

Geospatial
Commission

Managing Director,
Utility Information Services

4th July 2023

Dear [REDACTED],

Extension to the National Underground Asset Register – utilities data and product specialist contract ref:14834 between the Cabinet Office and Utility Information Services

I am writing to confirm the Six (6) Month Extension Option for the National Underground Asset Register – utilities data and product specialist contract between the Cabinet Office and Utility Information Services, of the 1st October 2021.

The extension of the contract is in accordance with Clause 1.9.1 and 1.9.2 (referenced below) Framework Schedule 1 of the Digital Outcome and Specialists (DOS) 5 Core Terms and Framework Schedule 6 – Order Form.

Clause 1.9.2: Where the Buyer has incorporated an Optional Extension Period in the Order Form, the Parties agree that this Extension Period shall be for up to a maximum of 25% of the Call-Off Initial Period.

As a result of the extension, the expiry date of the contract will now be 31st of March 2024.

All other terms of the contract including pricing remain unchanged.

After receiving this letter I would be most grateful if you could please sign two copies, return one copy to the Geospatial Commission and keep the other for your records.

Yours sincerely,

[REDACTED]
