### **1. The insurance you need to have**

1.1 The Supplier shall take out and maintain, or procure the taking out and maintenance of the insurances as set out in the Annex to this Schedule, any additional insurances required under a Call-Off Contract (specified in the applicable Order Form) (" Additional Insurances ") and any other insurances as may be required by applicable Law (together the "Insurances"). The Supplier shall ensure that each of the Insurances is effective no later than:

1.1.1 the Framework Start Date in respect of those Insurances set out in the Annex to this Schedule and those required by applicable Law; and

1.1.2 the Call-Off Contract Effective Date in respect of the Additional Insurances.

1.2 The Insurances shall be:

1.2.1 maintained in accordance with Good Industry Practice;

1.2.2 (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time;

1.2.3 taken out and maintained with insurers of good financial standing and good repute in the international insurance market; and

1.2.4 maintained for at least six (6) years after the End Date.

1.3 The Supplier shall ensure that the public and products liability policy contain an indemnity to principals clause under which the Relevant Authority shall be indemnified in respect of claims made against the Relevant Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Deliverables and for which the Supplier is legally liable.

### **2. How to manage the insurance**

2.1 Without limiting the other provisions of this Contract, the Supplier shall:

2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to Deliverables as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;

2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware; and

2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

### **3. What happens if you aren't insured**

3.1 The Supplier shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Insurances.

3.2 Where the Supplier has failed to purchase or maintain any of the Insurances in full force and effect, the Relevant Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances and recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

#### **4. Evidence of insurance you must provide**

4.1 The Supplier shall upon the Start Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Relevant Authority, that the Insurances are in force and effect and meet in full the requirements of this Schedule.

#### **5. Making sure you are insured to the required amount**

5.1 The Supplier shall ensure that any Insurances which are stated to have a minimum limit "in the aggregate" are maintained at all times for the minimum limit of indemnity specified in this Contract and if any claims are made which do not relate to this Contract then the Supplier shall notify the Relevant Authority and provide details of its proposed solution for maintaining the minimum limit of indemnity.

#### **6. Cancelled Insurance**

6.1 The Supplier shall notify the Relevant Authority in writing at least five (5) Working Days prior to the cancellation, suspension, termination or non-renewal of any of the Insurances.

6.2 The Supplier shall ensure that nothing is done which would entitle the relevant insurer to cancel, rescind or suspend any insurance or cover, or to treat any insurance, cover or claim as voided in whole or part. The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

In the event that the Relevant Authority receives a claim relating to or arising out of a Contract or the Deliverables, the Supplier shall co-

operate with the Relevant Authority and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.

7.2 Except where the Relevant Authority is the claimant party, the Supplier shall give the Relevant Authority notice within twenty (20) Working Days after any insurance claim in excess of 10% of the sum required to be insured pursuant to Paragraph 5.1 relating to or arising out of the provision of the Deliverables or this Contract on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Relevant Authority) full details of the incident giving rise to the claim.

7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.

7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Relevant Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Contract or otherwise.

#### General methodology

- 1 **Terminology:** The terms referred to in this Annex are those used by UK companies in their financial statements. Where the entity is not a UK company, the corresponding items should be used even if the terminology is slightly different (for example a charity would refer to a surplus or deficit rather than a profit or loss).
- 2 **Groups:** Where the entity is the holding company of a group and prepares consolidated financial statements, the consolidated figures should be used.
- 3 **Foreign currency conversion:** Figures denominated in foreign currencies should be converted at the exchange rate in force at the relevant date for which the Financial Indicator is being calculated.
- 4 **Treatment of non-underlying items:** Financial Indicators should be based on the figures in the financial statements before adjusting for non-underlying items.

#### Specific Methodology

Financial Indicator	Specific Methodology
1 Operating Margin	<p>The elements used to calculate the Operating Margin should be shown on the face of the Income Statement in a standard set of financial statements.</p> <p>Figures for Operating Profit and Revenue should exclude the entity's share of the results of any joint ventures or Associates.</p> <p>Where an entity has an operating loss (i.e. where the operating profit is negative), Operating Profit should be taken to be zero.</p>

<p><b>2</b> <b>Net Debt to EBITDA Ratio</b></p>	<p><b><i>“Net Debt”</i></b> = Bank overdrafts + Loans and borrowings + Finance leases + Deferred consideration payable – Cash and cash equivalents</p> <p><b><i>“EBITDA”</i></b> = Operating profit + Depreciation charge + Amortisation charge</p> <p>The majority of the elements used to calculate the Net Debt to EBITDA Ratio should be shown on the face of the Balance sheet, Income statement and Statement of Cash Flows in a standard set of financial statements but will otherwise be found in the notes to the financial statements.</p> <p><u><i>Net Debt:</i></u> The elements of Net Debt may be described slightly differently and should be found either on the face of the Balance Sheet or in the relevant note to the financial statements. All interest bearing liabilities (other than retirement benefit obligations) should be included as borrowings as should, where disclosed, any liabilities (less any assets) in respect of any hedges designated as linked to borrowings (but not non-designated hedges). Borrowings should also include balances owed to other group members.</p> <p>Deferred consideration payable should be included in Net Debt despite typically being non-interest bearing.</p> <p>Cash and cash equivalents should include short-term financial investments shown in current assets.</p> <p>Where Net debt is negative (i.e. an entity has net cash), the relevant Financial Target Threshold should be treated as having been met.</p> <p><u><i>EBITDA:</i></u> Operating profit should be shown on the face of the Income Statement and, for the purposes of calculating this Financial Indicator, should include the entity’s share of the results of any joint ventures or Associates. <i>The depreciation and amortisation charges for the period may be found on the face of the Statement of Cash Flows or in a Note to the Accounts. Where EBITDA is negative, the relevant Financial Target Threshold should be treated as not having been met (unless Net Debt is also negative, in which case the relevant Financial Target Threshold should be treated as having been met).</i></p>

<p><b>3</b> Net Debt + Net Pension Deficit to EBITDA ratio</p>	<p><b><i>“Net Debt”</i></b> = Bank overdrafts + Loans and borrowings + Finance leases + Deferred consideration payable – Cash and cash equivalents</p> <p><b><i>“Net Pension Deficit”</i></b> = Retirement Benefit Obligations – Retirement Benefit Assets</p> <p><b><i>“EBITDA”</i></b> = Operating profit + Depreciation charge + Amortisation charge</p> <p>The majority of the elements used to calculate the Net Debt + Net Pension Deficit to EBITDA Ratio should be shown on the face of the Balance sheet, Income statement and Statement of Cash Flows in a standard set of financial statements but will otherwise be found in the notes to the financial statements.</p> <p><u><i>Net Debt:</i></u> The elements of Net Debt may be described slightly differently and should be found either on the face of the Balance Sheet or in the relevant note to the financial statements. All interest bearing liabilities (other than retirement benefit obligations) should be included as borrowings as should, where disclosed, any liabilities (less any assets) in respect of any hedges designated as linked to borrowings (but <i>not</i> non-designated hedges). Borrowings should also include balances owed to other group members.</p> <p>Deferred consideration payable should be included in Net Debt despite typically being non-interest bearing.</p> <p>Cash and cash equivalents should include short-term financial investments shown in current assets.</p> <p><u><i>Net Pension Deficit:</i></u> Retirement Benefit Obligations and Retirement Benefit Assets may be shown on the face of the Balance Sheet or in the notes to the financial statements. They may also be described as pension benefits / obligations, post-employment obligations or other similar terms.</p> <p>Where ‘Net Debt + Net Pension Deficit’ is negative, the relevant Financial Target Threshold should be treated as having been met.</p> <p><u><i>EBITDA:</i></u> Operating profit should be shown on the face of the Income Statement and, for the purposes of calculating this Financial Indicator, should include the entity’s share of the results of any joint ventures or Associates.</p> <p>The depreciation and amortisation charges for the period may be found on the face of the Statement of Cash Flows or in a Note to the Accounts.</p>

	<p>Where EBITDA is negative, the relevant Financial Target Threshold should be treated as not having been met (unless 'Net Debt + Net Pension Deficit' is also negative, in which case the relevant Financial Target Threshold should be regarded as having been met).</p>
<p><b>4</b> <b>Net Interest Paid Cover</b></p>	<p><b><i>"Earnings Before Interest and Tax" = Operating profit</i></b></p> <p><b><i>"Net Interest Paid" = Interest paid – Interest received</i></b></p> <p>Operating profit should be shown on the face of the Income Statement in a standard set of financial statements and, for the purposes of calculating this Financial Indicator, should include the entity's share of the results of any joint ventures or Associates.</p> <p>Interest received and interest paid should be shown on the face of the Cash Flow statement.</p> <p>Where Net interest paid is negative (i.e. the entity has net interest received), the relevant Financial Target Threshold should be treated as having been met.</p>
<p><b>5</b> <b>Acid Ratio</b></p>	<p>All elements that are used to calculate the Acid Ratio are available on the face of the Balance Sheet in a standard set of financial statements.</p>
<p><b>6</b> <b>Net Asset value</b></p>	<p>Net Assets are shown (but sometimes not labelled) on the face of the Balance Sheet of a standard set of financial statements. Net Assets are sometimes called net worth or 'Shareholders' Funds'. They represent the net assets available to the shareholders. Where an entity has a majority interest in another entity in which there are also minority or non-controlling interests (i.e. where it has a subsidiary partially owned by outside investors), Net Assets should be taken inclusive of minority or non-controlling interests (as if the entity owned 100% of such entity).</p>
<p><b>7</b> <b>Group Exposure Ratio</b></p>	<p><b><i>"Group Exposure" = Balances owed by Group Undertakings + Contingent liabilities assumed in support of Group Undertakings</i></b></p> <p><b><i>"Gross Assets" = Fixed Assets + Current Assets</i></b></p> <p><u>Group Exposure</u>: Balances owed by (ie receivable from) Group Undertakings are shown within Fixed assets or Current assets either on the face of the Balance Sheet or in the relevant notes to the financial statements. In many cases there may be no such</p>

	<p>balances, in particular where an entity is not a member of a group or is itself the ultimate holding company of the group.</p> <p>Contingent liabilities assumed in support of Group Undertakings are shown in the Contingent Liabilities note in a standard set of financial statements. They include guarantees and security given in support of the borrowings of other group companies, often as part of group borrowing arrangements. Where the contingent liabilities are capped, the capped figure should be taken as their value. Where no cap or maximum is specified, the relevant Financial Target Threshold should automatically be regarded as not having been met.</p> <p>In many cases an entity may not have assumed any contingent liabilities in support of Group Undertakings, in particular where an entity is not a member of a group or is itself the ultimate holding company of the group.</p> <p><u>Gross Assets</u>: Both Fixed assets and Current assets are shown on the face of the Balance Sheet</p>

## Part C: No Staff Transfer on the Start Date

### 1. What happens if there is a staff transfer

1.1 The Buyer and the Supplier agree that the commencement of the provision of the Services or of any part of the Services will not be a Relevant Transfer in relation to any employees of the Buyer and/or any Former Supplier.

1.2 If any employee of the Buyer and/or a Former Supplier claims, or it is determined in relation to any employee of the Buyer and/or a Former Supplier, that his/her contract of employment has been transferred from the Buyer and/or the Former Supplier to the Supplier and/or any Subcontractor pursuant to the Employment Regulations or the Acquired Rights Directive then:

1.2.1 the Supplier shall, and shall procure that the relevant Subcontractor shall, within 5 Working Days of becoming aware of that fact, notify the Buyer in writing and, where required by the Buyer, notify the Former Supplier in writing; and

1.3 If an offer referred to in Paragraph 1.2.2 is accepted (or if the situation has otherwise been resolved by the Buyer and/or the Former Supplier),, the Supplier shall, or shall procure that the Subcontractor shall, immediately release the person from his/her employment or alleged employment.

1.4 If by the end of the 15 Working Day period referred to in Paragraph 1.2.2: 1.4.1 no such offer of employment has been made;

1.4.2 such offer has been made but not accepted; or

1.4.3 the situation has not otherwise been resolved;

the Supplier may within 5 Working Days give notice to terminate the employment or alleged employment of such person.

1.5 Subject to the Supplier and/or the relevant Subcontractor acting in accordance with the provisions of Paragraphs 1.2 to 1.4 and in accordance with all applicable employment procedures set out in applicable Law and subject also to Paragraph 1.8 the Buyer shall:

1.5.1 indemnify the Supplier and/or the relevant Subcontractor against all Employee Liabilities arising out of the termination of the employment of any of the Buyer's employees referred to in Paragraph 1.2 made pursuant to the provisions of Paragraph 1.4 provided that the Supplier takes, or shall procure that the Subcontractor takes, all reasonable steps to minimise any such Employee Liabilities; and

1.5.2 procure that the Former Supplier indemnifies the Supplier and/or any Subcontractor against all Employee Liabilities arising out of termination of the

employment of the employees of the Former Supplier referred to in Paragraph 1.2 made pursuant to the provisions of Paragraph 1.4 provided that the Supplier takes, or shall procure that the relevant Subcontractor takes, all reasonable steps to minimise any such Employee Liabilities.

1.6 If any such person as is described in Paragraph 1.2 is neither re employed by the Buyer and/or the Former Supplier as appropriate nor dismissed by the Supplier and/or any Subcontractor within the 15 Working Day period referred to in Paragraph 1.4 such person shall be treated as having transferred to the Supplier and/or the Subcontractor (as appropriate) and the Supplier shall, or shall procure that the Subcontractor shall, comply with such obligations as may be imposed upon it under Law.

1.7 Where any person remains employed by the Supplier and/or any Subcontractor pursuant to Paragraph 1.6, all Employee Liabilities in relation to such employee shall remain with the Supplier and/or the Subcontractor and the Supplier shall indemnify the Buyer and any Former Supplier, and shall procure that the Subcontractor shall indemnify the Buyer and any Former Supplier, against any Employee Liabilities that either of them may incur in respect of any such employees of the Supplier and/or employees of the Subcontractor.

1.8 The indemnities in Paragraph 1.5:

1.8.1 shall not apply to:

(i) discrimination, including on the grounds of sex, race, disability, age, gender reassignment, marriage or civil partnership, pregnancy and maternity or sexual orientation, religion or belief; or

(ii) equal pay or compensation for less favourable treatment of part-time workers or fixed-term employees, in any case in relation to any alleged act or omission of the Supplier and/or Subcontractor; or

1.8.2 shall apply only where the notification referred to in Paragraph 1.2.1 is made by the Supplier and/or any Subcontractor to the Buyer and, if applicable, Former Supplier within 6 months of the Start Date.

## **2. Limits on the Former Supplier's obligations**

Where in this Part C the Buyer accepts an obligation to procure that a Former Supplier does or does not do something, such obligation shall be limited so that it extends only to the extent that the Buyer's contract with the Former Supplier contains a contractual right in that regard which the Buyer may enforce, or otherwise so that it requires only that the Buyer must use reasonable endeavours to procure that the Former Supplier does or does not act accordingly.

The bulk transfer terms shall be subject to an underpin in relation to any service credits awarded in the Broadly Comparable pension scheme in accordance with paragraph 10.3.3 such that the element of the past service reserve amount which relates to such service credits shall be no lower than that required by the bulk transfer terms that were agreed in accordance with paragraph 10.3.3 but using the last day of the Fair Deal Eligible Employees' employment with the

The relevant Fair Deal Eligible Employees must be given the option to transfer their accrued benefits from the previous Broadly Comparable pension scheme to the new Broadly Comparable pension scheme on day for day and/or pound for pound terms (as applicable) (or actuarially equivalent where there are benefit differences between the two schemes).

11.4 Where the Supplier has provided a Broadly Comparable pension scheme pursuant to the provisions of this paragraph 11, the Supplier shall (and shall procure that any of its Subcontractors shall) prior to the termination of the relevant Contract allow and make all necessary arrangements to effect, in respect of any Fair Deal Eligible Employee that remains eligible for New Fair Deal protection, following a Service Transfer, the bulk transfer of past service from any such Broadly Comparable pension scheme into the Replacement Supplier's Broadly Comparable pension scheme (or relevant Statutory Scheme if applicable). The bulk transfer terms provided shall be sufficient to secure day for day and/or pound for pound credits (as applicable) (or actuarially equivalent where there are benefit differences between the two schemes) in the Replacement Supplier's Broadly

Comparable pension scheme (or relevant Statutory Scheme if applicable). For the avoidance of doubt, should the amount offered by the Broadly Comparable pension scheme be less than the amount required by the Replacement Supplier's Broadly Comparable pension scheme (or the relevant Statutory Scheme if applicable) to fund the required credits (" **the Shortfall** "), the Supplier or the Subcontractor (as agreed between them) must pay the Replacement Supplier's Broadly Comparable pension scheme (or relevant Statutory Scheme if applicable) the Shortfall as required, provided that in the absence of any agreement between the Supplier and any Subcontractor, the Shortfall shall be paid by the Supplier. 10.7.5 The Parties must agree any necessary Variation required by Clause 10.7 using the Variation Procedure, but the Supplier may not either:

- (a) reject the Variation; or

## **18. No other terms apply**

The provisions incorporated into each Contract are the entire agreement between the Parties.

The Contract replaces all previous statements, agreements and any course of dealings made between the Parties, whether written or oral, in relation to its subject matter.

## 19. Other people's rights in a contract

This does not affect third party rights and remedies that exist independently from CRTPA.

## 20. Circumstances beyond your control

- 24.6 If there is a Specific Change in Law or one is likely to happen during the Contract Period the Supplier must give CCS and the Buyer notice of the likely effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, Framework Prices or a Contract and provide evidence:
- (a) that the Supplier has kept costs as low as possible, including in Subcontractor costs; and
  - (b) of how it has affected the Supplier's costs.
- 24.7 Any change in the Framework Prices or relief from the Supplier's obligations because of a Specific Change in Law must be implemented using Clauses 24.1 to 24.4.
- 24.8 For 101(5) of the Regulations, if the Court declares any Variation ineffective, the Parties agree that their mutual rights and obligations will be regulated by the terms of the Contract as they existed immediately prior to that Variation and as if the Parties had never entered into that Variation.
