Dear

**STARTwo Framework Agreement: Contract Amendment no.1 - TTWO0181  
Transport Modelling –**

**This agreement is on 3 May 2022**

On behalf of the Secretary of State for Transport, I am writing regarding the agreement made on 27 January 2022 between the Department for Transport (*"the Employer"*) and APS Partnership Limited (*"the Supplier"*) regarding the above work package order.

I can confirm that the agreement has now been varied in Time only. The agreement has been extended until 2 July 2022 and in accordance with the same Terms and Conditions as specified in the original agreement of 27 January 2022. The contract amendment is required to complete the appraisal of strategic models to support major highway infrastructure business cases. The contract value remains unchanged.

The Supplier's services under this Work Package Order will continue to be charged on a Time Charge Option E as governed by the NEC4 Professional Services Contract June 2017.

Please acknowledge receipt and acceptance of this letter by signing and returning a copy to me. Please contact to discuss detailed arrangements for the continuation of this work package.

Yours sincerely,

IN WITNESS WHEREOF the Parties have entered into the Agreement on the date written above.
