1 Definitions used in the contract

- 1.1 Interpret this Contract using Joint Schedule 1 (Definitions).

2 How the contract works

- 2.1 The Supplier is eligible for the award of Call-Off Contracts during the Framework Contract Period.
- 2.2 CCS doesn't guarantee the Supplier any exclusivity, quantity or value of work under the Framework Contract.
- 2.3 CCS has paid one penny to the Supplier legally to form the Framework Contract. The Supplier acknowledges this payment.
- 2.4 If the Buyer decides to buy Deliverables under the Framework Contract it must use Framework Schedule 7 (Call-Off Award Procedure) and must state its requirements using Framework Schedule 6 (Order Form Template and Call-Off Schedules). If allowed by the Regulations, the Buyer can:
- a) make changes to Framework Schedule 6 (Order Form Template and Call-Off Schedules)
 - b) create new Call-Off Schedules
 - c) exclude optional template Call-Off Schedules
 - d) use Special Terms in the Order Form to add or change terms
- 2.5 Each Call-Off Contract:
- a) is a separate Contract from the Framework Contract
 - b) is between a Supplier and a Buyer
 - c) includes Core Terms, Schedules and any other changes or items in the completed Order Form
 - d) survives the termination of the Framework Contract
- 2.6 Where the Supplier is approached by an eligible buyer requesting Deliverables or substantially similar goods or services, the Supplier must tell them about this Framework Contract before accepting their order. The Supplier will promptly notify CCS if the eligible buyer won't use this Framework Contract.
- 2.7 The Supplier acknowledges it has all the information required to perform its obligations under each Contract before entering into a Contract. When information is provided by a Relevant Authority no warranty of its accuracy is given to the Supplier.
- 2.8 The Supplier won't be excused from any obligation, or be entitled to additional Costs or Charges because it failed to either:
- a) verify the accuracy of the Due Diligence Information
 - b) properly perform its own adequate checks

Crown Copyright 2018

- 2.9 CCS and the Buyer won't be liable for errors, omissions or misrepresentation of any information.
- 2.10 The Supplier warrants and represents that all statements made and documents submitted as part of the procurement of Deliverables are and remain true and accurate.

3 What needs to be delivered

3.1 All deliverables

3.1.1 The Supplier must provide Deliverables:

- a) that comply with the Specification, the Framework Tender Response and, in relation to a Call-Off Contract, the Call-Off Tender (if there is one)
- b) to a professional standard
- c) using reasonable skill and care
- d) using Good Industry Practice
- e) using its own policies, processes and internal quality control measures as long as they don't conflict with the Contract
- f) on the dates agreed
- g) that comply with Law

3.1.2 The Supplier must provide Deliverables with a warranty of at least 90 days from Delivery against all obvious defects.

3.2 Goods clauses

- 3.2.1 All Goods delivered must be new, or as new if recycled, unused and of recent origin.
- 3.2.2 All manufacturer warranties covering the Goods must be assignable to the Buyer on request and for free.
- 3.2.3 The Supplier transfers ownership of the Goods on Delivery or payment for those Goods, whichever is earlier.
- 3.2.4 Risk in the Goods transfers to the Buyer on Delivery of the Goods, but remains with the Supplier if the Buyer notices damage following Delivery and lets the Supplier know within 3 Working Days of Delivery.
- 3.2.5 The Supplier warrants that it has full and unrestricted ownership of the Goods at the time of transfer of ownership.
- 3.2.6 The Supplier must deliver the Goods on the date and to the specified location during the Buyer's working hours.
- 3.2.7 The Supplier must provide sufficient packaging for the Goods to reach the point of Delivery safely and undamaged.
- 3.2.8 All deliveries must have a delivery note attached that specifies the order number, type and quantity of Goods.
- 3.2.9 The Supplier must provide all tools, information and instructions the Buyer needs to make use of the Goods.

Crown Copyright 2018

- 3.2.10 The Supplier must indemnify the Buyer against the costs of any Recall of the Goods and give notice of actual or anticipated action about the Recall of the Goods.
- 3.2.11 The Buyer can cancel any order or part order of Goods which has not been Delivered. If the Buyer gives less than 14 days notice then it will pay the Supplier's reasonable and proven costs already incurred on the cancelled order as long as the Supplier takes all reasonable steps to minimise these costs.
- 3.2.12 The Supplier must at its own cost repair, replace, refund or substitute (at the Buyer's option and request) any Goods that the Buyer rejects because they don't conform with Clause 3. If the Supplier doesn't do this it will pay the Buyer's costs including repair or re-supply by a third party.

3.3 Services clauses

- 3.3.1 Late Delivery of the Services will be a Default of a Call-Off Contract.
- 3.3.2 The Supplier must co-operate with the Buyer and third party suppliers on all aspects connected with the Delivery of the Services and ensure that Supplier Staff comply with any reasonable instructions.
- 3.3.3 The Supplier must at its own risk and expense provide all Supplier Equipment required to Deliver the Services.
- 3.3.4 The Supplier must allocate sufficient resources and appropriate expertise to each Contract.
- 3.3.5 The Supplier must take all reasonable care to ensure performance does not disrupt the Buyer's operations, employees or other contractors.
- 3.3.6 The Supplier must ensure all Services, and anything used to Deliver the Services, are of good quality and free from defects.
- 3.3.7 The Buyer is entitled to withhold payment for partially or undelivered Services, but doing so does not stop it from using its other rights under the Contract.

4 Pricing and payments

- 4.1 In exchange for the Deliverables, the Supplier must invoice the Buyer for the Charges in the Order Form.
- 4.2 CCS must invoice the Supplier for the Management Charge and the Supplier must pay it using the process in Framework Schedule 5 (Management Charges and Information).

- 4.6 The Buyer may retain or set-off payment of any amount owed to it by the Supplier if notice and reasons are provided.
- 4.7 The Supplier must ensure that all Subcontractors are paid, in full, within 30 days of receipt of a valid, undisputed invoice. If this doesn't happen, CCS or the Buyer can publish the details of the late payment or non-payment.
- 4.8 If CCS or the Buyer can get more favourable commercial terms for the supply at cost of any materials, goods or services used by the Supplier to provide the Deliverables and that cost is reimbursable by the Buyer, then CCS or the Buyer may either:
- a) require the Supplier to replace its existing commercial terms with the more favourable terms offered for the relevant items
 - b) enter into a direct agreement with the Subcontractor or third party for the relevant item
- 4.9 If CCS or the Buyer uses Clause 4.8 then the Framework Prices (and where applicable, the Charges) must be reduced by an agreed amount by using the Variation Procedure.
- 4.10 CCS and the Buyer's right to enter into a direct agreement for the supply of the relevant items is subject to both:
- a) the relevant item being made available to the Supplier if required to provide the Deliverables
 - b) any reduction in the Framework Prices (and where applicable, the Charges) excludes any unavoidable costs that must be paid by the Supplier for the substituted item, including any licence fees or early termination charges
- 4.11 The Supplier has no right of set-off, counterclaim, discount or abatement unless they're ordered to do so by a court.

5 The buyer's obligations to the supplier

- 15.5 For the purposes of Clauses 15.2 to 15.4 references to disclosure on a confidential basis means disclosure under a confidentiality agreement or arrangement including terms as strict as those required in Clause 15.
- 15.6 Transparency Information is not Confidential Information.
- 15.7 The Supplier must not make any press announcement or publicise the Contracts or any part of them in any way, without the prior written consent of the Relevant Authority and must take all reasonable steps to ensure that Supplier Staff do not either.

- 16.1 The Supplier must tell the Relevant Authority within 48 hours if it receives a Request For Information.

- 16.3 The Relevant Authority may talk to the Supplier to help it decide whether to publish information under Clause 16. However, the extent, content and format

Crown Copyright 2018

of the disclosure is the Relevant Authority's decision, which does not need to be reasonable.

17 Invalid parts of the contract

If any part of a Contract is prohibited by Law or judged by a court to be unlawful, void or unenforceable, it must be read as if it was removed from that Contract as much as required and rendered ineffective as far as possible without affecting the rest of the Contract, whether it's valid or enforceable.

18 No other terms apply

The provisions incorporated into each Contract are the entire agreement between the Parties. The Contract replaces all previous statements and agreements whether written or oral. No other provisions apply.

19 Other people's rights in a contract

No third parties may use the Contracts (Rights of Third Parties) Act (CRTPA) to enforce any term of the Contract unless stated (referring to CRTPA) in the Contract. This does not affect third party rights and remedies that exist independently from CRTPA.

20 Circumstances beyond your control

20.1 Any Party affected by a Force Majeure Event is excused from performing its obligations under a Contract while the inability to perform continues, if it both:

- a) provides a Force Majeure Notice to the other Party
- b) uses all reasonable measures practical to reduce the impact of the Force Majeure Event

20.2 Either party can partially or fully terminate the affected Contract if the provision of the Deliverables is materially affected by a Force Majeure Event which lasts for 90 days continuously.

20.3 Where a Party terminates under Clause 20.2:

- a) each party must cover its own Losses
- b) Clause 10.5.2 to 10.5.7 applies

21 Relationships created by the contract

No Contract creates a partnership, joint venture or employment relationship. The Supplier must represent themselves accordingly and ensure others do so.

22 Giving up contract rights

A partial or full waiver or relaxation of the terms of a Contract is only valid if it is stated to be a waiver in writing to the other Party.

- a) agree that the Contract continues without the Variation

 - c) refer the Dispute to be resolved using Clause 34 (Resolving Disputes)
- 24.4 CCS and the Buyer are not required to accept a Variation request made by the Supplier.
- 24.5 If there is a General Change in Law, the Supplier must bear the risk of the change and is not entitled to ask for an increase to the Framework Prices or the Charges.
- 24.6 If there is a Specific Change in Law or one is likely to happen during the Contract Period the Supplier must give CCS and the Buyer notice of the likely

Crown Copyright 2018

effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, Framework Prices or a Contract and provide evidence:

- a) that the Supplier has kept costs as low as possible, including in Subcontractor costs

- a) allow the Indemnifier to conduct all negotiations and proceedings to do with a Claim

Joint Schedule 3 (Insurance Requirements)

1. The insurance you need to have

1.1 The Supplier shall take out and maintain, or procure the taking out and maintenance of the insurances as set out in the Annex to this Schedule, any additional insurances required under a Call-Off Contract (specified in the applicable Order Form) ("**Additional Insurances**") and any other insurances as may be required by applicable Law (together the "**Insurances**"). The Supplier shall ensure that each of the Insurances is effective no later than:

1.1.1 the Framework Start Date in respect of those Insurances set out in the Annex to this Schedule and those required by applicable Law; and

1.1.2 the Call-Off Contract Effective Date in respect of the Additional Insurances.

1.2 The Insurances shall be:

1.2.1 maintained in accordance with Good Industry Practice;

1.2.2 (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time;

1.2.3 taken out and maintained with insurers of good financial standing and good repute in the international insurance market; and

1.2.4 maintained for at least six (6) years after the End Date.

1.3 The Supplier shall ensure that the public and products liability policy contain an indemnity to principals clause under which the Relevant Authority shall be indemnified in respect of claims made against the Relevant Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Deliverables and for which the Supplier is legally liable.

2. How to manage the insurance

2.1 Without limiting the other provisions of this Contract, the Supplier shall:

2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to Deliverables as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;

2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware; and

2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

3. What happens if you aren't insured

3.1 The Supplier shall not take any action or fail to take any action or (insofar as

Crown Copyright 2018

is reasonably within its power) permit anything to occur in relation to it which

Crown Copyright 2018

would entitle any insurer to refuse to pay any claim under any of the Insurances.

3.2 Where the Supplier has failed to purchase or maintain any of the Insurances in full force and effect, the Relevant Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances and recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

4. Evidence of insurance you must provide

4.1 The Supplier shall upon the Start Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Relevant Authority, that the Insurances are in force and effect and meet in full the requirements of this Schedule.

5. Making sure you are insured to the required amount

5.1 The Supplier shall ensure that any Insurances which are stated to have a minimum limit "in the aggregate" are maintained at all times for the minimum limit of indemnity specified in this Contract and if any claims are made which do not relate to this Contract then the Supplier shall notify the Relevant Authority and provide details of its proposed solution for maintaining the minimum limit of indemnity.

6. Cancelled Insurance

6.1 The Supplier shall notify the Relevant Authority in writing at least five (5) Working Days prior to the cancellation, suspension, termination or non-renewal of any of the Insurances.

6.2 The Supplier shall ensure that nothing is done which would entitle the relevant insurer to cancel, rescind or suspend any insurance or cover, or to treat any insurance, cover or claim as voided in whole or part. The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

7. Insurance claims

7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances. In the event that the Relevant Authority receives a claim relating to or arising out of a Contract or the Deliverables, the Supplier shall co-operate with the Relevant Authority and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.

7.2 Except where the Relevant Authority is the claimant party, the Supplier shall give the Relevant Authority notice within twenty (20) Working Days after any insurance claim in excess of 10% of the sum required to be insured pursuant to Paragraph 0 relating to or arising out of the provision of the

Crown Copyright 2018

Deliverables or this Contract on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Relevant Authority) full details of the incident giving rise to the claim.

7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.

7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Relevant Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Contract or otherwise.
