mixtures or Articles that meet the criteria list in Clause 9.b above:

- (1) if the Contractor becomes aware of new information which may affect the risk management measures or new information on the hazard, the Contractor shall update the SDS/safety Information and forward it to the Authority and to the address listed in the purchase order; and
- (2) if the Authority becomes aware of new information that might call into question the appropriateness of the risk management measures identified in the safety information supplied, shall report this information in writing to the Contractor.

d. If the Substances, Mixtures or Articles in Contractor Deliverables are Ordnance, Munitions or Explosives (OME), in addition to the requirements of the GB CLP and UK REACH the Contractor shall comply with hazard reporting requirements of DEF STAN 07-085 Design Requirements for Weapons and Associated Systems.

e. If the Substances, Mixtures or Articles in Contractor Deliverables, are or contain or embody a radioactive substance as defined in the Ionising Radiation Regulations SI 2017/1075, the Contractor shall additionally provide details on DEFFORM 68 of:

- (1) activity; and
- (2) the substance and form (including any isotope).

f. If the Substances, Mixtures and Articles in Contractor Deliverables have magnetic properties which emit a magnetic field, the Contractor shall additionally provide details on DEFFORM 68 of the magnetic flux density at a defined distance, for the condition in which it is packed.

g. Failure by the Contractor to comply with the requirements of this Condition shall be grounds for rejecting the affected Substances, Mixtures and Articles in Contractor Deliverables. Any withholding of information concerning hazardous Substance, Mixtures or Articles in Contractor Deliverables shall be regarded as a material breach of Contract under Clause 18 (Material Breach) for which the Authority reserves the right to require the Contractor to rectify the breach immediately at no additional cost to the Authority or to terminate the Contract in accordance with Clause 18.

h. Where delivery is made to the Defence Fulfilment Centre (DFC) and / or other Team Leidos location / building, the Contractor must comply with the Logistic Commodities and Services Transformation (LCST) Supplier Manual.

### 10 Delivery / Collection

a. The purchase order shall specify whether the Contractor Deliverables are to be delivered to the consignee by the Contractor or collected from the consignor by the Authority.

b. Title and risk in the Contractor Deliverables shall pass from the Contractor to the Authority on delivery or on collection in accordance with Clause 10.a.

c. The Authority shall be deemed to have accepted the Contractor Deliverables within a reasonable time after title and risk has passed to the Authority unless it has rejected the Contractor Deliverables within the same period.

### 11. Marking of Contractor Deliverables

## OFFICIAL

- a. Each Contractor Deliverable shall be marked in accordance with the required particulars specified in the Contract.
- b. Each ASSC shall be marked with a UII, to be affixed by way of a 2D data matrix label, in accordance with DEF-STAN 05-132.
- c. Where the Contract requires a non-ASSC Contractor Deliverable to be marked with a UII, to be affixed by way of a 2D data matrix label, this shall also be in accordance with DEF-STAN 05-132.
- d. Any marking method used shall not have a detrimental effect on the strength, serviceability or corrosion resistance of the Contractor Deliverables. Where a 2D data matrix label is affixed, it shall last for the life of a Contractor Deliverable.
- e. Where because of its size or nature it is not possible to mark a Contractor Deliverable with the required particulars, they shall be included on the package or carton in which the Contractor Deliverable is packed, in accordance with Clause 12 (Packaging and Labelling (excluding Contractor Deliverables containing Ammunition or Explosives)).

### **12 Packaging and Labelling of Contractor Deliverables (Excluding Contractor Deliverables Containing Ammunition or Explosives)**

- a. The Contractor shall pack or have packed the Contractor Deliverables in accordance with any requirements specified in the purchase order and Def Stan 81-041 (Part 1 and Part 6).
- b. The Contractor shall establish if the Contractor Deliverables are, or contain, Dangerous Goods as defined in the Regulations set out in this Clause 12. Any that do shall be packaged for UK or worldwide shipment by all modes of transport in accordance with the following unless otherwise specified in the Schedule to the purchase order:
  - (1) the Technical Instructions for the Safe Transport of Dangerous Goods by Air (ICAO), IATA Dangerous Goods Regulations;
  - (2) the International Maritime Dangerous Goods (IMDG) Code;
  - (3) the Regulations Concerning the International Carriage of Dangerous Goods by Rail (RID); and
  - (4) the European Agreement Concerning the International Carriage of Dangerous Goods by Road (ADR).
- c. Certification markings, incorporating the UN logo, the package code and other prescribed information indicating that the package corresponds to the successfully designed type shall be marked on the packaging in accordance with the relevant regulation.

### **13 Plastic Packaging Tax**

- a. The Contractor shall ensure that any PPT due in relation to this Contract is paid in accordance with the PPT Legislation.
- b. The Contract Price includes any PPT that may be payable by the Contractor in relation to the Contract.
- c. On reasonable notice being provided by the Authority, the Contractor shall provide and make available to the Authority details of any PPT they have paid that relates to the Contract.
- d. The Contractor shall notify the Authority, in writing, in the event that there is any adjustment required to the Contract Price in accordance with section 70 of the Finance Act 2021 and, on reasonable notice being provided by the Authority, the Contractor shall provide any such information that the Authority requires in relation to any such adjustment.
- e. In accordance with DEFCON 609 (SC1) the Contractor (and their sub-contractors) shall maintain all records relating to PPT and make them available to the Authority when requested on reasonable notice for reasons related to the Contract.
- f. Where the Contractor manufactures, purchases or imports into the UK any Plastic Packaging Component in relation to the Contract the Contractor shall, on reasonable notice being given, provide the Authority with such information and documentation that it requires to enable the Authority to carry out due diligence checks and satisfy itself that the Contractor has complied with the requirements of the PPT Legislation. This shall include, but is not limited to the Contractor providing:
  - (1) confirmation of the tax status of any Plastic Packaging Component;
  - (2) documents to confirm that PPT has been properly accounted for;
  - (3) product specifications for the packaging components, including, but not limited to, the weight and composition of the products and any other product specifications that may be required; and
  - (4) copies of any certifications or audits that have been obtained or conducted in relation to the provision of Plastic Packaging Components.
- g. The Authority shall have the right, on providing reasonable notice, to physically inspect or conduct an audit on the Contractor, to ensure any information that has been provided in accordance with Clause 13.f above is accurate.
- h. In the event the Contractor is not required to register for PPT they (and to the extent applicable, their sub-contractors) shall provide the Authority with a statement to this effect and, to the extent reasonably required by the Authority on reasonable notice, supporting evidence for that statement.
- i. The Contractor shall provide, on the Authority providing reasonable notice, any information that the Authority may require from the Contractor for the Authority to comply with any obligations it may have under the PPT Legislation.

### **14. Progress Monitoring, Meetings and Reports**

The Contractor shall attend progress meetings and deliver reports at the frequency or times (if any) specified in the purchase order and shall ensure that its Contractor's representatives are suitably qualified to attend such meetings. Any additional meetings reasonably required shall be at no cost to the Authority.

### **15 Payment**

- a. Payment for Contractor Deliverables will be made by electronic transfer and prior to submitting any claims for payment under Clause 15b the Contractor will be required to register their details (Supplier on-boarding) on the Contracting, Purchasing and Finance (CP&F) electronic procurement tool.
- b. Where the Contractor submits an invoice to the Authority in accordance with Clause 15a, the Authority will consider and verify that invoice in a timely fashion.
- c. The Authority shall pay the Contractor any sums due under such an invoice no later than a period of 30 days from the date on which the Authority has determined that the invoice is valid and undisputed.
- d. Where the Authority fails to comply with Clause 15b and there is undue delay in considering and verifying the invoice, the invoice shall be regarded as valid and undisputed for the purpose of Clause 15c after a reasonable time has passed.
- e. The approval for payment of a valid and undisputed invoice by the Authority shall not be construed as acceptance by the Authority of the performance of the Contractor's obligations nor as a waiver of its rights and remedies under this Contract.
- f. Without prejudice to any other right or remedy, the Authority reserves the right to set off any amount owing at any time from the Contractor to the Authority against any amount payable by the Authority to the Contractor under the Contract or under any other contract with the Authority, or with any other Government Department.

## 16 Dispute Resolution

- a. The Parties will attempt in good faith to resolve any dispute or claim arising out of or relating to the Contract through negotiations between the respective representatives of the Parties having authority to settle the matter, which attempts may include the use of any alternative dispute resolution procedure on which the Parties may agree.
- b. In the event that the dispute or claim is not resolved pursuant to Clause 16.a the dispute shall be referred to arbitration and shall be governed by the Arbitration Act 1996. For the purposes of the arbitration, the arbitrator shall have the power to make provisional awards pursuant to Section 39 of the Arbitration Act 1996.
- c. For the avoidance of doubt it is agreed between the Parties that the arbitration process and anything said, done or produced in or in relation to the arbitration process (including any awards) shall be confidential as between the Parties, except as may be lawfully required in judicial proceedings relating to the arbitration or otherwise. No report relating to anything said, done or produced in or in relation to the arbitration process may be made beyond the tribunal, the Parties, their legal representatives and any person necessary to the conduct of the proceedings, without the concurrence of all the Parties to the arbitration.

## 17 Termination for Corrupt Gifts

The Authority may terminate the Contract with immediate effect, without compensation, by giving written notice to the Contractor at any time after any of the following events:

- a. where the Authority becomes aware that the Contractor, its employees, agents or any sub-contractor (or anyone acting on its behalf or any of its or their employees):
- (1) has offered, promised or given to any Crown servant any gift or financial or other advantage of any kind as an inducement or reward;
  - (2) commits or has committed any prohibited act or any offence under the Bribery Act 2010 with or without the knowledge or authority of the Contractor in relation to this Contract or any other contract with the Crown;
  - (3) has entered into this or any other contract with the Crown in connection with which commission has been paid or has been agreed to be paid by it or on its behalf, or to its knowledge, unless before the contract is made particulars of any such commission and of the terms and conditions of any such agreement for the payment thereof have been disclosed in writing to the Authority.
- b. In exercising its rights or remedies to terminate the Contract under Clause 17.a. the Authority shall:
- (1) act in a reasonable and proportionate manner having regard to such matters as the gravity of, and the identity of the person committing the prohibited act;
  - (2) give due consideration, where appropriate, to action other than termination of the Contract, including (without being limited to):
    - (a) requiring the Contractor to procure the termination of a subcontract where the prohibited act is that of a Subcontractor or anyone acting on its or their behalf;
    - (b) requiring the Contractor to procure the dismissal of an employee (whether its own or that of a Subcontractor or anyone acting on its behalf) where the prohibited act is that of such employee.
- c. Where the Contract has been terminated under Clause 17.a. the Authority shall be entitled to purchase substitute Contractor Deliverables from elsewhere and recover from the Contractor any costs and expenses incurred by the Authority in obtaining the Contractor Deliverables in substitution from another supplier.

## 18 Material Breach

In addition to any other rights and remedies, the Authority shall have the right to terminate the Contract (in whole or in part) with immediate effect by giving written notice to the Contractor where the Contractor is in material breach of their obligations under the Contract. Where the Authority has terminated the Contract under Clause 18 the Authority shall have the right to claim such damages as may have been sustained as a result of the Contractor's material breach of the Contract.

## 19 Insolvency

The Authority shall have the right to terminate the contract if the Contractor is declared bankrupt or goes into liquidation or administration.

This is without prejudice to any other rights or remedies under this Contract.

## 20 Limitation of Contractor's Liability

- a. Subject to Clause 20.b the Contractor's liability to the Authority in connection with this Contract shall be limited to £5m (five million pounds).
- b. Nothing in this Contract shall operate to limit or exclude the Contractor's liability:
- (1) for:
    - a. any liquidated damages (to the extent expressly provided for under this Contract);
    - b. any amount(s) which the Authority is entitled to claim, retain or withhold in relation to the Contractor's failure to perform or under-perform its obligations under this Contract, including service credits or other deductions (to the extent expressly provided for under this Contract);
    - c. any interest payable in relation to the late payment of any sum due and payable by the Contractor to the Authority under this Contract;
    - d. any amount payable by the Contractor to the Authority in relation to TUPE or pensions to the extent expressly provided for under this Contract;
  - (2) under Clause 7 of the Contract (Intellectual Property), and DEFCONs 91 or 638 (SC1) where specified in the contract;
  - (3) for death or personal injury caused by the Contractor's negligence or the negligence of any of its personnel, agents, consultants or sub-contractors;
  - (4) for fraud, fraudulent misrepresentation, wilful misconduct or negligence;
  - (5) in relation to the termination of this Contract on the basis of abandonment by the Contractor;
  - (6) for breach of the terms implied by Section 2 of the Supply of Goods and Services Act 1982; or
  - (7) for any other liability which cannot be limited or excluded under general (including statute and common) law.

## OFFICIAL

c. The rights of the Authority under this Contract are in addition to, and not exclusive of, any rights or remedies provided by general (including statute and common) law.

### **21 The Project Specific DEFCONs and SC Variants that apply to this Contract are:**

DEFCON 5J (Edn 11/16) - Unique Identifiers  
DEFCON 129J SC1 (Edn 06/17) – The Use of the Electronic Business Delivery Form  
DEFCON 503 SC1 (Edn 06/22) – Formal Amendments to Contract  
DEFCON 528 SC1 (Edn 10/24) - Import and Export Licenses  
DEFCON 531 SC1 (Edn 09/21) - Disclosure of Information  
DEFCON 532A SC1 (Edn 05/22) - Protection of Personal Data (Where Personal Data is not being processed on behalf of the Authority)  
DEFCON 534 (Edn 06/21) – Subcontracting and Prompt Payment  
DEFCON 538 (Edn 06/02) - Severability  
DEFCON 540 SC1 (Edn 05/23) – Conflicts of Interest  
DEFCON 566 (Edn 04/24) - Change of Control of Contractor  
DEFCON 609 SC1 (Edn 08/18) - Contractor's Records  
DEFCON 620 SC1 (Edn 06/22) – Contract Change Control Procedure  
DEFCON 656A (Edn 08/16) - Termination for Convenience Under £5m  
DEFCON 658 SC1 (Edn 10/22) - Cyber  
Further to DEFCON 658 the Cyber Risk Level of the Contract is Low, as defined in Def Stan 05-138  
DEFCON 707 (Edn 10/23) - Rights in Technical Data

The full text of Defence Conditions (DEFCONs) are available electronically via the [Knowledge in Defence \(KiD\) website](#).

### **22 The special conditions that apply to this Contract are:**

22.1 The Contractor shall, and shall procure that their Sub-contractors shall, notify the Authority in writing as soon as they become aware that:

a. the Contract Deliverables and/or Services contain any Russian/Belarusian products and/or services; or  
b. that the Contractor or any part of the Contractor's supply chain is linked to entities who are constituted or organised under the law of Russia or Belarus, or under the control (full or partial) of a Russian/Belarusian person or entity. Please note that this does not include companies:

(1) registered in the UK or in a country with which the UK has a relevant international agreement providing reciprocal rights of access in the relevant field of public procurement; and/or

(2) which have significant business operations in the UK or in a country with which the UK has a relevant international agreement providing reciprocal rights of access in the relevant field of public procurement.

22.2 The Contractor shall, and shall procure that their Sub-contractors shall, include in such notification (or as soon as reasonably practicable following the notification) full details of the Russian products, services and/or entities and shall provide all reasonable assistance to the Authority to understand the nature, scope and impact of any such products, services and/or entities on the provision of the Contract Deliverables and/or Services.

22.3 The Authority shall consider the notification and information provided by the Contractor and advise the Contractor in writing of any concerns the Authority may have and/or any action which the Authority will require the Contractor to take. The Contractor shall be required to submit a response to the concerns raised by the Authority, including any plans to mitigate those concerns, within 14 business days of receipt of the Authority's written concerns, for the Authority's consideration.

22.4 The Contractor shall include provisions equivalent to those set out in this clause in all relevant Sub-contracts.

#### **22.5 Security**

The Contractor shall ensure that they arrange for any relevant security clearances (including BPSS or SC) to be in place when their personnel are required deliver any goods or services on Authority sites.

If Contractor personnel are required to access any classified information at MOD sites or on a MOD provided laptop, they must ensure that this information remains at those sites or on that laptop, unless otherwise agreed and detailed on a Security Aspects Letter. If Contractor personnel are working with any sensitive information they may be required to sign a Non-Disclosure Agreement and/or a Conflicts of Interest statement.

#### **22.6 Publicity and Communications with the Media**

The Contractor shall not and shall ensure that any employee or Subcontractor shall not communicate with representatives of the press, television, radio or other media on any matter concerning the Contract unless the Authority has given its prior written consent.

### **23 The processes that apply to this Contract are:**

#### **Contractor Representative**

Name: Chris Jarman

Email: [chris.jarman@wincon.co.uk](mailto:chris.jarman@wincon.co.uk)

The Contractor shall notify the Authority if their representative changes to allow any requests from the Authority to be dealt with promptly.

#### **Key Subcontractors**

## OFFICIAL

The Contractor has advised that the following key sub-contractors will be used in delivery of this contract:

Name	Work Undertaken	Approximate Value
Not Applicable		

The Contractor shall notify the Authority before engaging any further Sub-Contractors.

If the Contractor is using a Sub-Contractor in order to meet any deliverables and they cease working with that Sub-Contractor, for any reason, the Contractor will still be responsible for meeting those deliverables.

### Payment

In relation to previous clauses regarding payment, Supplier on-boarding for CP&F shall include completing the full MOD registration process in Exostar and an invoice shall only be valid if it has been submitted for the correct amount and tax treatment in Exostar.

The Contractor shall confirm the amount they consider to be due for payment, for any month or period, within 31 calendar days of the end of that month or period and shall submit invoices through CP&F/Exostar no later than 7 calendar days after that payment amount has been confirmed, unless otherwise agreed. All final amounts due under the contract must be confirmed by the Contractor within 31 calendar days of the end date of the contract, unless otherwise agreed.

The Contractor shall provide a full breakdown of any amounts invoiced, to show how the invoices have been calculated in accordance with the agreed prices, should the Authority request this at any time.

### Impediments

The Contractor shall notify the Authority as soon as they become aware of any circumstance which will impact on their ability to deliver any of the requirements or meet any of the stated timescales.

### Tender Proposal

Requirements to be delivered in accordance with this contract and, where it does not conflict with this contract, in line with proposal included in tender.

### Performance Management

A date for delivery of goods or completion of each service will be stated in the contract or agreed between the Authority and the Contractor. Where this is not met by the Contractor, goods are not delivered or services are not completed, until after any stated or agreed date (unless the Authority accepts that circumstances were outside of the control of the Contractor), the Authority reserves the right to deduct 1% of the payment due for those goods or services for each week or portion of a week that passes before goods are delivered the services are completed.

Where the Contractor is required to provide information, reports or attend meetings in order to support delivery and management of the contract but does not meet those requirements by any required dates (unless the Authority accepts that circumstances were outside of the control of the Contractor), the Authority reserves the right to deduct 1% of the next payment that becomes due for each week or portion of a week that passes before the Contractor meets those requirements.

If, at any time, any of the goods or services provided under the Contract do not meet the required delivery timescales, standards or quality, then the Authority will not be obligated to buy any more goods or services unless it is satisfied that the required timescale, standard or quality will be met. Where these are not met on multiple occasions the Authority shall be entitled to terminate the contract as Material Breach.

# Ministry of Defence

## PURCHASE ORDER

Supply the Deliverables described in the Schedule to this Purchase Order, subject to the attached MOD Terms and Conditions for Less Complex Requirements (up to the applicable procurement threshold).

- Any implementation or exit costs.
- Any installation or setup costs.
- Any costs to deliver training or guidance.
- Any sub-contractor costs.
- Any IT or system related costs.
- Any costs required to provide Authority access to systems or accounts.

## Schedule 4 - Statement of Requirements

### Introduction

Requirement is to provide additional functionality to the existing website (DestinationNuclearCareersPortal.co.uk) including enhancements to the user profile and creation of a company profile. Additionally, to provide maintenance functions for these additional capabilities.

This is in support of the Nuclear Skills Taskforce (NSTF) and specifically the “Nuclear Communities” element of the National Nuclear Strategic Plan for Skills (NNSPS). As the programme has progressed additional requirements have been identified by stakeholders to support the intent of the NNSPS which is beyond the existing contract to achieve Full Operating Capability (FOC).

### Requirement & Deliverables

Outputs and outcomes are required:

#### Individual User Access

1. Develop of a user dashboard which will incorporate the following and add listed enhancements:
  - a. Personal Profile (skills) and CV upload function. Ability to add professional memberships, qualifications etc.
  - b. Functionality for publishing / unpublishing profiles to make candidates visible for recruiters.
  - c. Job Preferences - Free text preferred job role to allow individuals to express more precisely what roles they would like, information about relocation and date of availability. This will allow recruiters to read their preferences to see if roles align.
  - d. Geographic Search - Searching for opportunities based on geo coordinates (eg. give postcode and distance).
  - e. Saved Searches/Alerts - Functionality to create and manage saved job searches, organise them into folders and set alerts to send out emails when new jobs matching the filter are entering the system.
  - f. Applications made by individual.
  - g. Expression of Interest (from Companies) - Functionality for candidates to be contacted by companies and respond to such contacts in different ways.

#### Company User Access

2. Develop the Company User Dashboard to incorporate the following:
  - a. Statistics - about the individual company user's activity: number of contacted candidates, favoured candidates, number of live opportunities. List of previously contacted candidates and suggested candidates. The dashboard also collects data to further explore the contacted candidates, favourites, and saved searches etc.
  - b. Individual Search - Functionality for company users to search for candidates using several filters (job title; area of interest; preferred job type (experienced, graduate, secondment etc.); type of work, location, and relocation options.

- c. Individual Listing - Design and implementation of a list of individuals that is easy to navigate and get a quick overview of available candidates with option to view CVs directly from this list.
- d. Individual's Details page (Profile/Skills/CV) - Design and implementation of a model which highlights the individual's profile and skills / CV.
- e. Favourites - Functionality for company users to favourite individuals and add them to different folders.
- f. Saved Searches - Individual searches can be saved and sorted into folders and email alerts can be defined for when new candidates matching the search criteria enters the system.
- g. Opportunity Listing - List of currently active opportunities for the company with detailed information (not only the numbers) for each vacancy about candidates who have favoured or "clicked apply" to this specific vacancy to be able to contact candidates that have shown an interest in certain opportunities. Highlighted opportunities that have increased visibility on the front page.
- h. Application Management - List of currently closed opportunities with same information as above but with the possibility to report on outcomes. The vacancies where an outcome has been recorded appear in a separate list to make it easier to see which vacancies needs reporting on.
- i. Expression of Interest Management (in individuals) - Functionality for company users to contact individuals, either one by one or in bulk, in three different ways: ask to send a CV, ask to apply to an opportunity or send a message as start of an interactive chat in the system.
- j. Reports (Monthly statistics for the Company) - Monthly with detailed information about vacancy postings, number of clicks etc. compared with total from all companies. In addition, a list of the most visited jobs by month. Accessible by logged in company users with more interaction and filters available. Give company users the ability to receive monthly reports automatically by email.
- k. Position status function – to allow companies to report when filled, candidate source, link to registered users etc.
- l. Account Details - Functionality for creating company user accounts, managing their account, reset password etc.

#### Launch of New Site

#### 3. Launch DNCP FOC site with features listed in 1 and 2 above following:

- a. Internal testing.
- b. Security testing.
- c. Train the trainer to partner companies.
- d. Onboarding existing partners (provide system access).
- e. Beta testing and system amendments as required.

## Infrastructure

4. Develop required cloud-based hosting facility for new site:
  - a. Cloud engineering services.
  - b. All associated development requirements.

## Maintenance Functions

5. Continuation of service provision including:
  - a. Hosting
  - b. Infrastructure Support
  - c. System Support and Updates
  - d. Platform User Support
  - e. Administration, Analytics and Reporting
6. Additional including:
  - a. Cloud Hosting
  - b. Cyber Essentials Plus Management
  - c. Infrastructure Support, Maintenance, Updates, Performance Monitoring
  - d. System Support, Maintenance, Updates, Backup monitoring, Health and Security Checks
  - e. Platform User Support and Training
  - f. Administration, Analytics and Reporting

## Optional Requirements

In addition to the above, there is likely to be a requirement to incorporate additional partners on to the portal. In which case WinCon will be tasked with the following:

Onboard additional partners as required including:

- a. Creation of Microsite iaw provided specification.
- b. Integration of vacancy feed in liaison with ATS provider.
- c. Support to start up meetings.
- d. Administrative support to ensure onboarding requirements are met.

## Milestones

DNCP FOC site to be available for launch from 31 Oct 24 and delivered as directed by programme lead in agreement with other stakeholders.

## Location

N/A

## Digital

The supplier are to maintain Cyber Essentials Plus certification throughout the period of the contract to comply with MOD data protection policies.

## Governance

The supplier will be required to provide monthly reports on overall site traffic and performance of individual partners and their listed opportunities. This information should be available on the Company User account (listed in 2a above) but also provided electronically to the Project Manager.

The supplier will be required to attend weekly meetings with key stakeholders in the project which will normally be limited to 1 hour in duration. They will also be required to attend a monthly meeting with all partners and provide an update on their specific deliverables.

Should additional partners be invited to join the programme, the supplier will be required to attend startup meetings with these partners (normally limited to 1 hour) to provide guidance on specific requirements related to their deliverables.

### **Acceptance**

All updates to the site will be reviewed by the project manager in a development environment and accepted prior to being published.

Additionally, any content relating to a specific partner will be reviewed by that partner and accepted prior to being published.

### **Performance Management**

The site is to be available and functional for 95% of the time each month. Any faults are to be rectified within 48 hours of being reported.

### **Government Furnished Assets**

N/A

### **Security**

The supplier will not be required to access or hold any classified information.

### **Personal Data**

The supplier will be provided with contact details for the lead point of contact for each partner organisation though contact should routinely be through the project manager or their team.

Users on the site will be able to upload personal information (optional) including CVs, employment preferences and other information related to their search for employment. This will be held by the supplier and data is to be handled in accordance with MOD DPIA regulations.

### **Quality & Standards**

The supplier must hold Cyber Essentials Plus certification for the duration of the contract.

### **Health & Safety**

N/A.

### **Environmental & Sustainability**

N/A.

### **Implementation**

The supplier must have a cyber implementation plan.

**Definitions**

DN – Destination Nuclear

DNCP – Destination Nuclear Careers Portal

ATS – Applicant Tracking System

API – Application Programming Interface

FOC – Full Operating Capability

NSFT – Nuclear Skills Taskforce

NNSPS – National Nuclear Strategic Plan for Skills
