#### IV. Annex 2 – Specification

### **SPECIFICATION OF REQUIREMENTS: VICTIM ENGAGEMENT AND USER TESTING**

#### **1. Background and Scope of Required Goods and/or Services**

##### ***Background to the requirement***

##### CPS overview

- 1.1 The Crown Prosecution Service (CPS) prosecutes criminal cases that have been investigated by the police and other investigative organisations in England and Wales.
- 1.2 The CPS' duty is to make sure that the right person is prosecuted for the right offence, and to bring offenders to justice wherever possible. The CPS makes its decisions independently of the police and government.

##### CPS Strategy

- 1.3 The CPS' 2025 strategy sets out five strategic aims for the organisation, one of which is to build public confidence through delivering services that are fair and understood by all communities. As part of this aim, one of the outcomes sought by the CPS is that "victims and witnesses have a fair experience interacting with us, regardless of outcome".
- 1.4 In June 2022, the CPS announced that it would be [transforming the service it provides to victims of crime](#) through a long-term Victim Transformation Programme. This commitment was informed by independent research commissioned by the CPS to better understand what victims want from CPS communications.
- 1.5 Work has since progressed under three priority areas of action:
  - Delivering an improved Universal Service offer for all victims of crime
  - Delivering an Enhanced Service offer for victims with the greatest need
  - Building an organisational and leadership culture around better victim engagement

### The role and objectives of this procurement

- 1.6 The CPS wants to ensure that the services, materials and systems (referred to as “products” hereafter) it develops as part of the Victim Transformation Programme are informed by the insights and lived experience of victims of crime.
- 1.7 As part of this aim, the CPS is seeking to contract a supplier to carry out (over an initial 12-month period covering April 2024 to March 2025) **engagement with victims of crime**. Through this engagement, the supplier will, on CPS’ behalf, test and gather feedback on CPS products associated with the Victim Transformation Programme (and wider victims policy, where relevant).

### **Scope**

- 1.8 The CPS envisages that the supplier would at a minimum bring together a fixed group of approximately twelve victims of crime to provide feedback on CPS products. However, we are interested in how a group could be complemented by other communication methods and forums which would increase the ability of the CPS to test their products with a larger number of victims of crime. We therefore encourage potential suppliers to set out how they would establish or utilise other channels of engagement with victims.
- 1.9 Prospective suppliers must demonstrate how their engagement strategy would yield insights and feedback from a representative range of victims, in terms of:
- Age (from 18 years and above)
  - Sex and gender
  - Race
  - Religion
  - Sexual orientation
  - Crime type (excluding rape and serious sexual offences- this procurement complements our existing contract with the Survivors Trust, who facilitate engagement directly with victims of rape and serious sexual offences)
  - Case outcomes (Not Guilty, Guilty, charges discontinued etc.)
  - Geographical location (England and Wales only)

- 1.10 The victims with whom the supplier engages should have experience of a crime that has been charged by the CPS. Cases should not be live at the time of engagement with the group and experience should be reasonably recent (although there is not a strict limit on this).
- 1.11 The CPS will provide the supplier with the products that need to be tested with victims. Products may take different forms and may be submitted to the supplier at varying stages of development. Examples of such products could include (but are not limited to):
- Templates of letters that would be sent to victims of crime during their criminal justice journey.
  - Proposed user journey maps relating to processes that victims can or will go through during their criminal justice journey.
  - Draft versions of guidance documents or public awareness materials designed for victims of crime.
  - Training requirements or service standards for CPS staff who will be interacting with victims
  - Digital products intended for public use
- 1.12 Services that are not within the scope of this contract include (but are not limited to):
- Direct policy advice or feedback on products from the supplier, where these views do not reflect those of victims with whom the supplier has engaged
  - Strategies for engaging or engagement with persons, groups or agencies within the criminal justice system, other than victims (including the police or other government departments)
  - Strategies for engaging or engagement with persons in geographical locations other than the 14 CPS Areas in England and Wales
  - Strategies for engaging or engagement with persons under the age of 18
- 1.13 This Specification of Requirements for Standard procurements adheres to the [GCF Supplier Code of Conduct](#).

## **2. GOODS AND/OR SERVICE REQUIREMENTS AND DESCRIPTIONS**

### **2.1 GOODS AND/OR SERVICE REQUIREMENTS**

2.1.1 This contains the Crown Prosecution Goods and/or Service Requirements.

2.1.2 The Goods and/or Service Requirements are made up of the following requirements:

#### **2.2 Requirement 1 – Functional/Output Requirements**

- Recruitment of a core group of approximately twelve victims, who are, collectively, as representative as possible in terms of the characteristics set out at 1.9 (the supplier must ensure that people recruited to this group are subjected to a Disclosure and Barring Service check).
- Delivery of six engagement sessions (taking place bi-monthly over a 12-month period) with this core group of victims, testing one or two CPS products per session. There should also be scope to offer members of this core group further opportunities to support the CPS on an *ad hoc* basis between engagement sessions (e.g. speaking at CPS events, appearing at CPS workshops etc).
- Engagement with victims beyond the core group where this is necessary for, or contributes to, achieving a representative set of views regarding a CPS product (see 1.9). Additional/further channels of engagement may, for example, include surveys or polls.
- All engagement must protect and prioritise the safety, welfare and wellbeing of victims at all times (and protect victims' personal data and information in accordance with the General Data Protection Regulation and the Data Protection Act 2018)

#### **2.3 Requirement 2 – Deliverables**

- Summaries of feedback provided by victims on each product, to be submitted to or shared with the CPS (prospective suppliers are invited to set out how they would provide these summaries to the CPS)
- Delivery of an end-of-contract "lessons learned" workshop which evaluates the effectiveness of the victim engagement that the supplier has undertaken during the course of delivering the contract (highlighting where gaps may still exist in terms of groups or communities with which engagement has been less successful) and advising CPS on future means by which it could most effectively engage directly with victims

## 2.4 Requirement 3 – Skills & Experience of the Suppliers staff

- Experience of engaging with vulnerable people, people with complex needs and/or people from hard-to-reach groups in a manner that protects and prioritises their safety, welfare and wellbeing at all times (including the protection of personal data and information in accordance with the General Data Protection Regulation and the Data Protection Act 2018)
- Experience of undertaking research with vulnerable people, people with complex needs and/or people from hard-to-reach groups as participants
- Experience of recruiting vulnerable people, people with complex needs and/or people from hard-to-reach groups to sit on a panel, user feedback group, stakeholder forum or equivalent
- Ideally, prospective suppliers would be able to demonstrate experience of engagement with victims of crime and/or experience of the criminal justice system.

- 2.7 the word "including", "for example" and similar words shall be understood as if they were immediately followed by the words "without limitation";
- 2.8 any reference which, immediately before IP Completion Day (or such later date when relevant EU law ceases to have effect pursuant to section 1A of the European Union (Withdrawal) Act 2018), is a reference to (as it has effect from time to time):
  - (a) any EU regulation, EU decision, EU tertiary legislation or provision of the EEA agreement ("**EU References**") which is to form part of domestic law by application of section 3 of the European Union (Withdrawal) Act 2018 and which shall be read on and after IP Completion Day as a reference to the EU References as they form part of domestic law by virtue of section 3 of the European Union (Withdrawal) Act 2018 as modified by domestic law from time to time; and

## 3. How the Contract works

- 3.1 The Order Form is an offer by the Buyer to purchase the Deliverables subject to and in accordance with the terms and conditions of the Contract.
- 3.2 The Supplier is deemed to accept the offer in the Order Form when the Buyer receives a copy of the Order Form signed by the Supplier.
- 3.3 The Supplier warrants and represents that its tender (if any) and all statements made and documents submitted as part of the procurement of Deliverables are and remain true and accurate.

#### **4. What needs to be delivered**

##### **4.1 All Deliverables**

- (a) The Supplier must provide Deliverables: (i) in accordance with the Specification, the tender in Annex 4 – Supplier Tender (where applicable) and the Contract; (ii) using reasonable skill and care; (iii) using Good Industry Practice; (iv) using its own policies, processes and internal quality control measures as long as they don't conflict with the Contract; (v) on the dates agreed; and (vi) that comply with all Law.
- (b) The Supplier must provide Deliverables with a warranty of at least 90 days (or longer where the Supplier offers a longer warranty period to its Buyers) from Delivery against all obvious defects.

##### **4.2 Goods clauses**

- (a) All Goods delivered must be new, or as new if recycled, unused and of recent origin.
- (b) All manufacturer warranties covering the Goods must be assignable to the Buyer on request and for free.
- (c) The Supplier transfers ownership of the Goods on completion of Delivery (including off-loading and stacking) or payment for those Goods, whichever is earlier.
- (d) Risk in the Goods transfers to the Buyer on Delivery, but remains with the Supplier if the Buyer notices damage following Delivery and lets the Supplier know within 3 Working Days of Delivery.
- (e) The Supplier warrants that it has full and unrestricted ownership of the Goods at the time of transfer of ownership.
- (f) The Supplier must Deliver the Goods on the date and to the location specified in the Order Form, during the Buyer's working hours (unless otherwise specified in the Order Form).
- (g) The Supplier must provide sufficient packaging for the Goods to reach the point of Delivery safely and undamaged.
- (h) All deliveries must have a delivery note attached that specifies the order number, type and quantity of Goods.
- (i) The Supplier must provide all tools, information and instructions the Buyer needs to make use of the Goods.
- (j) The Supplier will notify the Buyer of any request that Goods are returned to it or the manufacturer after the discovery of safety issues or defects that might endanger health or hinder performance and shall indemnify the Buyer against the costs arising as a result of any such request.

- (k) The Buyer can cancel any order or part order of Goods which has not been Delivered. If the Buyer gives less than 14 days' notice then it will pay the Supplier's reasonable and proven costs already incurred on the cancelled order as long as the Supplier takes all reasonable endeavours to minimise these costs.
- (l) The Supplier must at its own cost repair, replace, refund or substitute (at the Buyer's option and request) any Goods that the Buyer rejects because they don't conform with clause 4.2. If the Supplier doesn't do this it will pay the Buyer's costs including repair or re-supply by a third party.
- (m) The Buyer will not be liable for any actions, claims, costs and expenses incurred by the Supplier or any third party during Delivery of the Goods unless and to the extent that it is caused by negligence or other wrongful act of the Buyer or its servant or agent. If the Buyer suffers or incurs any damage or injury (whether fatal or otherwise) occurring in the course of Delivery or installation then the Supplier shall indemnify the Buyer from any losses, charges, costs or expenses which arise as a result of or in connection with such damage or injury where it is attributable to any act or omission of the Supplier or any of its Subcontractors or Supplier Staff.

#### 4.3 Services clauses

- (a) Late Delivery of the Services will be a default of the Contract.
- (b) The Supplier must co-operate with the Buyer and third party suppliers on all aspects connected with the delivery of the Services and ensure that Supplier Staff comply with any reasonable instructions including the security requirements (where any such requirements have been provided).
- (c) The Buyer must provide the Supplier with reasonable access to its premises at reasonable times for the purpose of supplying the Services
- (d) The Supplier must at its own risk and expense provide all equipment required to deliver the Services. Any equipment provided by the Buyer to the Supplier for supplying the Services remains the property of the Buyer and is to be returned to the Buyer on expiry or termination of the Contract.
- (e) The Supplier must allocate sufficient resources and appropriate expertise to the Contract.
- (f) The Supplier must take all reasonable care to ensure performance does not disrupt the Buyer's operations, employees or other contractors.
- (g) On completion of the Services, the Supplier is responsible for leaving the Buyer's premises in a clean, safe and tidy condition and making good any damage that it has caused to the Buyer's premises or property, other than fair wear and tear.
- (h) The Supplier must ensure all Services, and anything used to deliver the Services, are of good quality and free from defects.
- (i) The Buyer is entitled to withhold payment for partially or undelivered Services, but doing so does not stop it from using its other rights under the Contract.

## **5. Pricing and payments**

- 5.1 In exchange for the Deliverables, the Supplier must invoice the Buyer for the charges in the Order Form.
- 5.2 All Charges:
  - (a) exclude VAT, which is payable on provision of a valid VAT invoice; and
  - (b) include all costs and expenses connected with the supply of Deliverables.
- 5.3 The Buyer must pay the Supplier the charges within 30 days of receipt by the Buyer of a valid, undisputed invoice, in cleared funds to the Supplier's account stated in the invoice or in the Order Form.
- 5.4 A Supplier invoice is only valid if it:
  - (a) includes all appropriate references including the Purchase Order Number and other details reasonably requested by the Buyer; and
  - (b) includes a detailed breakdown of Deliverables which have been delivered.
- 5.5 If there is a dispute between the Parties as to the amount invoiced, the Buyer shall pay the undisputed amount. The Supplier shall not suspend the provision of the Deliverables unless the Supplier is entitled to terminate the Contract for a failure to pay undisputed sums in accordance with clause 11.6. Any disputed amounts shall be resolved through the dispute resolution procedure detailed in clause 37.
- 5.6 The Buyer may retain or set-off payment of any amount owed to it by the Supplier under this Contract or any other agreement between the Supplier and the Buyer if notice and reasons are provided.
- 5.7 The Supplier must ensure that all Subcontractors are paid, in full, within 30 days of receipt of a valid, undisputed invoice. If this doesn't happen, the Buyer can publish the details of the late payment or non-payment.

7.3 The Supplier must allow any auditor appointed by the Buyer access to its premises to verify all contract accounts and records of everything to do with the Contract and provide copies for the Audit.

7.4 During an Audit, the Supplier must provide information to the auditor and reasonable co-operation at their request.

7.5 The Parties will bear their own costs when an Audit is undertaken unless the Audit identifies a material default by the Supplier, in which case the Supplier will repay the Buyer's reasonable costs in connection with the Audit.

7.6 If the Supplier is not providing any of the Deliverables, or is unable to provide them, it must immediately:

- (a) tell the Buyer and give reasons;
- (b) propose corrective action; and
- (c) provide a deadline for completing the corrective action.

- 7.7 If the Buyer, acting reasonably, is concerned as to the financial stability of the Supplier such that it may impact on the continued performance of the Contract then the Buyer may:
- (a) require that the Supplier provide to the Buyer (for its approval) a plan setting out how the Supplier will ensure continued performance of the Contract and the Supplier will make changes to such plan as reasonably required by the Buyer and once it is agreed then the Supplier shall act in accordance with such plan and report to the Buyer on demand; and
  - (b) if the Supplier fails to provide a plan or fails to agree any changes which are requested by the Buyer or fails to implement or provide updates on progress with the plan, terminate the Contract immediately for material breach (or on such date as the Buyer notifies).
- 7.8 If there is a material default, the Supplier must notify the Buyer within 3 Working Days of the Supplier becoming aware of the material default. The Buyer may request that the Supplier provide a Rectification Plan within 10 Working Days of the Buyer's request alongside any additional documentation that the Buyer requires. 8.6 The Supplier shall use those persons nominated (if any) as Key Staff in the Order Form or otherwise notified as such by the Buyer to the Supplier in writing, following agreement to the same by the Supplier to provide the Deliverables and shall not remove or replace any of them unless:
