PART 3 - SERVICE LEVELS AND SERVICE CREDITS

1. Scope

This Part 3 sets out the Service Levels which the Supplier is required to achieve when delivering the Services, the mechanism by which Service failures will be managed and the method by which the Supplier's performance of the Services by the Supplier will be monitored. This schedule comprises:

- i) Service Levels;
 - ii) Performance Monitoring; and
- Appendix A - Service Levels and Service Credits.

2. Principal Points

2.1. The objectives of the Service Levels and Service Credits are to:

- 2.1.1. ensure that the Services are of a consistently high quality and meet the requirements of the Buyer;
- 2.1.2. provide a mechanism whereby the Buyer can attain meaningful recognition of inconvenience and/or loss resulting from the Supplier's failure to deliver the level of Service for which it has contracted to deliver; and
- 2.1.3. incentivise the Supplier to meet the Service Levels and to remedy any failure to meet the Service Levels expeditiously.

(i) SERVICE LEVELS

3. Service Levels

- 3.1. The Appendix A of this Part 3 sets out Service Levels the performance of which the parties have agreed to measure.
- 3.2. The Supplier shall monitor its performance of each of the Services referred to in Appendix A by reference to the Service Level(s) for that part of the Service and shall send the Buyer a report detailing the level of service which was achieved in accordance with the provisions of the Performance Monitoring section (ii) of this Part 3.
- 3.3. If, and on each monthly occasion when, the level of performance of the Supplier of any element of the Services during the Call-Off Contract term fails to achieve the Service Level in respect of that element of the Service, then the Buyer shall make a deduction from the Call-Off Contract charges in accordance with Appendix A to this schedule 1 Part 3.
 - 3.3.1. In no event will the total Service Credits applicable in respect of any month exceed 20% of the total value of the invoice for the operational services in the month during which the service failure(s) occurred.
 - 3.3.2. Service Credits shall represent the sole and exclusive remedy in respect of failure to meet the Service Levels.

- 3.3.3. Subject to clause 3.3.2, in the event the Supplier falls below the Service Level Thresholds set for each SLA, in three (3) consecutive months in any twelve (12) month period, the Buyer shall have the option to terminate this Call-Off Contract in accordance with clause 23.4.

(ii) PERFORMANCE MONITORING

1. Principal Points

- 1.1 This Section (ii) provides the methodology for monitoring the Services:
- 1.1.1 to ensure that the Supplier is complying with the Service Levels; and
 - 1.1.2 for identifying any failures to achieve Service Levels in the performance of the Supplier and/or delivery of the Services ("Performance Monitoring System").
- 1.2 Within 20 Working Days of the Commencement Date the Supplier shall provide the Buyer with details of how the process in respect of the monitoring and reporting of Service Levels will operate between the Parties and the Parties will endeavour to agree such process as soon as reasonably possible.
- 1.3 The Buyer may monitor the performance of the Services by the Supplier the continuous improvement and feedback provided through satisfaction surveys, provided that the Buyer shall take all reasonable steps to ensure that such monitoring does not unduly disrupt the business of the Supplier and/or its ability to discharge its obligations under this Call-Off Contract.
- 1.4 The Supplier shall co-operate, and shall procure that its Sub-Contractors co-operate, with the Buyer in carrying out the monitoring referred to in paragraph 1.3 at no additional charge to the Buyer to the extent that the monitoring does not unduly disrupt the business of the Supplier and/or its ability discharge its obligations under this Call-Off Contract.

2. Reporting of Service Failures

The Supplier shall report all failures to achieve Service Levels and any Critical Service Failure to the Buyer in accordance with the processes agreed in paragraph 1.2 above.

3. Performance Monitoring and Performance Review

- 3.1 The Supplier shall provide the Buyer with reports (the "Performance Monitoring Reports") in accordance with the process and timescales agreed pursuant to paragraph 1.2 above which shall contain, as a minimum, the following information in respect of the relevant period just ended:
- 3.1.1 for each Service Level, the actual performance achieved over the Service Level for the relevant period;
 - 3.1.2 a summary of all failures to achieve Service Levels that occurred during that period;

- 3.1.3 any Critical Service Failures and details in relation thereto;
 - 3.1.4 for any repeat failures, actions taken to resolve the underlying cause and prevent recurrence;
 - 3.1.5 the Service Credits to be applied in respect of the relevant period indicating the failures and Service Levels to which the Service Credits relate; and
 - 3.1.6 such other details as the Buyer may reasonably require from time to time.
- 3.2 The parties shall discuss the Performance Monitoring Reports at the Service Review meetings.
- 3.3 The Buyer shall be entitled to raise any additional questions and/or request any further information regarding any failure to achieve Service Levels.
- 3.4 The Supplier shall provide to the Buyer such supporting documentation as the Buyer may reasonably require in order to verify the level of the performance by the Supplier and the calculations of the amount of Service Credits for any specified period.

APPENDIX A - Service Levels and Severity Levels

	Payroll	Service ["x" indicates that the SLA is applicable to that Service]	SLA	
		Fully Managed		
1	Accuracy in transfer of net pay values (The Supplier must ensure that nett pay values contained in the main salaries file are transmitted to BACS for transfer to the correct bank accounts on pay day and in accordance with the agreed processing schedules)	X	100.00 %	i.e. no errors = 100%
2	General Payroll Application Output distributed 24 hours + after deadline	X	100.00 %	
3	Service availability (Refers to payroll system availability)	X	97.00%	Mon - Fri 08:00 - 18:00 excl. bank holidays
4	Helpdesk availability	X (view only and report writing queries)	100.00 %	Mon - Fri 08:00 - 18:00 excl. bank holidays
5	Net Pay accuracy at time payroll is returned to Buyer	X	98.50%	

The Service Credits shall be calculated on the basis of the following formula and worked example:

Formula - 100% of the stated service level = x% of the value of the invoice for the period during which the service failure occurred to be deducted from the next invoice payable by the Buyer.

Worked example - 100% (e.g. Service Level requirement for data accuracy) - 85% (e.g. accuracy of data) = 15% of the value of the invoice for the period during which the service failure occurred to be deducted from the next invoice payable by the Buyer

In the event that a system error causing the helpdesk to be unavailable due to the integrated nature of the solution provided the Supplier shall pay the Buyer the appropriate service credit relating to system availability only and not an additional service credit for helpdesk availability.

In the event that a system error causes more than one service (HR, Payroll or Finance) to be unavailable the Supplier shall pay the Buyer a service credit for only one system unavailability measure rather than multiple system unavailability measures.

11.1 Force majeure

11.1.1 For the purposes of this Agreement, the expression “Force Majeure Event” will mean any cause affecting the performance by a party of its obligations under this Agreement arising from acts, events, omissions, happenings or non-happenings beyond its reasonable control, including acts of God, riots, war or armed conflict, acts of terrorism, acts of government, local government or Regulatory Bodies, fire, flood, storm or earthquake, or disaster but excluding any industrial dispute relating to any party, the party's personnel or any other failure of a Subcontractor.

11.1.2 Subject to the remaining provisions of this clause 11.1, any party to this Agreement may claim relief from liability for non-performance of its obligations to the extent this is due to a Force Majeure Event.

11.1.3 A party cannot claim relief if the Force Majeure Event or its level of exposure to the event is attributable to its wilful act, neglect or failure to take reasonable precautions against the relevant Force Majeure Event.

11.1.4 The affected party will immediately give the other parties written notice of the Force

Majeure Event. The notification will include details of the Force Majeure Event

together with evidence of its effect on the obligations of the affected party, and any action the affected party proposes to take to mitigate its effect.

11.1.5 The affected party will notify the other parties in writing as soon as practicable after the Force Majeure Event ceases or no longer causes the affected party to be unable to comply with its obligations under this Agreement. Following the notification, this Agreement will continue to be performed on the terms existing immediately before the Force Majeure Event unless agreed otherwise in writing by the parties.

11.2 Assignment and subcontracting

11.2.1 Subject to clause 11.2.2, the Collaboration Suppliers will not assign, transfer, novate, sub-license or declare a trust in respect of its rights under all or a part of this Agreement or the benefit or advantage without the prior written consent of the Buyer.

11.2.2 Any subcontractors identified in the Detailed Collaboration Plan can perform those elements identified in the Detailed Collaboration Plan to be performed by the Subcontractors.

11.3 Notices

11.3.1 Any notices given under or in relation to this Agreement will be deemed to have been properly delivered if sent by recorded or registered post or by fax and will be deemed for the purposes of this Agreement to have been given or made at the time the letter would, in the ordinary course of post, be delivered or at the time shown on the sender's fax transmission report.

11.3.2 For the purposes of clause 11.3.1, the address of each of the parties are those in the Detailed Collaboration Plan.

11.4 Entire agreement

11.4.2 Each of the parties agrees that in entering into this Agreement and the documents and agreements referred to in it does not rely on, and will have no remedy in respect of, any statement, representation, warranty or undertaking (whether negligently or innocently made) other than as expressly set out in this Agreement. The only remedy available to each party in respect of any statements, representation, warranty or understanding will be for breach of contract under the terms of this Agreement.

11.4.3 Nothing in this clause 11.4 will exclude any liability for fraud.

11.5 Rights of third parties

Nothing in this Agreement will grant any right or benefit to any person other than the parties or their respective successors in title or assignees, or entitle a third party to enforce any provision and the parties do not intend that any term of this Agreement should be enforceable by a third party by virtue of the Contracts (Rights of Third Parties) Act 1999.

11.6 Severability

If any provision of this Agreement is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, that provision will be severed without effect to the remaining provisions. If a provision of this Agreement that is fundamental to the accomplishment of the purpose of this Agreement is held to any extent to be invalid, the parties will immediately commence good faith negotiations to remedy that invalidity.

11.7 Variations

No purported amendment or variation of this Agreement or any provision of this Agreement will be effective unless it is made in writing by the parties.

11.8 No waiver

The failure to exercise, or delay in exercising, a right, power or remedy provided by this Agreement or by law will not constitute a waiver of that right, power or remedy. If a party waives a breach of any provision of this Agreement this will not operate as a waiver of a subsequent breach of that provision, or as a waiver of a breach of any other provision.

11.9 Governing law and jurisdiction

Definitions and interpretation

In this Deed of Guarantee, unless defined elsewhere in this Deed of Guarantee or the context requires otherwise, defined terms will have the same meaning as they have for the purposes of the Call-Off Contract.

Term	Meaning
Call-Off Contract	Means [the Guaranteed Agreement] made between the Buyer and the Supplier on [insert date].
Guaranteed Obligations	Means all obligations and liabilities of the Supplier to the Buyer under the Call-Off Contract together with all obligations owed by the Supplier to the Buyer that are supplemental to, incurred under, ancillary to or calculated by reference to the Call-Off Contract.

References to this Deed of Guarantee and any provisions of this Deed of Guarantee or to any other document or agreement (including to the Call-Off Contract) apply now, and as amended, varied, restated, supplemented, substituted or novated in the future.

Unless the context otherwise requires, words importing the singular are to include the plural and vice versa.

References to a person are to be construed to include that person's assignees or transferees or successors in title, whether direct or indirect.

The words 'other' and 'otherwise' are not to be construed as confining the meaning of any following words to the class of thing previously stated if a wider construction is possible.

Unless the context otherwise requires:

- reference to a gender includes the other gender and the neuter
- references to an Act of Parliament, statutory provision or statutory instrument also apply if amended, extended or re-enacted from time to time

- any phrase introduced by the words 'including', 'includes', 'in particular', 'for example' or similar, will be construed as illustrative and without limitation to the generality of the related general words

References to liability are to include any liability whether actual, contingent, present or future.

Guarantee and indemnity

The Guarantor irrevocably and unconditionally guarantees that the Supplier duly performs all of the guaranteed obligations due by the Supplier to the Buyer.

If at any time the Supplier will fail to perform any of the guaranteed obligations, the Guarantor irrevocably and unconditionally undertakes to the Buyer it will, at the cost of the Guarantor:

- fully perform or buy performance of the guaranteed obligations to the Buyer
- as a separate and independent obligation and liability, compensate and keep the Buyer compensated against all losses and expenses which may result from a failure by the Supplier to perform the guaranteed obligations under the Call-Off Contract

As a separate and independent obligation and liability, the Guarantor irrevocably and unconditionally undertakes to compensate and keep the Buyer compensated on demand against all losses and expenses of whatever nature, whether arising under statute, contract or at common Law, if any obligation guaranteed by the guarantor is or becomes unenforceable, invalid or illegal as if the obligation guaranteed had not become unenforceable, invalid or illegal provided that the guarantor's liability will be no greater than the Supplier's liability would have been if the obligation guaranteed had not become unenforceable, invalid or illegal.

Obligation to enter into a new contract

If the Call-Off Contract is terminated or if it is disclaimed by a liquidator of the Supplier or the obligations of the Supplier are declared to be void or voidable, the Guarantor will, at the request of the Buyer, enter into a Contract with the Buyer in the same terms as the Call-Off Contract and the obligations of the Guarantor under such substitute agreement will be the same as if the Guarantor had been

original obligor under the Call-Off Contract or under an agreement entered into on the same terms and at the same time as the Call-Off Contract with the Buyer.

Demands and notices

Any demand or notice served by the Buyer on the Guarantor under this Deed of Guarantee will be in writing, addressed to:

**[Enter Address of the
Guarantor in England and Wales]**

**[Enter Email address of the
Guarantor representative]** For the Attention
of **[insert details]**

or such other address in England and Wales as the Guarantor has notified the Buyer in writing as being an address for the receipt of such demands or notices.

Any notice or demand served on the Guarantor or the Buyer under this Deed of Guarantee will be deemed to have been served if:

- delivered by hand, at the time of delivery
- posted, at 10am on the second Working Day after it was put into the post
- sent by email, at the time of despatch, if despatched before 5pm on any Working Day, and in any other case at 10am on the next Working Day

In proving Service of a notice or demand on the Guarantor or the Buyer, it will be sufficient to prove that delivery was made, or that the envelope containing the notice or demand was properly addressed and posted as a prepaid first class recorded delivery letter, or that the fax message was properly addressed and despatched.

Any notice purported to be served on the Buyer under this Deed of Guarantee will only be valid when received in writing by the Buyer.

Beneficiary's protections

The Guarantor will not be discharged or released from this Deed of Guarantee by:

- any arrangement made between the Supplier and the Buyer (whether or not such arrangement is made with the assent of the Guarantor)
- any amendment to or termination of the Call-Off Contract
- any forbearance or indulgence as to payment, time, performance or otherwise granted by the Buyer (whether or not such amendment, termination, forbearance or indulgence is made with the assent of the Guarantor)
- the Buyer doing (or omitting to do) anything which, but for this provision, might exonerate the Guarantor

This Deed of Guarantee will be a continuing security for the Guaranteed Obligations and accordingly:

- it will not be discharged, reduced or otherwise affected by any partial performance (except to the extent of such partial performance) by the Supplier of the Guaranteed Obligations or by any omission or delay on the part of the Buyer in exercising its rights under this Deed of Guarantee
- it will not be affected by any dissolution, amalgamation, reconstruction, reorganisation, change in status, function, control or ownership, insolvency, liquidation, administration, appointment of a receiver, voluntary arrangement, any legal limitation or other incapacity, of the Supplier, the Buyer, the Guarantor or any other person
- if, for any reason, any of the Guaranteed Obligations is void or unenforceable against the Supplier, the Guarantor will be liable for that purported obligation or liability as if the same
were fully valid and enforceable and the Guarantor were principal debtor
- the rights of the Buyer against the Guarantor under this Deed of Guarantee are in addition to, will not be affected by and will not prejudice, any other security, guarantee, indemnity or other rights or remedies available to the Buyer

The Buyer will be entitled to exercise its rights and to make demands on the Guarantor under this Deed of Guarantee as often as it wishes. The making of a demand (whether effective, partial or defective) relating to the breach or non-performance by the Supplier of any Guaranteed Obligation will not preclude the Buyer from making a further demand relating to the same or some other Default regarding the same Guaranteed Obligation.

The Buyer will not be obliged before taking steps to enforce this Deed of Guarantee against the Guarantor to:

- obtain judgment against the Supplier or the Guarantor or any third party in any court

- make or file any claim in a bankruptcy or liquidation of the Supplier or any third party
- take any action against the Supplier or the Guarantor or any third party
- resort to any other security or guarantee or other means of payment

No action (or inaction) by the Buyer relating to any such security, guarantee or other means of payment will prejudice or affect the liability of the Guarantor.

The Buyer's rights under this Deed of Guarantee are cumulative and not exclusive of any rights provided by Law. The Buyer's rights may be exercised as often as the Buyer deems expedient. Any waiver by the Buyer of any terms of this Deed of Guarantee, or of any Guaranteed Obligations, will only be effective if given in writing and then only for the purpose and upon the terms and conditions on which it is given.

Any release, discharge or settlement between the Guarantor and the Buyer will be conditional upon no security, disposition or payment to the Buyer by the Guarantor or any other person being void, set aside or ordered to be refunded following any enactment or Law relating to liquidation, administration or insolvency or for any other reason. If such condition will not be fulfilled, the Buyer will be entitled to enforce this Deed of Guarantee subsequently as if such release, discharge or settlement had not occurred and any such payment had not been made. The Buyer will be entitled to retain this security before and after the payment, discharge or satisfaction of all monies, obligations and liabilities that are or may become due owing or incurred to the Buyer from the Guarantor for such period as the Buyer may determine.

Representations and warranties

The Guarantor hereby represents and warrants to the Buyer that:

- the Guarantor has power to carry on its business as now being conducted and to own its Property and other assets

- the execution and delivery by the Guarantor of this Deed of Guarantee and the performance by the Guarantor of its obligations under this Deed of Guarantee including entry into and performance of a Call-Off Contract

following Clause 3) have been duly authorised by all necessary corporate action and do not contravene or conflict with:

- the Guarantor's memorandum and articles of association or other equivalent constitutional documents, any existing Law, statute, rule or Regulation or any judgment, decree or permit to which the Guarantor is subject
- the terms of any agreement or other document to which the Guarantor is a party or which is binding upon it or any of its assets
- all governmental and other authorisations, approvals, licences and consents, required or desirable

This Deed of Guarantee is the legal valid and binding obligation of the Guarantor and is enforceable against the Guarantor in accordance with its terms.

Payments and set-off

All sums payable by the Guarantor under this Deed of Guarantee will be paid without any set-off, lien or counterclaim, deduction or withholding, except for those required by Law. If any deduction or withholding must be made by Law, the Guarantor will pay that additional amount to ensure that the Buyer receives a net amount equal to the full amount which it would have received if the payment had been made without the deduction or withholding.

The Guarantor will pay interest on any amount due under this Deed of Guarantee at the applicable rate under the Late Payment of Commercial Debts (Interest) Act 1998, accruing on a daily basis from the due date up to the date of actual payment, whether before or after judgment.

The Guarantor will reimburse the Buyer for all legal and other costs (including VAT) incurred by the Buyer in connection with the enforcement of this Deed of Guarantee.

Guarantor's acknowledgement

The Guarantor warrants, acknowledges and confirms to the Buyer that it has not entered into this

Deed of Guarantee in reliance upon the Buyer nor been induced to enter into this Deed of

Guarantee by any representation, warranty or undertaking made by, or on behalf of the Buyer, (whether express or implied and whether following statute or otherwise) which is not in this Deed of Guarantee.

Assignment

The Buyer will be entitled to assign or transfer the benefit of this Deed of Guarantee at any time to any person without the consent of the Guarantor being required and any such assignment or transfer will not release the Guarantor from its liability under this Guarantee.

The Guarantor may not assign or transfer any of its rights or obligations under this Deed of Guarantee.

Severance

If any provision of this Deed of Guarantee is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision will be severed and the remainder of the provisions will continue in full force and effect as if this Deed of Guarantee had been executed with the invalid, illegal or unenforceable provision eliminated.

Third-party rights

A person who is not a Party to this Deed of Guarantee will have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Deed of Guarantee. This Clause does not affect any right or remedy of any person which exists or is available otherwise than following that Act.

Governing law

This Deed of Guarantee, and any non-Contractual obligations arising out of or in connection with it, will be governed by and construed in accordance with English Law.

The Guarantor irrevocably agrees for the benefit of the Buyer that the courts of England will have jurisdiction to hear and determine any suit, action or proceedings and to settle any dispute which may arise out of or in connection with this Deed of Guarantee and for such purposes hereby irrevocably submits to the jurisdiction of such courts.

Nothing contained in this Clause will limit the rights of the Buyer to take proceedings against the Guarantor in any other court of competent jurisdiction, nor will the taking of any such proceedings in one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not (unless precluded by applicable Law).

The Guarantor irrevocably waives any objection which it may have now or in the future to the courts of England being nominated for this Clause on the ground of

venue or otherwise and agrees not to claim that any such court is not a convenient or appropriate forum.

[The Guarantor hereby irrevocably designates, appoints and empowers **[enter the Supplier name]** [or a suitable alternative to be agreed if the Supplier's registered office is not in England or Wales] either at its registered office or on fax number **[insert fax number]** from time to time to act as its authorised agent to receive notices, demands, Service of process and any other legal summons in England and Wales for the purposes of any legal action or proceeding brought or to be brought by the Buyer in respect of this Deed of Guarantee.
