THE PROVISION OF LEGAL SERVICES

PS22290

OPEN ABOVE THRESHOLD PROCEDURE

Bidder Guidance notes for completion for Parts 1, 2, 3 and definitions for all sections

1. The “authority” means the named Contracting Authority or anyone acting on behalf of the Contracting Authority, that is seeking to invite suitable candidates to participate in this procurement process.
2. “You” / “Your” refers to the potential Supplier or Bidder completing this standard Selection Questionnaire i.e. the legal entity responsible for the information provided. The term “potential supplier” is intended to cover any economic operator as defined by the Public Contracts Regulations 2015 (as amended) (referred to as the “regulations”) and could be a registered company; the lead contact for a group of economic operators; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.
3. Please ensure that all questions are completed in full, and in the format requested. If the question does not apply to you, please state ‘N/A’. Should you need to provide additional information in response to the questions, please submit a clearly identified annex.
4. The authority recognises that arrangements set out in section 1.2 of the standard Selection Questionnaire, in relation to a group of economic operators (for example, a consortium) and/or use of sub-contractors, may be subject to change and will, therefore, not be finalised until a later date. The lead contact should notify the authority immediately of any change in the proposed arrangements and ensure a completed Part 1 and Part 2 is submitted for any new organisation relied on to meet the selection criteria. The authority will make a revised assessment of the submission based on the updated information.
5. For Part 1 and Part 2 every organisation that is being relied on to meet the selection must complete and submit the self-declaration.
6. For answers to Part 3 - If you are bidding on behalf of a group, for example, a consortium, or you intend to use sub-contractors, you should complete all of the questions on behalf of the consortium and/ or any sub-contractors, providing one composite response and declaration.

The authority confirms that it will keep confidential and will not disclose to any third parties any information obtained from a named customer contact, other than to the Cabinet Office and/or contracting authorities defined by the regulations, or pursuant to an order of the court

or demand made by any competent authority or body where the authority is under a legal or regulatory obligation to make such a disclosure.

If at their next review (under the current 5 year model or application to transition into the new unit 2.0 model) it is agreed by MRC Council that they do not meet the MRC's expectations (on quality and strategy) then the unit form of investment will be discontinued. Competitive science will then be supported through regular funding mechanisms. MRC and the host university will then work jointly to resolve any matters from the current unit legal agreements (e.g. IPR and licensing) through the establishment of a unit closure agreement.</p> <p>At that juncture the legal firm will be asked to review the legal documentation that established the unit and provide guidance to MRC staff on closing out the current legal agreements through the establishment of a closure legal agreement.- ensuring good relationships are maintained and working to agreed timelines.</p>
