The site plan illustrates the proposed development at 15 to 95 West Row. The site is bounded by West Row to the west and is adjacent to Middle Row Primary School to the north. The development includes several building footprints, a large purple area labeled 'Playground', and various colored zones (yellow, orange, green, blue) indicating different land uses or parking areas. Specific address ranges are marked: '15 to 49', '51 to 61', and '67 to 95'. A callout '4.4.15' points to a specific area within the site. An 'EI Sub Sta' (Electrical Interlocking Sub Station) is located near the bottom right corner of the site. The plan also shows surrounding streets like 'West Row' and 'Middle Row'.
