Dear Mr Cox,

**Project Number:** 354328

**Project Name:** Swanage War Memorial

We are pleased to enclose our proposal for your consideration regarding the above project.

This correspondence and all communication between us relating to this project are subject to contract.

Should you require any further assistance please contact either myself on 01782 571646, or the Broxap Area Sales Manager for this project, Robert Harper on 07534 715475.

We look forward to contacting you shortly to discuss this proposal in more detail.

Yours sincerely

John Povey  
Product Specialist  
Balustrade and Post and Rail

Direct Dial: 01782 571646  
E-MAIL: [john.povey@broxap.com](mailto:john.povey@broxap.com)

*Enclosed, quotation number; 407625/#/REV0/JP*

Full Specification Table				
Code	Product	Qty	Unit Price	Total

**Please Note - This offer, which features Broxap's standard products or principles, is based on our interpretation of the information made available to us from your enquiry and may feature alternative specifications or features to those specified. All quantities are as advised by the customer. However, 25m of chain has been requested, we would recommend that this is increased by 10% to allow for some sag in the chain. We have allowed for this within our quote.**

**Post Option 1 - Cast Iron**

**Please note: The baseplated Weaver 1 rail post is not a stock item, it is available but on an increased lead time and at an increased cost. All prices given on the website are based on root fixed posts which are available from stock.**

-------------	--	---	---------	---------

**Subject to Contract**

The product images shown may differ in finish or specification to that stated within the item description. These are shown for example only. Prices shown are nett & exclusive of V.A.T. Prices are valid for a period of 30 days from quotation date, exempt from this are any items quoted in grade 316 stainless steel, such items are "spot priced" as of today's rates.

This quotation and any subsequent order shall be based on Broxap Ltd's Terms and Conditions of sale, which are annexed to this offer and are available to view on our website [www.broxap.com](http://www.broxap.com). Posted hard copies or an electronic PDF can be supplied on request, should you require an enlarged-print copy please specify.

Should, for any reason other than a delay by Broxap Ltd, the confirmed delivery date of the goods be delayed, we reserve the right to invoice for goods and services undertaken to date, and payment will become due for the work(s) completed and invoiced.

Sub Contract Invitation to Tender

## In General

### **Liquidated & Ascertained damages**

Any liquidated and ascertained damages will be subject to negotiation, and will only be accepted by Broxap if deemed reasonable and appropriate to the scope and value of the works tendered for.

As a default offer on any orders of a value over £30k, we propose LAD's at a rate of 1% of the sub-contract order value per week, up to a maximum of 5 weeks. On orders less than £30k the amount shall be 'nil'.

LAD's would only be accepted in the event that Broxap were deemed to be the sole cause of delay to the project completion date, and that the main contractor can demonstrate that he has had damages levied onto him, by the client.

### **Contra charges, consequential losses, prolongation costs**

Any contra charges levied onto Broxap as a result of the contracted dates not being met for whatever reason shall be limited to 5% of the subcontract order value.

### **Time of essence clauses**

Broxap will not accept any clauses containing the wording, "time is of the essence" in relation to delivery.

### **Retentions**

Broxap will not accept any retentions on orders of a value less than £30k due to the disproportionate costs involved in retrieving them. A warranty statement can be implemented on request, in lieu of any retentions.

### **Bonds (retention/performance)**

Unless specifically referenced on our quotation, bonds are not included in our tender and implementation of such will be subject to review and acceptance of the wording and confirmation that any associated costs will be met by the client.

### **Collateral Warranty**

A collateral warranty can be accepted subject to a review and acceptance of the wording therein.

### **Title to goods**

Title to goods shall not pass until the goods have been paid for in full.

### **MCD (Main Contractors Discount)**

All prices are net and inclusive of all discounts.

*Please be aware that our offer is submitted on the understanding that in the event of a sub-contract order being placed, we reserve the right to review the terms and conditions therein, and, should any of those terms and conditions contradict the items stated above, we will advise in writing, with a view to requesting deletion or amendment of those clauses prior to acceptance of the order.*
