- 18.2 The Supplier shall:
- 18.2.1 comply with the reasonable requirements of the Customer's security arrangements;
 - 18.2.2 comply with all the Customer's health and safety measures;
 - 18.2.3 notify the Customer immediately in the event of any incident occurring in the performance of its obligations under the Agreement on the Customer's premises where that incident causes any personal injury or damage to property which could give rise to personal injury;
 - 18.2.4 perform its obligations under the Agreement in accordance with all applicable equality Law and the Customer's equality and diversity policy as provided to the Supplier from time to time;
 - 18.2.5 take all reasonable steps to secure the observance of clause 18.2.4 by all Staff; and
 - 18.2.6 supply the Goods and any packaging in accordance with the Customer's environmental policy as provided from time to time.
- 18.3 The Goods shall be packed and marked in a proper manner and in accordance with any instructions specified in the Award Letter, any statutory requirements and any requirements of the carriers. All packaging materials shall be considered non-returnable. The Supplier shall indemnify the Customer against all actions, suits, claims, demands, losses, charges, costs and expenses which the Customer may suffer or incur as a result of, or in connection with, any breach of this clause 18.3.

18.4 The Supplier shall comply with, and shall ensure that its Staff shall comply with, the provisions of:

18.4.1 the Official Secrets Acts 1911 to 1989; and

18.4.2 section 182 of the Finance Act 1989.

19 Prevention of Fraud and Corruption

19.1 The Supplier shall not offer, give, or agree to give anything, to any person an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of the Agreement or for showing or refraining from showing favour or disfavour to any person in relation to the Agreement.

19.2 The Supplier shall take all reasonable steps, in accordance with good industry practice, to prevent fraud by the Staff and the Supplier (including its shareholders, members and directors) in connection with the Agreement and shall notify the Customer immediately if it has reason to suspect that any fraud has occurred or is occurring or is likely to occur.

19.3 If the Supplier or the Staff engages in conduct prohibited by clause 19.1 or commits fraud in relation to the Agreement or any other contract with the Crown (including the Customer) the Customer may:

19.3.1 terminate the Agreement and recover from the Supplier the amount of any loss suffered by the Customer resulting from the termination, including the cost reasonably incurred by the Customer of making other arrangements for the supply of the Goods and any additional expenditure incurred by the Customer throughout the remainder of the Agreement; or

19.3.2 recover in full from the Supplier any other loss sustained by the Customer in consequence of any breach of this clause.

20 Dispute Resolution

20.1 The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Agreement and such efforts shall involve the escalation of the dispute to an appropriately senior representative of each Party.

20.2 If the dispute cannot be resolved by the Parties within one month of being escalated as referred to in clause 20.1, the dispute may by agreement between the Parties be referred to a neutral adviser or mediator (the “**Mediator**”) chosen by agreement between the Parties. All negotiations connected with the dispute shall be conducted in confidence and without prejudice to the rights of the Parties in any further proceedings.

20.3 If the Parties fail to appoint a Mediator within one month, or fail to enter into a written agreement resolving the dispute within one month, of the Mediator being appointed, either Party may exercise any remedy it has under applicable law.

21 General

21.1 Each of the Parties represents and warrants to the other that it has full capacity and authority, and all necessary consents, licences and permissions to enter into and perform its obligations under the Agreement, and that the Agreement is executed by its duly authorised representative.

21.2 A person who is not a party to the Agreement shall have no right to enforce any of its provisions which, expressly or by implication, confer a benefit on him, without the prior written agreement of the Parties.

- 21.3 The Agreement cannot be varied except in writing signed by a duly authorised representative of both the Parties.
- 21.4 The Agreement contains the whole agreement between the Parties and supersedes and replaces any prior written or oral agreements, representations or understandings between them. The Parties confirm that they have not entered into the Agreement on the basis of any representation that is not expressly incorporated into the Agreement. Nothing in this clause shall exclude liability for fraud or fraudulent misrepresentation.
- 21.5 Any waiver or relaxation either partly, or wholly of any of the terms and conditions of the Agreement shall be valid only if it is communicated to the other Party in writing and expressly stated to be a waiver. A waiver of any right or remedy arising from a breach of contract shall not constitute a waiver of any right or remedy arising from any other breach of the Agreement.
- 21.6 The Agreement shall not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in the Agreement. Neither Party shall have, nor represent that it has, any authority to make any commitments on the other Party's behalf.
- 21.7 Except as otherwise expressly provided by the Agreement, all remedies available to either Party for breach of the Agreement (whether under the Agreement, statute or common law) are cumulative and may be exercised concurrently or separately, and the exercise of one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.
- 21.8 If any provision of the Agreement is prohibited by law or judged by a court to be unlawful, void or unenforceable, the provision shall, to the extent required, be severed from the Agreement and rendered ineffective as far as possible without modifying the remaining provisions of the Agreement, and shall not in any way affect any other circumstances of or the validity or enforcement of the Agreement.

22 Notices

- 22.1 Any notice to be given under the Agreement shall be in writing and may be served by personal delivery, first class recorded or, subject to clause 22.3, e-mail to the address of the relevant Party set out in the Award Letter, or such other address as that Party may from time to time notify to the other Party in accordance with this clause.
- 22.2 Notices served as above shall be deemed served on the Working Day of delivery provided delivery is before 5.00pm on a Working Day. Otherwise delivery shall be deemed to occur on the next Working Day. An email shall be deemed delivered when sent unless an error message is received.
- 22.3 Notices under clauses 16 (Force Majeure) and 17 (Termination) may be served by email only if the original notice is then sent to the recipient by personal delivery or recorded delivery in the manner set out in clause 22.1.

23 Governing Law and Jurisdiction

- 23.1 The validity, construction and performance of the Agreement, and all contractual and non contractual matters arising out of it, shall be governed by English law and shall be subject to the exclusive jurisdiction of the English courts to which the Parties submit.

6. Performance Management Framework (including Key Performance Indicators (KPIs and Service Credits))

6.1 Performance Management

6.2 As part of the Authority's continuous drive to improve the performance of all Contracts, this Performance Management Framework (PMF) will be used to monitor, measure and control all aspects of the Contractor's performance of contract responsibilities.

6.3 The purpose of the PMF is to set out the obligations on the Contractor, to outline how the Contractor's performance will be evaluated and to detail the sanctions for performance failure. The Contractor is responsible for the performance of any sub-contractors.

6.4 Key Performance Indicators (KPIs) are essential to align Contractor performance with the requirements of the Authority and to do so in a fair and practical way. KPIs must be realistic, achievable, and set to indicate where the service is failing if they are not achieved. Without the additional use of service credits, failure to meet KPIs will strain the relationship as delivery falls short of agreed performance standards. As a result, the only recourse would be to terminate the contract and seek an alternative Contractor.

- 6.5 The use of a strong service credit regime accompanied by a proactive approach to correcting failures and addressing their cause improves the relationship and enables a partnership rather than a confrontational style of working. Its focus is on managing and improving service. It is not about taking cost out of the service.
- 6.6 KPIs are set out at Annex A below. They will be monitored on a monthly, quarterly or annual basis as appropriate to the service and will form part of the contract performance review.
- 6.7 The Authority will be entitled to refine, vary or modify the KPIs, performance standards and service credits from time to time during the Contract Period through a variation to be agreed with the Contractor using a Contract Change Note (CCN).
- 6.8 Where a KPI has a percentage measure, the Contractor's performance will be rounded to the nearest whole number.
- 6.9 The Authority will produce a quarterly Performance Management report, to be sent to the Contractor, detailing the Contractor's performance against KPIs.
- 6.10 The Contractor will maintain their own management reports, including Issues Log, which will include detail on periodic checks to ensure quality.
- 6.11 Any performance issues highlighted in the monthly reports will be addressed by the Contractor, who will be required to provide an improvement plan to address all issues highlighted within a week of receipt of the report. Quarterly performance management reports and KPI performance will be a key feature of Contract Review meetings.
- 6.12 Where performance failure attributable to the Contractor is identified in the Performance Management report and relates to the KPIs then the service credit regime may apply, at the sole discretion of the Authority.

7. Service Credits

- 7.1 The use of service credits is governed by the following principles:
- 7.2 Service credits sit within the wider service management approach being pursued by the Contractor and the Authority. Use of service credits does not preclude any other remedy for failure of performance available to the Authority under the terms and conditions of the contract.
- 7.3 The service credit regime will be instigated on each occasion when there is a service failure (i.e. where a KPI is identified as having a 'Red status') within the performance monitoring period. Failure to meet a KPI may also give rise to a remediation plan.
- KPIs with a service credit rating of 0 will have no associated service credit
 - KPIs with a service credit rating of 1 will have a service credit of 3% of the invoice amount for the monitoring period, applied for each KPI failure

- KPIs with a service credit rating of 2 will have a service credit of 5% of the invoice amount for the monitoring period, applied for each KPI failure
- The maximum annual service credit to be applied will be no more than 10% of the total annual contract value per Contractor.

- 7.4 The Contractor will provide the Authority with the information listed in the Specification and such other supporting information as the Authority may reasonably request in order to determine the proper application of any service credits due.
- 7.5 For services where the Contractor is paid by the Authority, service credits will be paid to the Authority as a credit note to the next invoice.
- 7.6 For services where the Contractor recovers costs directly, service credits will be paid to individual users of the service as a credit note to their next invoice. The Contractor will propose how the service credit amounts will be applied to each user of the service.
- 7.7 The full, agreed service credit regime will operate from the initial delivery date until the end of the Contract Period. At the end of the first complete performance monitoring period, the Authority and the Contractor will enter into good faith discussions to review the KPIs and assess their effectiveness. The KPIs may be adjusted to ensure that they are appropriate and achievable.
