RM6160 - Non Clinical Temporary and Fixed Term Staff – Reserved Rights for Crown Commercial Service Framework Agreement

If the Authority decides to enter into a Framework Agreement with the successful Supplier(s), this does not mean that there is any guarantee of subsequent contracts being awarded. Any expenditure, work or effort undertaken prior to Framework award is accordingly a matter solely for the commercial judgement of Bidders. Any orders placed under this Framework Agreement will form a separate contract under the scope of this Framework between the Supplier and the specific requesting other Contracting Authority. The Authority and other Contracting Authorities utilising the Framework reserve the right to use any electronic portal during the life of the Agreement.

If during standstill we do receive a substantive challenge to our decision to award and the challenge is for a certain lot, we reserve the right, to conclude a framework contract with successful bidders for the lot(s) that have not been challenged.
