

## Your software agreement

You have a software agreement with pay-as-you-go pricing. To start using the software at pay-as-you-go pricing, choose the **Continue to configuration** button. You can view the annual agreements you've created with discounted annual pricing below.

When new instance types need to end on a different date or be associated with a different invoice or purchase order, create a new annual agreement. You can create annual agreements at any time.

Create annual agreement

**Your annual agreements (1)**

You can edit an existing agreement to include new instance types, or you can change instance types with the same terms as an existing agreement or with the same invoice. [Learn more](#)

Agreement ID	Type	Start date	End date	Actions
+ [REDACTED]	Annual plan	8/13/2024	8/13/2025	<a href="#">Edit agreement</a>

## License management

Your purchase of this product created a license that you can manage in AWS License Manager. This may include viewing, granting access, and tracking usage of your entitlements.
