No of Call Off Order Form being varied:

Contract Reference: CCCC17B50

Contract Title: Provision of Consultancy for Financial Services for HM Treasury

Variation Form No:

CCCC17B50-01

BETWEEN:

HM Treasury ("the Customer")

and

Veracity OSI UK Limited ("the Supplier")

1. This is a variation to the Call Off Contract between HM Treasury and Veracity OSI UK Limited. The Terms and Conditions of the Contract apply but with the following amendments:
 - Extension to Contract End Date - The existing Contract period was 19th January 2018 to 18th July 2018 (with an option to extend for up to three (3) months). The intention of the Authority is to exercise the option to extend for the full three (3) months to 18th October 2018.
 - Uplift in Contract Value - The existing Contract value is £200,000 (exc. VAT). The Authority proposes to uplift the Contract value by an additional £100,000 (exc. VAT), this would therefore increase the overall Contract value to a maximum of £300,000 (exc. VAT).
 - Inclusion of revised deliverables - Due to ongoing work within this Contract, additional deliverables have been identified and are intrinsically linked to the original scope and are necessary to complete the overall project. All additional deliverables and associated costs have been detailed within Annex 1 of this Variation form.
2. Words and expressions in this Variation shall have the meanings given to them in this Call Off Contract.
3. This Call Off Contract, including any previous Variations, shall remain effective and unaltered except as amended by this Variation.
