Town Clerk: Alan Draper

TENDER FOR TRACTOR AND TRAILER

Hemsworth Town Council has decided to procure a tractor and trailer for the purpose of grounds maintenance. The council therefore invites tenders for a tractor and a trailer – new or second hand.

One of the uses of the tractor and trailer will be to transport an excavator between the council's various sites so the tractor and trailer must have a minimum towing capacity of 32 tonnes.

For further information please contact the town clerk – Alan Draper – on (01977) 617617 or clerk@hemsworthcouncil.co.uk

Submissions must be returned by 31 March 2020.
