

ECITB 2024 Scholarship Programme

Descriptive Summary:

This contract relates to the delivery of the ECITB Scholarship Programme for Q4 2024. The services required will result in the successful completion of the Programme and ideally progression into semi-skilled or skilled status employment or a Modern Apprenticeship. This will be achieved through a combination of knowledge and practical skills delivery.

It is advantageous but not essential that the successful organisation can access funding through the relevant Government Funding Body to support the delivery of the Knowledge Qualification.

Estimated Contract Values:

The value of each contract will vary dependant on the number of Learners being recruited in each region. The contract values for all lots combined are likely to vary significantly, but could be up to £210,000 dependant on demand and requirements within each region.

Estimated Length of Contracts:

It is estimated that the duration of the Contract will be no longer than 1 year but could span 2 academic years dependent upon the programme level and complexity.

Location:

The required services will be delivered within specified ECITB Regions.
