If any transfer of Personal Data which is subject to EU GDPR pursuant to this Contract is not covered by the UK

Adequacy Decision or at any time during the term of the Contract the UK Adequacy Decision is:

- (a) withdrawn, invalidated, overruled or otherwise ceases to have effect, or
- (b) amended in such a way as to affect the transfers of Personal Data outside of the EU which are contemplated under this Contract,
- (c) Clauses 21.29 to 21.30 below shall apply.

21.29 The Parties agree:

- (a) that without any further action being required they have entered into the Standard Contractual Clauses in the European Commission's decision 2021/914/EU in respect of data transfers by the Supplier outside of the EU to the UK;
- (b) that, where no other appropriate safeguard or exemption applies, that the Personal Data subject to this Contract (and to which Chapter V of the EU GDPR applies) will be transferred in accordance with those Standard Contractual Clauses as of the date the Parties entered into those Standard Contractual Clauses;
- (c) to use best endeavours to complete the annexes to the Standard Contractual Clauses promptly and at their own cost for the purpose of giving full effect to them; and
- (d) that if there is any conflict between this Contract and the Standard Contractual Clauses the terms of the Standard Contractual Clauses shall apply.

21.30 In the event that the European Commission updates, amends, substitutes, adopts or publishes new Standard Contractual Clauses from time to time, the Parties agree:

- (a) that the most up to date Standard Contractual Clauses from time to time shall be automatically incorporated in place of those in use at the time of such update, amendment, substitution, adoption or publication and that such incorporation is not a Change;
- (b) that where no other appropriate safeguard or exemption applies, that the Personal Data subject to this Contract (and to which Chapter V of the EU GDPR applies) will be transferred in accordance with the relevant form of the most up to date Standard Contractual Clauses as of the date the European Commission decision regarding such new Standard Contractual Clauses becomes effective;
- (c) to use best endeavours to complete any part of the most up to date Standard Contractual Clauses that a Party must complete promptly and at their own cost for the purpose of giving full effect to them; and
- (d) that if there is any conflict between this Contract and the most up to date Standard Contractual Clauses the terms of the most up to date Standard Contractual Clauses shall apply.

22 Publicity and Branding

22.1 The Supplier shall not:

- (a) make any press announcements or publicise this Contract or its contents in any way; or
- (b) use the Authority's name or brand in any promotion or marketing or announcement of orders;

without the prior written consent of the Authority, which shall not be unreasonably withheld or delayed.

- 22.2 Each Party acknowledges to the other that nothing in this Contract either expressly or by implication constitutes an endorsement of any products or services of the other Party (including the Services, the Supplier System and the Authority System) and each Party agrees not to conduct itself in such a way as to imply or express any such approval or endorsement.

Section G: Liability, Indemnities and Insurance

23 Limitations on Liability

- (a) the Supplier's aggregate liability in respect of loss of or damage to the Authority Premises or other property or assets of the Authority (including technical infrastructure, assets or equipment but excluding any loss or damage to the Authority's Data or any other data) that is caused by Defaults of the Supplier occurring in each and any Contract Year shall in no event exceed £5 million;

provided that where any Losses referred to this Clause 23.4(d) have been incurred by the Authority as a result of the Supplier's abandonment of this Contract or the Supplier's wilful breach of a fundamental term of this Contract or wilful repudiatory breach of this Contract or the Supplier's aggregate liability in respect of the indemnity at Clause 3.8, the references in such Clause to 150% shall be deemed to be references to 200%.

- 23.5 Deductions from Charges shall not be taken into consideration when calculating the Supplier's liability under Clause 23.4(c).
- 23.6 Subject to Clauses 23.1 and 23.3 (*Unlimited Liability*) and Clause 23.7 (*Consequential Losses*) and without prejudice to the Authority's obligation to pay the Charges as and when they fall due for payment:
 - (a) the Authority's total aggregate liability in respect of all Losses incurred by the Supplier under or in connection with this Contract as a result of early termination of this Contract by the Authority pursuant to Clause 31.1(a) (*Termination by the Authority*) or by the Supplier pursuant to Clause 31.3(a) (*Termination by the Supplier*) shall in no event exceed the following amounts:

- 23.7 Subject to Clauses 23.1, 23.2 and 23.3 (*Unlimited Liability*) and Clause 23.8 (*Consequential Losses*), neither Party shall be liable to the other Party for:
- (a) any indirect, special or consequential Loss; and/or
 - (b) any loss of profits, turnover, business opportunities or damage to goodwill (in each case whether direct or indirect).
- 23.8 Notwithstanding Clause 23.7 but subject to Clause 23.4, the Supplier acknowledges that the Authority may, amongst other things, recover from the Supplier the following Losses incurred by the Authority to the extent that they arise as a result of a Default by the Supplier:
- (a) any additional operational and/or administrative costs and expenses incurred by the Authority, including costs relating to time spent by or on behalf of the Authority in dealing with the consequences of the Default;
 - (b) any wasted expenditure or charges;
 - (c) the additional cost of procuring Replacement Services for the remainder of the Term and/or replacement Deliverables, which shall include any incremental costs associated with such Replacement Services and/or replacement Deliverables above those which would have been payable under this Contract;

made by a third person against the Party having (or claiming to have) the benefit of the indemnity.

Mitigation

- 23.10 Each Party shall use all reasonable endeavours to mitigate any loss or damage suffered arising out of or in connection with this Contract, including any Losses for which the relevant Party is entitled to bring a claim against the other Party pursuant to the indemnities in this Contract.

24 Insurance

- 24.1 The Supplier shall comply with the provisions of Schedule 6 (*Insurance Requirements*) in relation to obtaining and maintaining insurance.

Section H: Remedies and Relief

25 Rectification Plan Process

- 25.1 In the event that:

- (a) there is, or is reasonably likely to be, a Delay; and/or
- (b) in any Service Period there has been:
 - (i) a Material KPI Failure; and/or
 - (ii) a Material PI Failure; and/or
- (c) the Supplier commits a Material Default that is capable of remedy,

(each a **Notifiable Default**), the Supplier shall notify the Authority of the Notifiable Default as soon as practicable but in any event within 3 Working Days of becoming aware of the Notifiable Default, detailing the actual or anticipated effect of the Notifiable Default and, unless the Notifiable Default also constitutes a Rectification Plan Failure or other Supplier Termination Event, the Authority may not terminate this Contract in whole or in part on the grounds of the Notifiable Default without first following the Rectification Plan Process.

Notification

- 25.2 If:

- (a) the Supplier notifies the Authority pursuant to Clause 25.1 (*Rectification Plan Process*) that a Notifiable Default has occurred; or
- (b) the Authority notifies the Supplier that it considers that a Notifiable Default has occurred (setting out sufficient detail so that it is reasonably clear what the Supplier has to rectify),

then, unless the Notifiable Default also constitutes a Supplier Termination Event and the Authority serves a Termination Notice, the Supplier shall comply with the Rectification Plan Process.

- 25.3 The **Rectification Plan Process** shall be as set out in Clauses 25.4 (*Submission of the draft Rectification Plan*) to 25.9 (*Agreement of the Rectification Plan*).

Submission of the draft Rectification Plan

- 25.4 The Supplier shall submit a draft Rectification Plan to the Authority for it to review as soon as possible and in any event within 10 Working Days (or such other period as may be agreed between the Parties) after the original notification pursuant to Clause 25.2 (*Notification*). The Supplier shall submit a draft Rectification Plan even if the Supplier disputes that it is responsible for the Notifiable Default.
- 25.5 The draft Rectification Plan shall set out:
- (a) full details of the Notifiable Default that has occurred, including a root cause analysis;
 - (b) the actual or anticipated effect of the Notifiable Default; and
 - (c) the steps which the Supplier proposes to take to rectify the Notifiable Default (if applicable) and to prevent such Notifiable Default from recurring, including timescales for such steps and for the rectification of the Notifiable Default (where applicable).
- 25.6 The Supplier shall promptly provide to the Authority any further documentation that the Authority reasonably requires to assess the Supplier's root cause analysis. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined by an expert in accordance with Paragraph 6 of Schedule 23 (*Dispute Resolution Procedure*).

Agreement of the Rectification Plan

- 25.7 The Authority may reject the draft Rectification Plan by notice to the Supplier if, acting reasonably, it considers that the draft Rectification Plan is inadequate, for example because the draft Rectification Plan:
- (a) is insufficiently detailed to be capable of proper evaluation;
 - (b) will take too long to complete;
 - (c) will not prevent reoccurrence of the Notifiable Default; and/or
 - (d) will rectify the Notifiable Default but in a manner which is unacceptable to the Authority.
- 25.8 The Authority shall notify the Supplier whether it consents to the draft Rectification Plan as soon as reasonably practicable. If the Authority rejects the draft Rectification Plan, the Authority shall give reasons for its decision and the Supplier shall take the reasons into account in the preparation of a revised Rectification Plan. The Supplier shall submit the revised draft of the Rectification Plan to the Authority for review within 5 Working Days (or such other period as agreed between the Parties) of the Authority's notice rejecting the first draft.
- 25.9 If the Authority consents to the Rectification Plan:
- (a) the Supplier shall immediately start work on the actions set out in the Rectification Plan; and

- (b) the Authority may no longer terminate this Contract in whole or in part on the grounds of the relevant Notifiable Default;

save in the event of a Rectification Plan Failure or other Supplier Termination Event.

26 Delay Payments

- 26.1 If a Milestone has not been Achieved by its relevant Milestone Date, the provisions of Paragraph 1 of Part C of Schedule 15 (*Charges and Invoicing*) shall apply in relation to the payment of Delay Payments.
- 26.2 Delay Payments shall be the Authority's exclusive financial remedy for the Supplier's failure to Achieve a Milestone by its Milestone Date except where:
 - (a) the Authority is entitled to or does terminate this Contract pursuant to Clause 31.1(b) (*Termination by the Authority*); or
 - (b) the Delay exceeds the Delay Deduction Period.

27 Remedial Adviser

- 27.1 If:
 - (a) any of the Intervention Trigger Events occur; or
 - (b) the Authority reasonably believes that any of the Intervention Trigger Events are likely to occur,

(each an **Intervention Cause**), the Authority may give notice to the Supplier (an **Intervention Notice**) giving reasonable details of the Intervention Cause and requiring:

 - (c) a meeting between the Authority Representative and the Supplier Representative to discuss the Intervention Cause; and/or
 - (d) the appointment as soon as practicable by the Supplier of a Remedial Adviser, as further described in this Clause 27.

For the avoidance of doubt, if the Intervention Cause is also a Supplier Termination Event, the Authority has no obligation to exercise its rights under this Clause 27.1 prior to or instead of exercising its right to terminate this Contract.

- 27.2 If the Authority gives notice that it requires the appointment of a Remedial Adviser:
 - (a) the Remedial Adviser shall be:
 - (i) a person selected by the Supplier and approved by the Authority; or
 - (ii) if none of the persons selected by the Supplier have been approved by the Authority (or no person has been selected by the Supplier) within 10 Working Days following the date on which the Intervention Notice is given, a person identified by the Authority;
 - (b) the terms of engagement and start date agreed with the Remedial Adviser must be approved by the Authority; and

- (c) any right of the Authority to terminate this Contract pursuant to Clause 31.1(b) (*Termination by the Authority*) for the occurrence of that Intervention Cause shall be suspended for 60 Working Days from (and including) the date of the Intervention Notice (or such other period as may be agreed between the Parties)(the **Intervention Period**).

27.3 The Remedial Adviser's overall objective shall be to mitigate the effects of, and (to the extent capable of being remedied) to remedy, the Intervention Cause and to avoid the occurrence of similar circumstances in the future. In furtherance of this objective (but without diminishing the Supplier's responsibilities under this Contract), the Parties agree that the Remedial Adviser may undertake any one or more of the following actions:

- (a) observe the conduct of and work alongside the Supplier Personnel to the extent that the Remedial Adviser considers reasonable and proportionate having regard to the Intervention Cause;
- (b) gather any information the Remedial Adviser considers relevant in the furtherance of its objective;
- (c) write reports and provide information to the Authority in connection with the steps being taken by the Supplier to remedy the Intervention Cause;
- (d) make recommendations to the Authority and/or the Supplier as to how the Intervention Cause might be mitigated or avoided in the future; and/or
- (e) take any other steps that the Authority and/or the Remedial Adviser reasonably considers necessary or expedient in order to mitigate or rectify the Intervention Cause.

27.4 The Supplier shall:

- (a) work alongside, provide information to, co-operate in good faith with and adopt any reasonable methodology in providing the Services recommended by the Remedial Adviser;
- (b) ensure that the Remedial Adviser has all the access it may require in order to carry out its objective, including access to the Assets;
- (c) submit to such monitoring as the Authority and/or the Remedial Adviser considers reasonable and proportionate in respect of the Intervention Cause;
- (d) implement any reasonable recommendations made by the Remedial Adviser that have been approved by the Authority within the timescales given by the Remedial Adviser; and
- (e) not terminate the appointment of the Remedial Adviser prior to the end of the Intervention Period without the prior consent of the Authority (such consent not to be unreasonably withheld).

27.5 The Supplier shall be responsible for:

- (a) the costs of appointing, and the fees charged by, the Remedial Adviser; and

- (b) its own costs in connection with any action required by the Authority and/or the Remedial Adviser pursuant to this Clause 27.

27.6 If:

- (a) the Supplier:
 - (i) fails to perform any of the steps required by the Authority in an Intervention Notice; and/or
 - (ii) is in Default of any of its obligations under Clause 27.4; and/or
- (b) the relevant Intervention Trigger Event is not rectified by the end of the Intervention Period,

(each a **Remedial Adviser Failure**), the Authority shall be entitled to terminate this Contract pursuant to Clause 31.1(b) (*Termination by the Authority*).

28 Step-In Rights

28.1 On the occurrence of a Step-In Trigger Event, the Authority may serve notice on the Supplier (a **Step-In Notice**) that it will be taking action under this Clause 28 (*Step-in Rights*), either itself or with the assistance of a third party (provided that the Supplier may require any third parties to comply with a confidentiality undertaking equivalent to Clause 19 (*Confidentiality*)). The Step-In Notice shall set out the following:

- (a) the action the Authority wishes to take and in particular the Services that it wishes to control (the **Required Action**);
- (b) the Step-In Trigger Event that has occurred and whether the Authority believes that the Required Action is due to the Supplier's Default;
- (c) the date on which it wishes to commence the Required Action;
- (d) the time period which it believes will be necessary for the Required Action;
- (e) whether the Authority will require access to the Supplier's premises and/or the Sites; and
- (f) to the extent practicable, the impact that the Authority anticipates the Required Action will have on the Supplier's obligations to provide the Services during the period that the Required Action is being taken.

28.2 Following service of a Step-In Notice, the Authority shall:

- (a) take the Required Action set out in the Step-In Notice and any consequential additional action as it reasonably believes is necessary to achieve the Required Action;
- (b) keep records of the Required Action taken and provide information about the Required Action to the Supplier;

- (c) co-operate wherever reasonable with the Supplier in order to enable the Supplier to continue to provide the Services in relation to which the Authority is not assuming control; and
- (d) act reasonably in mitigating the cost that the Supplier will incur as a result of the exercise of the Authority's rights under this Clause 28.

28.3 For so long as and to the extent that the Required Action is continuing, then:

- (a) the Supplier shall not be obliged to provide the Services to the extent that they are the subject of the Required Action;
- (b) no Deductions shall be applicable in relation to Charges in respect of Services that are the subject of the Required Action and the provisions of Clause 28.4 shall apply to Deductions from Charges in respect of other Services; and
- (c) the Authority shall pay to the Supplier the Charges after subtracting any applicable Deductions and the Authority's costs of taking the Required Action.

28.4 If the Supplier demonstrates to the reasonable satisfaction of the Authority that the Required Action has resulted in:

- (a) the degradation of any Services not subject to the Required Action; or
- (b) the non-Achievement of a Milestone,

beyond that which would have been the case had the Authority not taken the Required Action, then the Supplier shall be entitled to an agreed adjustment of the Charges.

28.5 Before ceasing to exercise its step in rights under this Clause 28 the Authority shall deliver a written notice to the Supplier (a **Step-Out Notice**), specifying:

- (a) the Required Action it has actually taken; and
- (b) the date on which the Authority plans to end the Required Action (the **Step-Out Date**) subject to the Authority being satisfied with the Supplier's ability to resume the provision of the Services and the Supplier's plan developed in accordance with Clause 28.6.

28.6 The Supplier shall, following receipt of a Step-Out Notice and not less than 20 Working Days prior to the Step-Out Date, develop for the Authority's approval a draft plan (a **Step-Out Plan**) relating to the resumption by the Supplier of the Services, including any action the Supplier proposes to take to ensure that the affected Services satisfy the requirements of this Contract.

28.7 If the Authority does not approve the draft Step-Out Plan, the Authority shall inform the Supplier of its reasons for not approving it. The Supplier shall then revise the draft Step-Out Plan taking those reasons into account and shall re-submit the revised plan to the Authority for the Authority's approval. The Authority shall not withhold or delay its approval of the draft Step-Out Plan unnecessarily.

28.8 The Supplier shall bear its own costs in connection with any step-in by the Authority under this Clause 28, provided that the Authority shall reimburse the Supplier's reasonable

additional expenses incurred directly as a result of any step-in action taken by the Authority under:

- (a) limbs (c) or (d) of the definition of a Step-In Trigger Event; or
- (b) limbs (e) and (f) of the definition of a Step-in Trigger Event (insofar as the primary cause of the Authority serving the Step-In Notice is identified as not being the result of the Supplier's Default).

29 Authority Cause

29.1 Notwithstanding any other provision of this Contract, if the Supplier has failed to:

- (a) Achieve a Milestone by its Milestone Date;
- (b) provide the Operational Services in accordance with the Target Performance Levels; and/or
- (c) comply with its obligations under this Contract,

(each a **Supplier Non-Performance**),

and can demonstrate that the Supplier Non-Performance would not have occurred but for an Authority Cause, then (subject to the Supplier fulfilling its obligations in this Clause 29):

- (i) the Supplier shall not be treated as being in breach of this Contract to the extent the Supplier can demonstrate that the Supplier Non-Performance was caused by the Authority Cause;
- (ii) the Authority shall not be entitled to exercise any rights that may arise as a result of that Supplier Non-Performance:
 - (A) to terminate this Contract pursuant to Clause 31.1(b) (*Termination by the Authority*); or
 - (B) to take action pursuant to Clauses 27 (*Remedial Adviser*) or 28 (*Step-In*);
- (iii) where the Supplier Non-Performance constitutes the failure to Achieve a Milestone by its Milestone Date:
 - (A) the Milestone Date shall be postponed by a period equal to the period of Delay that the Supplier can demonstrate was caused by the Authority Cause;
 - (B) if the Authority, acting reasonably, considers it appropriate, the Implementation Plan shall be amended to reflect any consequential revisions required to subsequent Milestone Dates resulting from the Authority Cause;
 - (C) the Supplier shall have no liability to pay any Delay Payments associated with the Milestone to the extent that the Supplier can demonstrate that such failure was caused by the Authority Cause; and

- (D) the Supplier shall be entitled to claim compensation subject to and in accordance with the principles set out in Paragraph 2 of Part C of Schedule 15 (*Charges and Invoicing*); and/or
- (iv) where the Supplier Non-Performance constitutes a Performance Failure:
 - (A) the Supplier shall not be liable to accrue Service Credits;
 - (B) the Authority shall not be entitled to withhold any of the Service Charges pursuant to Clause 7.2(d)(ii) (*Performance Failures*);
 - (C) the Authority shall not be entitled to withhold and retain any Compensation for Unacceptable KPI Failure pursuant to Clause 7.4(a) (*Unacceptable KPI Failure*); and
 - (D) the Supplier shall be entitled to invoice for the Service Charges for the relevant Operational Services affected by the Authority Cause,

in each case, to the extent that the Supplier can demonstrate that the Performance Failure was caused by the Authority Cause.
- 29.2 In order to claim any of the rights and/or relief referred to in Clause 29.1, the Supplier shall as soon as reasonably practicable (and in any event within 10 Working Days) after becoming aware that an Authority Cause has caused, or is reasonably likely to cause, a Supplier Non-Performance, give the Authority notice (a **Relief Notice**) setting out details of:
 - (a) the Supplier Non-Performance;
 - (b) the Authority Cause and its effect, or likely effect, on the Supplier's ability to meet its obligations under this Contract;
 - (c) any steps which the Authority can take to eliminate or mitigate the consequences and impact of such Authority Cause; and
 - (d) the relief and/or compensation claimed by the Supplier.
- 29.3 Following the receipt of a Relief Notice, the Authority shall as soon as reasonably practicable consider the nature of the Supplier Non-Performance and the alleged Authority Cause and whether it agrees with the Supplier's assessment set out in the Relief Notice as to the effect of the relevant Authority Cause and its entitlement to relief and/or compensation, consulting with the Supplier where necessary.
- 29.4 The Supplier shall use all reasonable endeavours to eliminate or mitigate the consequences and impact of an Authority Cause, including any Losses that the Supplier may incur and the duration and consequences of any Delay or anticipated Delay.
- 29.5 Without prejudice to Clause 5.9 (*Continuing obligation to provide the Services*), if a Dispute arises as to:
 - (a) whether a Supplier Non-Performance would not have occurred but for an Authority Cause; and/or
 - (b) the nature and/or extent of the relief and/or compensation claimed by the Supplier,

either Party may refer the Dispute to the Dispute Resolution Procedure. Pending the resolution of the Dispute, both Parties shall continue to resolve the causes of, and mitigate the effects of, the Supplier Non-Performance.

- 29.6 Any Change that is required to the Implementation Plan or to the Charges pursuant to this Clause 29 shall be implemented in accordance with the Change Control Procedure.

30 Force Majeure

- 30.1 Subject to the remaining provisions of this Clause 30 (and, in relation to the Supplier, subject to its compliance with its obligations in Schedule 26 (*Service Continuity Plan and Corporate Resolution Planning*)), a Party may claim relief under this Clause 30 from liability for failure to meet its obligations under this Contract for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Supplier in performing its obligations under this Contract which results from a failure or delay by an agent, Sub-contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Supplier.
- 30.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.
- 30.3 If the Supplier is the Affected Party, it shall not be entitled to claim relief under this Clause 30 to the extent that consequences of the relevant Force Majeure Event:
- (a) are capable of being mitigated, but the Supplier has failed to do so;
 - (b) should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Contract; or
 - (c) are the result of the Supplier's failure to comply with its Service Continuity Plan (except to the extent that such failure is also due to a Force Majeure Event that affects the execution of the Service Continuity Plan).
- 30.4 Subject to Clause 30.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.
- 30.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- 30.6 Where, as a result of a Force Majeure Event:
- (a) an Affected Party fails to perform its obligations in accordance with this Contract, then during the continuance of the Force Majeure Event:

- (i) the other Party shall not be entitled to exercise any rights to terminate this Contract in whole or in part as a result of such failure other than pursuant to Clause 31.1(c) (*Termination by the Authority*) or Clause 31.3(b) (*Termination by the Supplier*); and
 - (ii) neither Party shall be liable for any Default arising as a result of such failure;
 - (b) the Supplier fails to perform its obligations in accordance with this Contract:
 - (i) the Authority shall not be entitled:
 - (A) during the continuance of the Force Majeure Event to exercise its rights under Clause 27 (*Remedial Adviser*) and/or Clause 28 (*Step-in Rights*) as a result of such failure;
 - (B) to receive Delay Payments pursuant to Clause 26 (*Delay Payments*) to the extent that the Achievement of any Milestone is affected by the Force Majeure Event; and
 - (C) to receive Service Credits, to withhold any of the Service Charges pursuant to Clause 7.2(d)(ii) (*Performance Failures*) or withhold and retain any of the Service Charges as compensation pursuant to Clause 7.4(a) (*Unacceptable KPI Failure*) to the extent that a Performance Failure has been caused by the Force Majeure Event; and
 - (ii) the Supplier shall be entitled to receive payment of the Charges (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be performed in accordance with the terms of this Contract during the occurrence of the Force Majeure Event.
- 30.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Contract.
- 30.8 Relief from liability for the Affected Party under this Clause 30 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Contract and shall not be dependent on the serving of notice under Clause 30.7.

Section I: Termination and Exit Management

31 Termination Rights

Termination by the Authority

- 31.1 The Authority may terminate this Contract by issuing a Termination Notice to the Supplier:
- (a) for convenience at any time;
 - (b) if a Supplier Termination Event occurs;
 - (c) if a Force Majeure Event endures for a continuous period of more than ninety (90) days; or

- (d) if the Contract has been substantially amended to the extent that the Public Contracts Regulations 2015 require a new procurement procedure,

and this Contract shall terminate on the date specified in the Termination Notice.

31.2 Where the Authority:

For the purpose of this Clause 31.4, in assessing the significance of any part of the Authority Requirements, regard shall be had not only to the proportion of that part to the Authority Requirements as a whole, but also to the importance of the relevant part to the Authority.

## Part A – Performance Indicators and Service Credits

### 1 Performance Indicators

- 1.1 Annex 1 sets out the Key Performance Indicators and Subsidiary Performance Indicators which the Parties have agreed shall be used to measure the performance of the Services and Social Value by the Supplier.
- 1.2 The Supplier shall monitor its performance against each Performance Indicator and shall send the Authority a report detailing the level of service actually achieved in accordance with Part B.
- 1.3 Service Points, and therefore Service Credits, shall accrue for any KPI Failure and shall be calculated in accordance with Paragraphs 2, 3 and 5.

### 2 Service Points

- 2.1 If the level of performance of the Supplier during a Service Period achieves the Target Performance Level in respect of a Key Performance Indicator, no Service Points shall accrue to the Supplier in respect of that Key Performance Indicator.
- 2.2 If the level of performance of the Supplier during a Service Period is below the Target Performance Level in respect of a Key Performance Indicator, Service Points shall accrue to the Supplier in respect of that Key Performance Indicator as set out in Paragraph 2.3.
- 2.3 The number of Service Points that shall accrue to the Supplier in respect of a KPI Failure shall be the applicable number as set out in Annex 1 depending on whether the KPI Failure is a Minor KPI Failure, a Serious KPI Failure or a Severe KPI Failure, unless the KPI Failure is a Repeat KPI Failure when the provisions of Paragraph 3.2 shall apply.

### 3 Repeat KPI Failures and Related KPI Failures

#### Repeat KPI Failures

- 3.1 If a KPI Failure occurs in respect of the same Key Performance Indicator in any two consecutive Measurement Periods, the second and any subsequent such KPI Failure shall be a **Repeat KPI Failure**.
- 3.2 The number of Service Points that shall accrue to the Supplier in respect of a KPI Failure that is a Repeat KPI Failure shall be calculated as follows:

$$SP = P \times 2$$

where:

**SP** = the number of Service Points that shall accrue for the Repeat KPI Failure; and

**P** = the applicable number of Service Points for that KPI Failure as set out in Annex 1 depending on whether the Repeat KPI Failure is a Minor KPI Failure, a Serious KPI Failure, a Severe KPI Failure or a failure to meet the KPI Service Threshold.

**Worked example based on the following Service Points regime for Service Availability:**

| Service Availability Severity Levels | Service Points |
|--------------------------------------|----------------|
| Target Performance Level: 99%        | 0              |
| Minor KPI Failure: 98.0% - 98.9%     | 1              |
| Serious KPI Failure: 97.0% - 97.9%   | 2              |
| Severe KPI Failure: 96.0% - 96.9%    | 3              |
| KPI Service Threshold: below 96%     | 4              |

**Example 1:**

If the Supplier achieves Service Availability of 98.5% in a given Measurement Period, it will incur a Minor KPI Failure for Service Availability in that Measurement Period and accordingly accrue 1 Service Point. If, in the next Measurement Period, it achieves Service Availability of 96.5%, it will incur a Severe KPI Failure and accordingly accrue 3 Service Points, but as the failure is a Repeat Failure, this amount is doubled and so the Supplier will incur 6 Service Points for the failure (i.e.  $SP = 3 \times 2$ ). If in the next Measurement Period it achieves Service Availability of 96.5%, the Supplier will again incur 6 Service Points.

**Example 2:**

If the Supplier achieves Service Availability of 96.5% in a given Measurement Period, it will incur a Severe KPI Failure for Service Availability in that Measurement Period and accordingly accrue 3 Service Points. If, in the next Measurement Period, it achieves Service Availability of 98.5%, it will incur a Minor KPI Failure and accordingly accrue 1 Service Point, but as the failure is a Repeat Failure, this amount is doubled and so the Supplier will incur 2 Service Points for the failure (i.e.  $SP = 1 \times 2$ ). If in the next Measurement Period it achieves Service Availability of 96.5%, the Supplier will incur 6 Service Points.

**4 Permitted Maintenance**

The Supplier shall be allowed to book a maximum of 4 hours per month of Service Downtime for Permitted Maintenance which shall be carried out between the hours of 00:00 on Friday and 00:00 Sunday GMT, unless otherwise agreed in writing with the Authority.

**5 Service Credits**

- 5.1 Schedule 15 (*Charges and Invoicing*) sets out the mechanism by which Service Points shall be converted into Service Credits.
- 5.2 The Authority shall use the Performance Monitoring Reports provided pursuant to Part B, among other things, to verify the calculation and accuracy of the Service Credits (if any) applicable to each Service Period.

## **Schedule 4 – Standards**

## Schedule 4 – Standards

### 1 Definitions

In this Schedule, the following definitions shall apply:

**Service Manual** means the Government's service standards for public services, as documented at <https://www.gov.uk/service-manual/service-standard>

**Standards Hub** means the Government's open and transparent standards adoption process as documented at <http://standards.data.gov.uk/>.

**Suggested Challenge** means a submission to suggest the adoption of new or emergent standards in the format specified on Standards Hub.

### 2 General

- 2.1 Throughout the term of this Contract, the Parties shall monitor and notify each other of any new or emergent standards which could affect the Supplier's provision, or the Authority's receipt, of the Services. Any changes to the Standards, including the adoption of any such new or emergent standard, shall be agreed in accordance with the Change Control Procedure.
- 2.2 Where a new or emergent standard is to be developed or introduced by the Authority, the Supplier shall be responsible for ensuring that the potential impact on the Supplier's provision, or the Authority's receipt, of the Services is explained to the Authority (in a reasonable timeframe), prior to the implementation of the new or emergent standard.
- 2.3 Where Standards referenced conflict with each other or with Good Industry Practice, then the later Standard or best practice shall be adopted by the Supplier. Any such alteration to any Standard(s) shall require the prior written agreement of the Authority and shall be implemented within an agreed timescale.

### 3 Technology and Digital Services Practice

The Supplier shall (when designing, implementing and delivering the Services) adopt the applicable elements of HM Government's Technology Code of Practice as documented at <https://www.gov.uk/service-manual/technology/code-of-practice.html>.

### 4 Open Data Standards & Standards Hub

- 4.1 The Supplier shall comply to the extent within its control with UK Government's Open Standards Principles as documented at <https://www.gov.uk/government/publications/open-standards-principles/open-standards-principles>, as they relate to the specification of standards for software interoperability, data and document formats in the IT Environment.
- 4.2 Without prejudice to the generality of Paragraph 2.2, the Supplier shall, when implementing or updating a technical component or part of the Software or Supplier Solution where there is a requirement under this Contract or opportunity to use a new or emergent standard, submit a Suggested Challenge compliant with the UK Government's Open Standards Principles (using the process detailed on Standards Hub and documented at <http://standards.data.gov.uk/>). Each Suggested Challenge submitted by the Supplier shall detail, subject to the security and confidentiality provisions in this Contract, an illustration of such requirement or opportunity within the IT Environment, Supplier Solution and Government's IT infrastructure and the suggested open standard.

## OFFICIAL

- 4.3 The Supplier shall ensure that all documentation published on behalf of the Authority pursuant to this Contract is provided in a non-proprietary format (such as PDF or Open Document Format (ISO 26300 or equivalent)) as well as any native file format documentation in accordance with the obligation under Paragraph 4.1 to comply with the UK Government's Open Standards Principles, unless the Authority otherwise agrees in writing.

## **5 Technology Architecture Standards**

The Supplier shall produce full and detailed technical architecture documentation for the Supplier Solution in accordance with Good Industry Practice. If documentation exists that complies with the Open Group Architecture Framework 9.2 or its equivalent, then this shall be deemed acceptable.

## **6 Accessible Digital Standards**

The Supplier shall comply with (or with equivalents to):

- (a) the World Wide Web Consortium (W3C) Web Accessibility Initiative (WAI) Web Content Accessibility Guidelines (WCAG) 2.1 Conformance Level AA; and

The Supplier shall ensure that each of the Insurances is effective no later than the date on which the relevant risk commences.
- 1.2 The Insurances shall be maintained in accordance with Good Industry Practice and (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time.
- 1.3 The Insurances shall be taken out and maintained with insurers who are:
- (a) of good financial standing;
  - (b) appropriately regulated;

### 2 General Obligations

Without limiting the other provisions of this Contract, the Supplier shall:

- (a) take or procure the taking of all reasonable risk management and risk control measures in relation to the Services as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;
- (b) promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware; and
- (c) hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

### 3 Failure to Insure

#### **5 Insurance for the Required Amount**

#### **6 Cancellation**

- 6.1 Subject to Paragraph 7.2, the Supplier shall notify the Authority in writing at least 5 Working Days prior to the cancellation, suspension, termination or non-renewal of any of the Insurances.
- 6.2 Without prejudice to the Supplier's obligations under Paragraph 4, Paragraph 7.1 shall not apply where the termination of any Insurances occurs purely as a result of a change of insurer in respect of any of the Insurances required to be taken out and maintained in accordance with this Schedule.

#### **7 Insurance Claims, Premiums and Deductibles**

- 7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Services and/or this Contract for which it may be entitled to claim under any of the Insurances. In the event that the Authority receives a claim relating to or arising out of the Services and/or this Contract, the Supplier shall co-operate with the Authority and assist it in dealing with such claims at its own expense including without limitation providing information and documentation in a timely manner.
- 7.2 The Supplier shall maintain a register of all claims under the Insurances in connection with this Contract and shall allow the Authority to review such register at any time.
- 7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.
- 7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. Our respected team of education experts is embedded in international education networks and actively engaged in key developments. We have successfully delivered high quality qualification and skills recognition services on behalf of the UK Government for 27 years. Our ability to constantly adapt and innovate will ensure that UK ENIC and UKVN continue to be world leading, and fulfil Authority and customer needs.

Our experts are experienced, degree-educated, and have diverse international, cultural and linguistic backgrounds, with individual expertise in twenty languages. Training is comprehensive and staff have accumulated in-depth knowledge of the international education sector. Many staff join Ecctis from teaching, research and other education-related backgrounds. Developing and retaining this world-leading expertise underpins service delivery and is crucial to maintaining the quality of information found within the UK ENIC Database. Along with our extensive international network of contacts, it ensures that recognition decisions are based on in-depth understanding of qualifications and education systems. Our contributions in the recognition arena are renowned, with a strong reputation for professional knowledge and excellence within the ENIC-NARIC network. We will fill the Senior UK ENIC Representative role internally, enabling us to employ our reputation and expertise to maximum benefit.

**Supporting UK education:** We continually monitor developments across the four home nations, ensuring the currency of our knowledge and advice. We understand the history and nuances: four education systems; three qualifications frameworks; devolved administrations; public and sectoral bodies with different authority levels on a national and UK level. Continued engagement across all relevant sectors is central to our stakeholder engagement strategy. In the delivery of UK ENIC, we will continue to support and promote UK education by actively engaging with the ENIC-NARIC network, UK Government departments, UK ENIC subscribers and international stakeholders. We will use our expertise to resolve queries and issues.

**Strong understanding of national and international qualifications:** We have a strong track record of delivering qualification-focused services and consultancy, supporting stakeholders in understanding national and international qualifications. Our extensive experience includes the development and benchmarking of academic, vocational and professional qualifications [REDACTED]

[REDACTED]. In 2005, we designed the ENIC Band Framework, now

integral to the Comparability Methodology. We have updated the Framework to reflect any developments in the UK system, e.g. incorporating T Levels. We managed the UK ReferNet service and the ECVET contact point for England until 2020 and the UK Centre for Professional Qualifications until 2024, developing unparalleled expertise in vocational and professional recognition. We continue to apply this knowledge to support the recognition and comparison of vocational and professional awards.

**Technical advisory and policy support:** Our national and international expertise enables us to advise government and support policy initiatives. We understand recognition and how it can improve the lives of end users and benefit the UK, by removing barriers to mobility and simplifying complex, technical processes. We have a strong track record in leading technical discussions for successful mutual recognition of qualifications agreements, [REDACTED]

[REDACTED]. We have, for instance, supported the Aid for Trade initiative; delivered capacity building to support new recognition centres; analysed post-Brexit implications for professional qualification recognition; [REDACTED]

[REDACTED].

As a whole, and via our individual experts, we are embedded in wide-ranging international networks related to education and recognition. We have held leadership roles across international networks, including chair and vice chair roles on the ENIC-NARIC Bureau and Lisbon Recognition Convention (LRC) Committee. We serve on the [REDACTED] and our knowledge and experience provide a solid foundation for ongoing technical support. Upcoming representation opportunities will be a standing agenda item on our meetings with the Authorities, to ensure that our engagement reflects the interests of HMG.

**Public policy and public sector engagement:** Our research output further highlights how we can contribute to dialogue on public policy, providing insight on the recognition of international qualifications. Our reports on international secondary assessment during the Covid-19 pandemic considered the impact on assessment globally, covering examination changes and cancellations, and grading practices.

We have good working links with UK Government departments and will focus on strengthening links with Devolved Administrations. We understand the effects of different policy areas on both services and these links will enable us to monitor and

advise on policy developments and directions. We have strong stakeholder relationships across the education sector: [REDACTED]

[REDACTED]  
[REDACTED]  
[REDACTED]

[REDACTED]. In our international activities, we work alongside many public sector bodies within the ENIC-NARIC network, [REDACTED]. We have built strong relationships with ministries for education and government departments, including those we have advised on capacity building, [REDACTED]. Our benchmarking activities have also enabled us to work extensively with various in-country regulators.

**Challenges and opportunities:** As experts in evaluating qualifications and finding positive outcomes to recognition challenges, we understand that education systems evolve from socioeconomic, political and historical contexts. Reforms are frequent and geopolitical situations affect the volumes and types of applications and enquiries. Through our ongoing research, engagement and horizon scanning, we observe developments, recognise trends and anticipate future directions. [REDACTED]

[REDACTED] to inform a collaborative approach to addressing emerging challenges and opportunities.

Transnational education (TNE) represents 10% of UK education exports and is a UK Government priority. Whilst revenues doubled between 2010-20, growth is slowing and lack of recognition can be a barrier. We have produced guides to recognition issues in international distance learning (Edition 3, 2021) and can apply our knowledge of global practices to support recognition of UK TNE.

Technology is rapidly shaping the future of education. Qualification recognition practices need to respond to growth in online learning, micro-credentials, digital credentials and AI. In recent years, we have evolved our flexible and robust methodology to assess new qualification types (micro-credentials 2022-3) and address new needs (evaluating prior learning 2020-3). AI can be used increase automation and support fraud detection in the recognition process, but it presents challenges around transparency and a risk of bias being introduced through machine learning. We will ensure that any use of AI will benefit efficient delivery of the services and that recognition processes remain fair and robust, in line with the principles of the Lisbon and Global Recognition Conventions.

Informed by 27 years of successful service delivery to Government and operating as an Employee-Ownership Trust (EOT), our management and governance structure embeds the principles of public service with defined roles and accountability.

We will build on the open and collaborative relationship with DfE and the Home Office, to demonstrate our transparency, integrity and effective contract governance structure. Drawing on lessons learned, we will employ effective decision-making and provide clear paths for issue resolution. We will commit to the governance requirements in Schedule 21. We fully understand that these are two separate but linked contracts. This is reflected in our management and governance arrangements, which are contract-specific and distinct, but coordinated to benefit delivery.

**Policy Objective:** Tackle workforce inequality

**Question:** Describe the commitment your organisation will make to ensure that opportunities under the contract deliver the Policy Outcome and Award Criteria.

Please include:

- Your 'Method Statement', stating how you will achieve this and how your commitment meets the Award Criteria, and a timed project plan and process, including how you will implement your commitment and by when.

**Look Fors:**

- Activities that demonstrate and describe the tenderer's existing or planned:
  - Understanding of in-work progression issues affecting the market, industry or sector relevant to the contract, and in the tenderer's own organisation and those of its key sub-contractors.
  - Inclusive and accessible development practices, including those provided in the Guide for line managers on recruiting, managing and developing people with a disability or health condition.
  - Measures to support in-work progression to help people in the contract workforce, to move into higher paid work by developing new skills relevant to the contract.
- How you will monitor performance of SV PI 1 and SV PI 2 in relation to the Services provided to the Home Office.

As an [REDACTED], we pay particular attention to the voice of our employees, giving us clear insight into the issues impacting in-work progression. We are committed to supporting the development and progression of our contract workforce, supported by our [REDACTED] [REDACTED] that provide clear information on the progression routes available and the skills needed to advance. A [REDACTED] of our Senior Leadership Team and [REDACTED] of our senior managers have progressed through the organisation from junior roles. This is testament to our success in creating an environment which promotes retention and progression. For example, in 2023, we funded development opportunities [REDACTED] of our employees, including a Master's degree in Migration Policy and Practice for [REDACTED] leading delivery of the current UKVN service, which supported her progression into [REDACTED] [REDACTED].

From our formal employee engagement activities, we recognise that there is room to improve in several areas. We have strong female representation at each level of the organisation, including [REDACTED] of our Senior Leadership Team. Employee <[REDACTED] suggests there are opportunities to further strengthen career coaching and mentoring for staff on return from maternity / paternity / adoption leave, and as their dependents start school. There could be greater diversity in terms of other protected characteristics, particularly at managerial and senior leadership level. The composition of our workforce reflects the demographics of our local community, but offering remote and hybrid working where tasks allow will enable recruitment from a wider talent pool. We recognise the commitments in the Good Business Charter to reporting on equality, diversity and inclusion, and will achieve these as we work towards accreditation.

**Our commitments:**

We will continue actively [REDACTED] across the organisation, further supported by two positive action mentoring schemes:

- Establishment of a [REDACTED], creating an internal talent pool that proactively encourages applications from employees within under-served or minority groups (e.g. carers and care leavers).
- Rollout of our unique and evidence-based [REDACTED] [REDACTED] for those returning from maternity / paternity / adoption leave, sabbatical leave, and periods of absence due to sickness or bereavement.

We will continue to offer [REDACTED] for individuals (particularly those with sub-degree or no formal qualifications and from disadvantaged or minority groups) to attain a specialist or higher-level qualification. This could be through an [REDACTED].

During the contract period we will build on this by further improving our understanding of the experiences of disadvantaged and minority groups in our workforce. Expanding our baseline demographic data will enable us to track trends in workforce progression and representation in each year of the contract. All relevant data will be disaggregated by demographics, as appropriate and proportionate. This data will be gathered through [REDACTED] and will inform diversity targets to be achieved during the contract period, which will be analysed quarterly.

We commit to all [REDACTED] on equality, diversity and inclusion (EDI), intended to ensure our approaches to recruitment and progression are supportive and inclusive of all candidates, especially those with protected characteristics. Training for [REDACTED] will also specifically cover managing and developing those with a disability or health condition and mental health awareness.

  - Evidence of robust policies to reflect understanding of domestic abuse complexities and support provided to the workforce by the employer with reference to the Public Health England Business in the Community Domestic Abuse Employer Toolkit.

Understanding and supporting those affected by all forms of domestic abuse (DA) is an integral part of the duty of care we have towards all employees. We are a member of the Employer's Initiative on Domestic Abuse (EIDA), demonstrating our commitment to raising awareness of DA among our employees, supporting those affected, and sharing best practice with other employers. We have pledged to help those affected by DA to enter or re-enter the workforce and access support by signing and adhering to the Employers Domestic Abuse Covenant (the Covenant).

Our Domestic Abuse Policy embeds guidance from the Public Health England Business in the Community Domestic Abuse Employer Toolkit, including the four 'R's approach (Recognise, Respond, Refer, Record). Our policy provides guidance on identifying DA and the impact it might have on a personal and professional level. It incorporates [REDACTED] to support employees experiencing abuse, such as making emergency and safe contact arrangements, improving personal safety, adjusting workload, and reviewing communications safety. It sets out actions that can be taken and support available, both internally and from professional organisations.

In delivering the contract, our approach to safeguarding and supporting those affected by DA will be informed by our [REDACTED] who apply for similar services for those affected by DA from refugee backgrounds (e.g. the Happy Baby Community, a charity supporting pregnant women and new mothers who are asylum seekers and have experienced DA). We will be covering [REDACTED] the Women's Advice Worker for GARAS (a charity supporting those seeking asylum in Gloucestershire), who will provide immigration support, advice and information to those affected by DA and train GARAS' advice team on how to spot potential signs of DA and modern slavery. Information about this support to GARAS will be available to all employees and used to encourage further self-education about DA.

**Our commitments throughout the delivery of the contract are:**

- We will invite [REDACTED] to deliver a specialised presentation to our entire workforce, annually, with recordings / resources accessible year-round to staff.
- We will provide our MHFAs and our HR department with further specialist training on DA, to enable them to train and support managers and other staff, recurring [REDACTED], plus on-demand access to specialist advice / resources.
- Mandatory safeguarding training for customer-facing staff will focus on identifying and managing the needs of, and potential risks to, vulnerable customers.
- Suppliers who demonstrate a commitment to tackling and raising awareness of DA and engage with others to promote EIDA and the Covenant, will receive preference within [REDACTED].

**Question:** Outline your approach to deliver both the core services and any adjacent services as outlined in the Home Office Service Description.

**Look Fors:** Your answer should demonstrate:

- How you will complete checks to establish provenance relating to a degree or degree level qualification obtained overseas and confirm whether it is equivalent to a UK Bachelor's degree, UK Master's degree or UK doctorate.
- How you will complete checks to establish whether a qualification was taught in English, and at the appropriate level.
- How you will assess and verify the evidence provided to confirm:

  2. the customer's identity.
  3. that the qualification is genuine and was awarded to the customer and the date it was awarded.
  4. the UK equivalency of the qualification.
- How you will develop a framework of stakeholder partnerships to ensure that all qualifications are verified.
- How you will monitor performance of SP1-05 in relation to the Services provided to the Home Office.

Our approach will build on [REDACTED] of delivering UKVN services, utilising our country, language and education expertise to achieve outstanding results. This approach has enabled [REDACTED] performance against all KPIs for our current UKVN contract. We have provided verification services beyond our current contractual requirements, so have already developed extensive knowledge and strong stakeholder networks to underpin delivery of the verification requirement. This response focuses on the technical delivery of the services.

**Application process:** Customers will apply online via a portal and provide the following: personal information, qualification details and documentation (including university-issued letters confirming the language of instruction), course information (SP1-03 only) and any additional information required (e.g. passport and passport photo). Customers will [REDACTED] at the point of initial application, facilitated by [REDACTED] – a trusted and vetted third-party supplier. Official ID document(s) will be compared to the [REDACTED] database to confirm validity, verified by facial recognition matched against the photograph, to ensure the customer's photograph matches the photograph on the customer's identity document. [REDACTED] will manually review non-automatic passes.

**Assessment process:** The documents will be reviewed by a [REDACTED] specialist and the qualification assessed for eligibility. All [REDACTED] undergo an extensive onboarding and training process, which will include all training specified by the HO as well as our proven induction process. [REDACTED] will use the UK ENIC Database to confirm the comparability of the qualification to the UK frameworks. This extensive qualification database will continue to be reviewed and updated on a regular basis, to ensure information used is as up-to-date and accurate as possible.

[REDACTED] will examine the university letter and transcripts to establish whether the qualification was taught in English. They will use the database [REDACTED] [REDACTED] qualifications with language levels benchmarked to the Common European Framework of Reference for Languages (CEFR). Our knowledge and experience will ensure this dataset is deployed effectively, and supplemented by our existing research on English language policy in the relevant country and qualification information available online. [REDACTED] will continuously update and develop the data to ensure accuracy, integrity and relevance. This includes regular reviews of global English language trends, and English language at an institutional and national level.

For SP1-03 (customers studying in the UK), a [REDACTED] will review the course details. They will check the accreditation of the awarding institution and the associated level of the qualification using our database. If the institution is not accredited, or the course does not lead to a recognised qualification, no statement will be issued.

**Verification / fraud checks:** [REDACTED] will perform initial fraud checks during the document review phase, using our database [REDACTED] and our database of over [REDACTED] institutional verification options. [REDACTED] will use [REDACTED] to detect changes in the metadata of the document(s). From the [REDACTED], we will explore efficient, effective, and ethical opportunities to integrate AI solutions to support the detection of fraudulent documents, whilst ensuring an expert makes final decisions. Fraud confirmed at this stage will result in rejection, with a chance to appeal. Concerns will be logged in [REDACTED]. We will verify the customer's qualification using one or more of the following methods:

[REDACTED]  
[REDACTED]

**Results:** If the qualification is verified as genuine, a statement will be issued. Otherwise, the potential outcomes are: *degree not genuine* (the application will be rejected and details sent to the Authority), or *unable to verify: no institution response* (no statement will be issued and the customer will be encouraged to contact the institution). An e-statement will be immediately available to the customer once issued.

All customer details will be viewable [REDACTED] at the point of application. All information required in SP1-06 will be available.

A live reporting dashboard will be made available [REDACTED]. This will enable the Authority to see up-to-date data, at any point in time, giving total confidence in reported numbers and enabling fast-paced and responsive analysis for the HO and other Government Departments on topics such as visa route take-up and fraud trends. The dashboard will include specific data breakdowns on:

- *Applications Received and Applications Completed* ([REDACTED] \*).
- *Fraud Cases* ([REDACTED] \*).
- *Customer Survey Feedback* (including [REDACTED]).

\*The dashboard interface will also enable the authority to cross reference these breakdown types, e.g. applications completed or confirmed fraud cases by country and visa route.

- (c) where the failure to satisfy the Test Success Criteria results, or is likely to result, in the failure (in whole or in part) by the Supplier to meet a Milestone, then without prejudice to the Authority's other rights and remedies, such failure shall constitute a Notifiable Default for the purposes of Clause 25.1 (*Rectification Plan Process*).

12.3 The Authority shall be entitled, without prejudice to any other rights and remedies that it has under this Contract, to recover from the Supplier any reasonable additional costs it may incur as a direct result of further review or re-Testing which is required for the Test Success Criteria for that Deliverable to be satisfied.

- 13.5 Without prejudice to the Authority's other remedies the following shall constitute a Notifiable Default for the purposes of Clause 25.1 (*Rectification Plan Process*) and the Authority shall refuse to issue a Milestone Achievement Certificate where:
  - (a) there is one or more Material Test Issue(s); or
  - (b) the information required under Schedule 24 (*Reports and Records Provisions*) has not been uploaded to the Virtual Library in accordance with Paragraph 3 of that Schedule.

  - (a) any Rectification Plan shall be agreed before the issue of a conditional Milestone Achievement Certificate unless the Authority agrees otherwise (in which case the Supplier shall submit a Rectification Plan for approval by the Authority within 10 Working Days of receipt of the Authority's report pursuant to Paragraph 13.3); and

2.3 Any Service Credits that accrue during a Service Period shall be deducted from the Service Charges payable for the next following Service Period. An invoice for a Service Charge shall not be payable by the Authority unless all adjustments (including Service Credits) relating to the Service Charges for the immediately preceding Service Period have been agreed.

### 3 **Not used**

### 4 **Volume Payments**

4.1 60% of a Supplier's total cost for delivery of the Operational Services will be paid as Volume Payments.

4.2 The value of the unit price for each Assessment processed will be calculated as:

$$\frac{(Total\ Cost\ of\ Delivery\ x\ Proportion\ paid\ as\ Volume\ Payments)}{Total\ Forecasted\ Volume\ of\ Assessments\ processed}$$

4.3 Volume payments will be paid in accordance with Part E, according to total volume of requests processed in the prior month (by 00:00:00 HMS on the first calendar date of the following month in).

4.4 The lower and upper bounds of the volume of Assessments processed in any one month shall be 4,500 and 7,000 requests, respectively.

4.5 Where volumes exceed or do not meet the upper and lower bounds specified in Paragraph 4.4 above, the following provisions shall apply:

- (a) if, in any one month the volume of requests falls below the lower bound of 4,500 then the volumetric unit price shall remain as set out in Table 5 of Annex 1;
- (b) if, in any one month, the number of requests exceeds the upper bound of 7,000, then the volumetric unit price shall remain as set out in Table 5 of Annex 1; and
- (c) if the volume of requests falls either below the lower bound of 4,500 or exceeds the upper bound of 7,000 for a period of three consecutive months, then either the Authority or the Supplier may:
  - (i) request a review of the volumetric unit price applicable to the volumes that are being demonstrated; and

OFFICIAL

- (ii) agree to reset the volumetric Charges to better reflect the Supplier's current Cost base provided that this does not exceed the Anticipated Contract Life Profit Margin.

4.6 In order to inform the validation and any reset arising under Paragraph 4.5(c):

- (a) the Supplier must provide a detailed calculation, together with supporting information, evidencing the monetary impact of changing volumes on its cost base. Such evidence shall include, inter alia, metrics on the number and type of staff employed supported by measure(s) of efficiency, and details of any other volume dependent operational costs. Such evidence shall be presented in the form of a simplified pricing schedule for convenient comparison to the pricing schedule submitted at the time of contract signature. A written explanation of the reasons for the assessment presented shall accompany the revised pricing schedule;
- (b) the Authority shall, within 10 Working Days, confirm in writing to the Supplier that it either agrees with or disputes the Supplier's assessment under limb (a) above. If the Authority disputes the assessment, then the Supplier shall provide the Authority with all necessary additional information to evidence its case;
- (c) both Parties shall exercise reasonable endeavours to reach agreement, within a period of 20 Working Days from the Supplier's receipt of the Authority's response. If resolution is not achieved at the end of the period, then the case shall be referred to the Dispute Resolution Procedure; and
- (d) if the Authority agrees with the Supplier's assessment, then the Supplier shall provide the Authority with a schedule of proposed revised Charges. The Authority shall, by return, provide written confirmation that it agrees with the schedule of proposed revised Charges.

4.7 Upon satisfaction of Paragraph 4.6(d), the schedule of proposed revised Charges shall then be implemented into this Contract without the Parties undergoing the Change Control Procedure.

4.8 For the avoidance of doubt:

- (a) the volumetric payment mechanism set out in this Paragraph 4 shall not be used to correct any errors, omissions, over or under costings included in the Supplier's financial model provided at Contract signature. This Paragraph 4 shall only be used to recognise changes in Costs arising from actual volumes falling outside the bounds of the volumes forecast recognised at Contract signature; and
- (b) the Fixed Service Charges set out in Paragraph 3 of Annex 1 shall not be subject to the volumetric payment mechanism set out in this Paragraph 4.

## **Part C – Adjustments To The Charges And Risk Register**

### **1 Delay Payments**

- (a) the Anticipated Contract Life Profit Margin for the Implementation Period, as a proportion of total Implementation Services Costs;
- (b) 10% of the total Charges payable in respect of the Milestones.

OFFICIAL

- 1.2 The Parties agree that Delay Payments calculated in accordance with Paragraph 1.1 are a genuine pre-estimate of the Losses which the Authority will incur as a result of any failure by the Supplier to Achieve the relevant Milestone by the Milestone Date. Delay Payments are stated exclusive of VAT.
- 1.3 Any amounts paid to the Authority pursuant to Paragraph 1.1 shall not be refundable to the Supplier in any circumstances.
- 1.4 The Delay Payment in respect of a Milestone (net of any payment made in respect of that Milestone pursuant to Paragraph 1.1) shall be shown as a deduction from the amount due from the Authority to the Supplier in the next invoice due to be issued by the Supplier after the date on which the relevant Milestone is Achieved. If the relevant Milestone is not Achieved and no invoice is due to be issued by the Supplier within 14 Working Days of expiry of the Milestone Date, then the Supplier shall within 14 Working Days of expiry of the Milestone Date:
- (a) issue a credit note to the Authority in respect of the total amount of the Delay Payment in respect of the Milestone (net of any payment made in respect of the Milestone pursuant to Paragraph 1.1); and
  - (b) pay to the Authority as a debt a sum equal to the total amount of the Delay Payment in respect of the Milestone together with interest on such amount at the applicable rate under the Late Payment of Commercial Debts (Interest) Act 1998, accruing on a daily basis from (and including) the due date up to (but excluding) the date of actual payment, whether before or after judgment.
- 1.5 The Supplier shall, within 20 Working Days of being notified by the Authority that a Delay Payment is due, confirm in writing to the Authority that it either agrees with or disputes the Authority's calculation of the Delay Payment. If the Supplier disputes the Authority's calculation, then it shall provide the Authority with all necessary information to evidence its dispute.
- 1.6 Where a dispute arises in accordance with Paragraph 1.5, both Parties shall use their reasonable endeavours to agree a resolution, subject to the provisions of Schedule 21 (*Governance*). If such resolution is not achieved, then the dispute shall become a formal Dispute referred to the Dispute Resolution Procedure. Pending resolution of the Dispute, both Parties shall continue to use their reasonable endeavours to resolve the causes of, and mitigate the effects of, any additional costs incurred by the Authority.
- 1.7 Delay Payments shall not be the Authority's sole and exclusive financial remedy for the Supplier's failure to Achieve a Milestone by its Milestone Date.

## **2 Payments for Delays due to Authority Cause**

- 2.1 If the Supplier is entitled in accordance with Clause 29.1(iii)(D) (*Authority Cause*) to compensation for failure to Achieve a Milestone by its Milestone Date, then, subject always to Clause 23 (*Limitations on Liability*), such compensation shall be determined in accordance with the following principles:
- (a) the compensation shall reimburse the Supplier for additional Costs incurred by the Supplier that the Supplier:
    - (i) can demonstrate it has incurred solely and directly as a result of the Authority Cause; and
    - (ii) is, has been, or will be unable to mitigate, having complied with its obligations under Clause 29.1 (*Authority Cause*)
- together with an amount equal to the Anticipated Contract Life Profit Margin thereon;

OFFICIAL

- (b) the compensation shall not operate so as to put the Supplier in a better position than it would have been in but for the occurrence of the Authority Cause; and
- (c) in relation to Milestone Payments, to the extent that the compensation agreed pursuant to this Paragraph 2 results in the Authority paying additional Charges for Incurred Costs which the Supplier demonstrates were required as a result of the Authority Cause, such additional Charges shall not contribute towards the Milestone Payment Cap for each Milestone.

2.2 The Supplier shall provide the Authority with any information the Authority may require in order to assess the validity of the Supplier's claim to compensation.

### 3 Service Credits

3.1 Service Credits shall be calculated by reference to the number of Service Points accrued in any one Service Period pursuant to the provisions of Schedule 3 (*Performance Levels*).

3.2 For each Service Period:

- (a) the Service Points accrued shall be converted to a percentage deduction from the Service Charges for the relevant Service Period on the basis of one point equating to a 0.5% deduction in the Service Charges; and
- (b) the total Service Credits applicable for the Service Period shall be calculated in accordance with the following formula:

$$SC = TSP \times x \times AC$$

where:

SC is the total Service Credits for the relevant Service Period;

TSP is the total Service Points that have accrued for the relevant Service Period;

X is 0.5%; and

AC is the total Services Charges payable for the relevant Service Period (prior to deduction of applicable Service Credits).

3.3 The liability of the Supplier in respect of Service Credits shall be subject to Clause 23.4(c) (*Financial and other Limits*) provided that, for the avoidance of doubt, the operation of the Service Credit Cap shall not affect the continued accrual of Service Points in excess of such financial limit in accordance with the provisions of Schedule 3 (*Performance Levels*).

3.4 Service Credits are a reduction of the Service Charges payable in respect of the relevant Services to reflect the reduced value of the Services actually received and are stated exclusive of VAT.

3.5 Service Credits shall be shown as a deduction from the amount due from the Authority to the Supplier in the invoice for the Service Period immediately succeeding the Service Period to which they relate.

### 4 Changes to Charges

4.1 Subject to Paragraphs 4.7 and 5.2, any Changes to the Charges shall be developed and agreed by the Parties in accordance with Schedule 22 (*Change Control Procedure*) and on the basis that the Supplier Profit Margin on such Charges shall:

OFFICIAL

- (a) be no greater than that applying to Charges using the same pricing mechanism as at the Effective Date (as set out in the Contract Inception Report); and
- (b) [in no event exceed the Maximum Permitted Profit Margin].

4.2 The Authority may request that any Impact Assessment presents Charges without Indexation for the purposes of comparison.

## 5 Indexation

5.1 The Charges set out in Paragraphs 2.2 and 3.3 of Part A shall be adjusted in accordance with the provisions of this Paragraph 5 to reflect the effects of inflation.

5.2 Any Changes to the Charges as a result of Indexation shall be calculated as follows:

Unit Price multiplied by % of Total Costs allocated to Staff Costs = Unit Price A

Unit Price A will then be uplifted by the difference between the current quarter and the mean average of the previous 4 quarters in the SPPI Index for: OUTPUT DOMESTIC - N Administrative and support services (SPPI-N) = Unit Price C

Unit Price multiplied by % of Total Costs allocated to Non-Staff Costs = Unit Price B

Unit Price B will then be uplifted by the difference between the current quarter and the mean average of the previous 4 quarters in the SPPI Index for: OUTPUT DOMESTIC - J Information and communication services (SPPI-J) = Unit Price D

The sum of the Unit Price C and Unit Price D will then be the new current unit price (Unit Price E)

Service Fee multiplied by % of Total Costs allocated to Staff Costs = Service Fee

Service Fee A will then be uplifted by the difference between the current quarter and the mean average of the previous 4 quarters in the SPPI Index for: OUTPUT DOMESTIC - N Administrative and support services (SPPI-N) = Service Fee C

Unit Price multiplied by % of Total Costs allocated to Non-Staff Costs = Service Fee B

Service Fee B will then be uplifted by the difference between the current quarter and the mean average of the previous 4 quarters in the SPPI Index for: OUTPUT DOMESTIC - J Information and communication services (SPPI-J) = Service Fee D

The sum of the Service Fee C and Service Fee D will then be the new current Service Fee Payment (Service Fee E).

5.3 For the avoidance of doubt, the following costs, expenses, fees or charges included in the Charges shall not be subject to adjustment under this Paragraph 5 and shall not be included in the relevant amount or sum for the purposes of Paragraph 5.4:

- (a) Any costs charged by the Supplier to the Authority in respect of Assets or Authority Assets (including capital costs and installation, maintenance and support costs) which are incurred by the Supplier prior to the relevant adjustment date but which remain to be recovered through the Charges; and
- (b) Charges payable in respect of Achieved Milestones.

OFFICIAL

- 5.4 Notwithstanding any other provisions of this Schedule, amounts or sums in this Contract shall not be subject to Indexation during the first 2 years following the Operational Service Commencement Date (the **Non-Indexation Period**).
- 5.5 The Charges set out in Paragraph 5.1 will be indexed on the date which is one year after the end of the Non-Indexation Period to reflect the percentage change in the SPPI Index during that one year period immediately following the end of the Non-Indexation Period. Subsequent adjustments shall take place on each following yearly anniversary to reflect the percentage change in the price index since the previous change.
- 5.6 Except as set out in this Paragraph 5, neither the Charges nor any other costs, expenses, fees or charges shall be adjusted to take account of any inflation, change to exchange rate, change to interest rate or any other factor or element which might otherwise increase the cost to the Supplier or Sub-contractors of the performance of their obligations.
- 5.7 Where the price index referred to in Paragraph 5.5:
- (a) used to carry out an indexation calculation is updated (for example due to it being provisional) then the indexation calculation shall also be updated unless the Buyer and the Supplier agree otherwise; or
  - (b) is no longer published, the Buyer and the Supplier shall agree an appropriate replacement index which shall cover to the maximum extent possible the same economic activities as the original index.
- 5.8 The relevant Charges will not be reduced as a result of the indexation mechanism in this Paragraph 5 from one Contract Year to the next. Therefore, if the Charges following provisional recalculation under Paragraph 5.2 for Contract Year n would be lower than the equivalent amount for Contract Year n-1, the relevant Charges from Contract Year n-1 will instead be carried over into Contract Year n, i.e. if the difference between the current quarter and the mean average of the previous 4 quarters in the relevant SPPI Index is less than 0% it will be deemed to be 0%.
- 5.9 Where, by operation of Paragraph 5.8, in Contract Year n the relevant Charges from Contract Year n-1 has been carried over into Contract Year n, when the indexation provisions are applied in Contract Year n+1, the value for the relevant Charge to which the indexation factor will be applied will be the value calculated for Contract Year n under Paragraph 5.2, prior to and ignoring the operation of Paragraph 5.8.
- 5.10 Subject to this Paragraph 5, the Charges set out in Annex 1 shall apply throughout the Term, inclusive of any Extension Periods.

## **6 Prepaid Customer Charges Adjustment**

- 6.1 The value of any pre-payments for services by customers under the Pre-Existing Contract not yet received by the Operational Services Commencement Date which are migrated to Customers under this Contract in accordance with Paragraph 12.7 of Schedule 2 (Services Description) shall be deducted from the Service Charges payable by the Authority to the Supplier for a period of 36 months following the Operational Services Commencement Date ("**Reconciliation Period**"). Subject to Paragraph 6.2 below, the total deduction for the Prepayments shall be applied in equal monthly proportions across the invoices issued during the Reconciliation Period.
- 6.2 The Supplier shall provide the Authority with full evidence of all relevant Customer Prepayments, in accordance with Paragraph 6.1, within 15 Working Days of the Operational Services Commencement Date. Evidence provided by the Supplier must include:
- (a) the identity of the Customers who made the Prepayments;

OFFICIAL

- (b) the amounts prepaid by each Customer; and
- (c) the specific services or membership packages to which the Prepayments related.

6.3 The amount of Prepayments deducted from the Service Charges shall be reduced by the total value of any refunds issued by the Supplier to Customers in relation to the cancellation of services continuing under this Contract, but prepaid for under the Pre-Existing Contract, where the cancellation has been invoked by the Customer in accordance with its rights under any terms associated with the Prepayment ("**Refunds**"). The Supplier shall provide the Authority with full evidence of the total value of Refunds issued in the preceding calendar month, within 15 Working Days of the end of each calendar month in the Reconciliation Period. Evidence provided by the Supplier must include:

- (a) details of the refunded Customers;
- (b) the amounts refunded; and
- (c) the dates of such Refunds.

6.4 The Authority and the Supplier shall perform a reconciliation of the total Prepayments and Refunds at the end of each consecutive 12-month period during the Reconciliation Period to ensure that any deductions to the Service Charges have been made accurately and in accordance with this Paragraph 6. If, upon reconciliation, the Authority reasonably believes that the Supplier has failed to adequately evidence the Prepayments or Refunds, the Parties shall work together in good faith to resolve the issue promptly. Until such resolution is achieved, the Authority may withhold an amount equivalent to: (i) the disputed Prepayment(s) or Refund(s); or (ii) the difference between the value of the disputed Prepayment(s) and the value of the disputed Refund(s), from subsequent Service Charges, to be adjusted once the issue is resolved.

6.5 For the avoidance of doubt:

- (a) this Paragraph 6 shall apply only to services prepaid for by Customers under the Pre-Existing Contract and carried over to this Contract. Any services paid for by Customers entirely under this Contract are not subject to the mechanism set out in this Paragraph 6; and
- (b) the Parties acknowledge that any services offered to customers under the Pre-Existing Contract, which are subject to the Prepayments, shall not persist beyond the Reconciliation Period

## **7 Risk Register**

The Parties shall review the Risk Register set out in Annex 3 from time to time and as otherwise required for the purposes of Schedule 21 (*Governance*).

**Redundancy Costs** means the total sum of any of the following sums paid to Applicable Supplier Personnel, each amount apportioned between the Supplier and the Authority based on the time spent by such employee on the Services as a proportion of the total Service duration:

- (a) any statutory redundancy payment; and
- (b) in respect of an employee who was a Transferring Former Supplier Employee or a Transferring Authority Employee, any contractual redundancy payment (or where such a contractual benefit on redundancy is a benefit payable from a pension scheme, the increase in cost to the Supplier as a net present value compared to the benefit payable on termination of employment without redundancy), provided that such employee was entitled to such contractual redundancy payment immediately prior to his or her transfer to the Supplier under the Employment Regulations;

**Request for Estimate** means a written request sent by the Authority to the Supplier, requiring that the Supplier provide it with an accurate estimate of the Termination Payment and Compensation Payment that would be payable if the Authority exercised its right under Clause 31.1(a) (Termination by the Authority) to terminate this Contract for convenience on a specified Termination Date.

**Shortfall Period** has the meaning given in Paragraph 9.2.

**Termination Estimate** has the meaning given in Paragraph 14.2.

**Third Party Contract** means a contract with a third party entered into by the Supplier exclusively for the purpose of delivering the Services, as listed in Schedule 11 (*Third Party Contracts*).

**Total Costs Incurred** means the Costs incurred by the Supplier up to the Termination Date in the performance of this Contract and detailed in the Financial Model (but excluding Contract Breakage Costs, Redundancy Costs and any costs the Supplier would not otherwise be able to recover through the Charges) less any Deductions up to (and including) the Termination Date.

**Unrecovered Costs** means the Costs incurred by the Supplier in the performance of this Contract (as summarised in the Financial Model) to the extent that the same remain at the Termination Date to be recovered through Charges that but for the termination of this Contract would have been payable by the Authority after the Termination Date in accordance with Schedule 15 (*Charges and Invoicing*) as such Costs and Charges are forecast in the Financial Model.

**Unrecovered Payment** means an amount equal to the lower of:

- (a) the sum of the Unrecovered Costs and the Unrecovered Profit; and
- (b) the amount specified in Paragraph 7; and

**Unrecovered Profit** means (Total Costs Incurred x Anticipated Contract Life Profit Margin) - Profit Already Paid + Milestone Retentions remaining unpaid at the Termination Date.

## 2 Termination Payment

The Termination Payment payable pursuant to Clause 32.4(a) (*Payments by the Authority*) shall be an amount equal to the aggregate of the Breakage Costs Payment and the Unrecovered Payment.

## 3 Breakage Costs Payment

The Supplier may recover through the Breakage Costs Payment only those costs incurred by the Supplier directly as a result of the termination of this Contract which:

## OFFICIAL

- (a) would not have been incurred had this Contract continued until expiry of the Initial Term, or in the event that the Term has been extended, the expiry of the Extension Period;
- (b) are unavoidable, proven, reasonable, and not capable of recovery;
- (c) are incurred under arrangements or agreements that are directly associated with this Contract;
- (d) are not Contract Breakage Costs relating to contracts or Sub-contracts with Affiliates of the Supplier; and
- (e) relate directly to the termination of the Services.

#### **4 Limitation on Breakage Costs Payment**

The Breakage Costs Payment shall not exceed the lower of:

- (a) the relevant limit set out in Annex 1; and
- (b) 120% of the estimate for the Breakage Costs Payment set out in any relevant Termination Estimate.

#### **5 Redundancy Costs**

- 5.1 The Authority shall not be liable under this Schedule for any costs associated with Supplier Personnel (whether relating to redundancy, redeployment or otherwise) other than the Redundancy Costs.
- 5.2 Where the Supplier can demonstrate that a member of Supplier Personnel will be made redundant following termination of this Contract, but redeployment of such person is possible and would offer value for money to the Authority when compared with redundancy, then the Authority shall pay the Supplier the actual direct costs incurred by the Supplier or its Sub-contractor arising out of the redeployment of such person (including retraining and relocation costs) subject to a maximum amount of £30,000 per relevant member of the Supplier Personnel.

#### **6 Contract Breakage Costs**

- 6.1 The Supplier shall be entitled to Contract Breakage Costs only in respect of Third Party Contracts or Sub-contracts which:
  - (a) are not assigned or novated to a Replacement Supplier at the request of the Authority in accordance with Schedule 25 (*Exit Management*); and
  - (b) the Supplier can demonstrate:
    - (i) are surplus to the Supplier's requirements after the Termination Date, whether in relation to use internally within its business or in providing services to any of its other customers; and
    - (ii) have been entered into by it in the ordinary course of business.
- 6.2 The Supplier shall seek to negotiate termination of any Third Party Contracts or Sub-contracts with the relevant third party or Sub-contractor (as the case may be) using all reasonable endeavours to minimise the cancellation or termination charges.

OFFICIAL

6.3 Except with the prior written agreement of the Authority, the Authority shall not be liable for any costs (including cancellation or termination charges) that the Supplier is obliged to pay in respect of:

- (a) the termination of any contractual arrangements for occupation of, support of and/or services provided for Supplier premises which may arise as a consequence of the termination of this Contract; and/or
- (b) Assets not yet installed at the Termination Date.

## 7 Unrecovered Payment

The Unrecovered Payment shall not exceed the lowest of:

- (a) the relevant limit set out in Annex 1;
- (b) 120% of the estimate for the Unrecovered Payment set out in any relevant Termination Estimate; and
- (c) the Charges that but for the termination of this Contract would have been payable by the Authority after the Termination Date in accordance with Schedule 15 (*Charges and Invoicing*) as forecast in the Financial Model.

## 8 Mitigation of Contract Breakage Costs, Redundancy Costs and Unrecovered Costs

8.1 The Supplier agrees to use all reasonable endeavours to minimise and mitigate Contract Breakage Costs, Redundancy Costs and Unrecovered Costs by:

- (a) the appropriation of Assets, employees and resources for other purposes;
- (b) at the Authority's request, assigning any Third Party Contracts and Sub-contracts to the Authority or a third party acting on behalf of the Authority; and
- (c) in relation Third Party Contracts and Sub-contract that are not to be assigned to the Authority or to another third party, terminating those contracts at the earliest possible date without breach or where contractually permitted.

8.2 If Assets, employees and resources can be used by the Supplier for other purposes, then there shall be an equitable reduction in the Contract Breakage Costs, Redundancy Costs and Unrecovered Costs payable by the Authority or a third party to the Supplier. In the event of any Dispute arising over whether the Supplier can use any Assets, employees and/or resources for other purposes and/or over the amount of the relevant equitable reduction, the Dispute shall be referred to an Expert for determination in accordance with the procedure detailed in Schedule 23 (*Dispute Resolution Procedure*).

## 9 Compensation Payment

9.1 The Compensation Payment payable pursuant to Clause 32.4(b) (*Payments by the Authority*) shall be an amount equal to the total forecast Charges over the Shortfall Period (as stated in the Financial Model) multiplied by the Anticipated Contract Life Profit Margin.

9.2 For the purposes of Paragraph 9.1, the **Shortfall Period** means:

- (a) where the Authority terminates this Contract pursuant to Clause 31.1(a) (*Termination by the Authority*), a number of days equal to the number of days by which the notice given (or deemed

## OFFICIAL

given pursuant to Paragraph 2.1.1 of Part D of Schedule 15 (*Charges and Invoicing*) falls short of three hundred and sixty-five (365) days; or

- (b) where the Supplier terminates this Contract pursuant to Clause 31.3(a) (*Termination by the Supplier*), a number of days equal to the number of days by which the period from (and including) the date of the non-payment by the Authority to (and including) the Termination Date falls short of 365 days,

but in each case subject to the limit set out in Paragraph 9.3.

9.3 The Compensation Payment shall be no greater than the lower of:

- (a) the relevant limit set out in Annex 1; and
- (b) 120% of the estimate for the Compensation Payment set out in the relevant Termination Estimate.

## 10 Full and Final Settlement

Any Termination Payment and/or Compensation Payment paid under this Schedule shall be in full and final settlement of any claim, demand and/or proceedings of the Supplier in relation to any termination by the Authority pursuant to Clause 31.1(a) (*Termination by the Authority*) or termination by the Supplier pursuant to Clause 31.3(a) (*Termination by the Supplier*) (as applicable), and the Supplier shall be excluded from all other rights and remedies it would otherwise have been entitled to in respect of any such termination.

## 11 Invoicing for the Payments on Termination

All sums due under this Schedule shall be payable by the Authority to the Supplier in accordance with the payment terms set out in Schedule 15 (*Charges and Invoicing*).

## 12 Set Off

The Authority shall be entitled to set off any outstanding liabilities of the Supplier against any amounts that are payable by it pursuant to this Schedule.

## 13 No Double Recovery

- 13.1 If any amount payable under this Schedule (in whole or in part) relates to or arises from any Transferring Assets then, to the extent that the Authority makes any payments pursuant to Schedule 25 (*Exit Management*) in respect of such Transferring Assets, such payments shall be deducted from the amount payable pursuant to this Schedule.
- 13.2 The value of the Termination Payment and/or the Compensation Payment shall be reduced or extinguished to the extent that the Supplier has already received the Charges or the financial benefit of any other rights or remedy given under this Contract so that there is no double counting in calculating the relevant payment.
- 13.3 Any payments that are due in respect of the Transferring Assets shall be calculated in accordance with the provisions of the Exit Plan.

## 14 Estimate of Termination Payment and Compensation Payment

- 14.1 The Authority may issue a Request for Estimate at any time during the Term provided that no more than 2 Requests for Estimate may be issued in any 6 month period.

## OFFICIAL

- 14.2 The Supplier shall within 20 Working Days of receiving the Request for Estimate (or such other timescale agreed between the Parties), provide an accurate written estimate of the Termination Payment and the Compensation Payment that would be payable by the Authority based on a postulated Termination Date specified in the Request for Estimate (such estimate being the **Termination Estimate**). The Termination Estimate shall:
- (a) be based on the relevant amounts set out in the Financial Model;
  - (b) include:
    - (i) details of the mechanism by which the Termination Payment is calculated;
    - (ii) full particulars of the estimated Contract Breakage Costs in respect of each Sub-contract or Third Party Contract and appropriate supporting documentation; and
    - (iii) such information as the Authority may reasonably require; and
  - (c) state the period for which that Termination Estimate remains valid, which shall be not less than 20 Working Days.
- 14.3 The Supplier acknowledges that issue of a Request for Estimate shall not be construed in any way as to represent an intention by the Authority to terminate this Contract.
- 14.4 If the Authority issues a Termination Notice to the Supplier within the stated period for which a Termination Estimate remains valid, the Supplier shall use the same mechanism to calculate the Termination Payment as was detailed in the Termination Estimate unless otherwise agreed in writing between the Supplier and the Authority.

Annex 1 – Maximum Payments on Termination

The table below sets out, by Contract Year, the maximum amount of the Unrecovered Payment, Breakage Costs Payment and Compensation Payment that the Authority shall be liable to pay to the Supplier pursuant to this Contract:

## **Schedule 17 – Benchmarking**

## Schedule 17 – Benchmarking

### 1 Definitions

In this Schedule, the following definitions shall apply:

**Benchmarked Service** means a Service that the Authority elects to include in a Benchmark Review under Paragraph 2.3.

**Benchmarker** means the independent third party appointed under Paragraph 3.1.

**Benchmark Report** means the report produced by the Benchmarker following the Benchmark Review as further described in Paragraph 5.

**Benchmark Review** means a review of one or more of the Services carried out in accordance with Paragraph 4 to determine whether those Services represent Good Value.

**Comparable Service** means in relation to a Benchmark Service, a service that is identical or materially similar to the Benchmark Service (including in terms of scope, specification, volume and quality of performance).

**Comparison Group** means, in relation to a Comparable Service, a sample group of organisations providing the Comparable Service identified by the Benchmarker under Paragraph 4.8 which consists of organisations which are either of similar size to the Supplier or which are similarly structured in terms of their business and their service offering so as to be (in the Benchmarker's professional opinion) fair comparators with the Supplier or which, in the professional opinion of the Benchmarker, are best practice organisations and, where there are a reasonable number of such organisations, referencing only those organisations that are carrying on at least a significant part of their business within the United Kingdom;.

**Equivalent Services Data** means in relation to a Comparable Service, data derived from an analysis of the Comparable Service provided by the Comparison Group as adjusted in accordance with Paragraphs 4.8(a) and 4.9 provided that the Benchmarker shall not use any such data that relates to a period which ended more than 36 months prior to the date of the appointment of the Benchmarker.

**Good Value** means in relation to a Benchmark Service, that:

- (a) having taken into account the Performance Indicators and Target Performance Levels, the value for money of the Charges attributable to that Benchmark Service is at least as good as the value for money of the Upper Quartile; and
- (b) any Performance Indicators and Target Performance Levels applicable to that Benchmark Service are, having taken into account the Charges, equal to or better than the median service levels for the Comparable Service using Equivalent Services Data.

**Upper Quartile** means the top 25% of instances of provision of a Comparable Service by members of the Comparison Group ranked by best value for money to the recipients of that Comparable Service.

### 2 Frequency, Purpose and Scope of Benchmark Review

- 2.1 The Authority may, by written notice to the Supplier, require a Benchmark Review of any or all of the Services in order to establish whether a Benchmark Service is, and/or the Benchmark Services as a whole are, Good Value.

## OFFICIAL

2.2 The Authority shall not be entitled to carry out a Benchmark Review of any Services during the 12 month period from the Operational Service Commencement Date for those Services, nor at intervals of less than 12 months after any previous Benchmark Review relating to the same Services.

2.3 The Services that are to be the Benchmarked Services shall be identified by the Authority in the notice given under Paragraph 2.1.

### **3 Appointment of Benchmark**

3.1 The Authority shall appoint as the Benchmark to carry out the Benchmark Review either an organisation on the list of organisations set out in Annex 1 or such other organisation as may be agreed in writing between the Parties.

3.2 The Authority shall, at the written request of the Supplier, require the Benchmark to enter into a confidentiality agreement with the Supplier in, or substantially in, the form set out in Annex Annex 2.

3.3 The costs and expenses of the Benchmark and the Benchmark Review shall be shared equally between both Parties provided that each Party shall bear its own internal costs of the Benchmark Review. The Benchmark shall not be compensated on a contingency fee or incentive basis.

3.4 The Authority shall be entitled to pay the Benchmark's costs and expenses in full and to recover the Supplier's share from the Supplier.

### **4 Benchmark Review**

4.1 The Authority shall require the Benchmark to produce, and to send to each Party for approval, a draft plan for the Benchmark Review within 10 Working Days after the date of the appointment of the Benchmark, or such longer period as the Benchmark shall reasonably request in all the circumstances. The plan must include:

- (a) a proposed timetable for the Benchmark Review;
- (b) a description of the information that the Benchmark requires each Party to provide;
- (c) a description of the benchmarking methodology to be used;
- (d) a description that clearly illustrates that the benchmarking methodology to be used is capable of fulfilling the benchmarking objectives under Paragraph 2.1;
- (e) an estimate of the resources required from each Party to underpin the delivery of the plan;
- (f) a description of how the Benchmark will scope and identify the Comparison Group;
- (g) details of any entities which the Benchmark proposes to include within the Comparison Group; and
- (h) if in the Benchmark's professional opinion there are no Comparable Services or the number of entities carrying out Comparable Services is insufficient to create a Comparison Group, a detailed approach for meeting the relevant benchmarking objective(s) under Paragraph 2.1 using a proxy for the Comparison Services and/or Comparison Group as applicable.

4.2 The Parties acknowledge that the selection and or use of proxies for the Comparison Group (both in terms of number and identity of entities) and Comparable Services shall be a matter for the Benchmark's professional judgment.

## OFFICIAL

- 4.3 Each Party shall give notice in writing to the Benchmarker and to the other Party within 10 Working Days after receiving the draft plan either approving the draft plan or suggesting amendments to that plan which must be reasonable. Where a Party suggests amendments to the draft plan pursuant to this Paragraph 4.3, the Benchmarker shall, if it believes the amendments are reasonable, produce an amended draft plan. Paragraph 4.1 and this Paragraph 4.3 shall apply to any amended draft plan.
- 4.4 Failure by a Party to give notice under Paragraph 4.3 shall be treated as approval of the draft plan by that Party. If the Parties fail to approve the draft plan within 30 Working Days of its first being sent to them pursuant to Paragraph 4.1 then the Benchmarker shall prescribe the plan.
- 4.5 Once the plan is approved by both Parties or prescribed by the Benchmarker, the Benchmarker shall carry out the Benchmark Review in accordance with the plan. Each Party shall procure that all the information described in the plan, together with any additional information reasonably required by the Benchmarker is provided to the Benchmarker without undue delay. If the Supplier fails to provide any information requested from it by the Benchmarker and described in the plan, such failure shall constitute a material Default for the purposes of Clause 25.1(c) (*Rectification Plan Process*).
- 4.6 Each Party shall co-operate fully with the Benchmarker, including by providing access to records, technical documentation, premises, equipment, systems and personnel at times reasonably requested by the Benchmarker, provided that the Benchmarker shall be instructed to minimise any disruption to the Services.
- 4.7 Either Party may provide additional material to the Benchmarker to assist the Benchmarker in conducting the Benchmark Review.
- 4.8 Once it has received the information it requires, the Benchmarker shall:
- (a) finalise the sample of entities constituting the Comparison Group and collect data relating to Comparable Services. The final selection of the Comparison Group (both in terms of number and identity of entities) and of the Comparable Services shall be a matter for the Benchmarker's professional judgment;
  - (b) derive the Equivalent Services Data by applying the adjustment factors listed in Paragraph 4.9 and from an analysis of the Comparable Services;
  - (c) derive the relative value for money of the charges payable for the Comparable Services using the Equivalent Services Data and from that derive the Upper Quartile;
  - (d) derive the median service levels relating to the Comparable Services using the Equivalent Services Data;
  - (e) compare the value for money of the Charges attributable to the Benchmarked Services (having regard in particular to the applicable Performance Indicators and Target Performance Levels) to the value for money of the Upper Quartile;
  - (f) compare the Performance Indicators and Target Performance Levels attributable to the Benchmarked Services (having regard to the Charges and Service Credits) with the median service levels using the Equivalent Services Data; and
  - (g) determine whether or not each Benchmarked Service is and/or the Benchmarked Services as a whole are, Good Value.
- 4.9 The Benchmarker shall have regard to the following matters when performing a comparative assessment of a Benchmarked Service and a Comparable Service in order to derive Equivalent Services Data:

## OFFICIAL

- (a) the contractual and business environment under which the Services are being provided (including the scope, scale, complexity and geographical spread of the Services);
- (b) any front-end investment and development costs of the Supplier;
- (c) the Supplier's risk profile including the financial, performance or liability risks associated with the provision of the Services as a whole;
- (d) the extent of the Supplier's management and contract governance responsibilities;
- (e) any other reasonable factors demonstrated by the Supplier, which, if not taken into consideration, could unfairly cause the Supplier's pricing to appear non-competitive (such as erroneous costing, non-sustainable behaviour including excessive consumption of energy or over-aggressive pricing).

## 5 Benchmark Report

- 5.1 The Benchmarker shall be required to prepare a Benchmark Report and deliver it simultaneously to both Parties, at the time specified in the plan approved under Paragraph 4, setting out its findings. The Benchmark Report shall:
- (a) include a finding as to whether or not each Benchmarked Service is and/or whether the Benchmarked Services as a whole are, Good Value;
  - (b) include other findings (if any) regarding the quality and competitiveness or otherwise of those Services;
  - (c) if any Benchmarked Service is not Good Value, or the Benchmarked Services as a whole are not Good Value, specify the changes that would be required to the Charges, Performance Indicators and/or Target Performance Levels, that would be required to make that Benchmarked Service or those Benchmarked Services as a whole Good Value; and
  - (d) illustrate the method used for any normalisation of the Equivalent Services Data
- 5.2 The Benchmarker shall act as an expert and not as an arbitrator.
- 5.3 If the Benchmark Report states that any Benchmarked Service is not Good Value or that the Benchmarked Services as a whole are not Good Value, then the Supplier shall (subject to Paragraphs 5.5 and 5.6) implement the changes set out in the Benchmark Report as soon as reasonably practicable within timescales agreed with the Authority but in any event within no more than 3 months. Any associated changes to the Charges shall take effect only from the same date and shall not be retrospective.
- 5.4 The Supplier acknowledges and agrees that Benchmark Reviews shall not result in any increase to the Charges, disapplication of the Performance Indicators or any reduction in the Target Performance Levels.
- 5.5 The Supplier shall be entitled to reject any Benchmark Report if the Supplier reasonably considers that the Benchmarker has not followed the procedure for the related Benchmark Review as set out in this Schedule in any material respect.
- 5.6 The Supplier shall not be obliged to implement any Benchmark Report to the extent this would cause the Supplier to provide the Services at a loss (as determined, by reference to the Financial Model), or to the extent the Supplier cannot technically implement the recommended changes.
- 5.7 In the event of any Dispute arising over whether the Benchmarker has followed the procedure for the related Benchmark Review under Paragraph 5.5 and/or any matter referred to in Paragraph 5.6, the

## OFFICIAL

Dispute shall be referred to Expert Determination. For the avoidance of doubt in the event of a Dispute between the Parties, the Authority shall continue to pay the Charges to the Supplier in accordance with the terms of this Contract and the Performance Indicators and Target Performance Levels shall remain unchanged pending the conclusion of the Expert Determination.

5.8 On conclusion of the Expert Determination:

- (a) if the Expert determines that all or any part of the Benchmark Report recommendations regarding any reduction in the Charges shall be implemented by the Supplier, the Supplier shall immediately repay to the Authority the difference between the Charges paid by the Authority up to and including the date of the Expert's determination and the date upon which the recommended reduction in Charges should have originally taken effect pursuant to Paragraph 5.3 together with interest thereon at the applicable rate under the Late Payment Of Commercial Debts (Interest) Act 1998; and
- (b) if the Expert determines that all or any part of the Benchmark Report recommendations regarding any changes to the Performance Indicators and/or Target Performance Levels shall be implemented by the Supplier:
  - (i) the Supplier shall immediately implement the relevant changes;
  - (ii) the Supplier shall immediately pay an amount equal to any Service Credits which would have accrued up to and including the date of the Expert's determination if the relevant changes had taken effect on the date determined pursuant to Paragraph 5.3 together with interest thereon at the applicable rate under the Late Payment Of Commercial Debts (Interest) Act 1998; and
  - (iii) the relevant changes shall thereafter be subject to the Change Control Procedure for the purposes of formalising and documenting the relevant change or amendment for the purposes of this Contract.

5.9 Any failure by the Supplier to implement the changes as set out in the Benchmark Report in accordance with the relevant timescales determined in accordance with Paragraph 5.3 (unless the provisions of Paragraph 5.6 and/or Paragraph 5.7 apply) or in accordance with Paragraph 5.8 shall, without prejudice to any other rights or remedies of the Authority, constitute a Supplier Termination Event.

## **Schedule 17 – Benchmarking**

## Schedule 17 – Benchmarking

### 1 Definitions

In this Schedule, the following definitions shall apply:

**Benchmarked Service** means a Service that the Authority elects to include in a Benchmark Review under Paragraph 2.3.

**Benchmarker** means the independent third party appointed under Paragraph 3.1.

**Benchmark Report** means the report produced by the Benchmarker following the Benchmark Review as further described in Paragraph 5.

**Benchmark Review** means a review of one or more of the Services carried out in accordance with Paragraph 4 to determine whether those Services represent Good Value.

**Comparable Service** means in relation to a Benchmark Service, a service that is identical or materially similar to the Benchmark Service (including in terms of scope, specification, volume and quality of performance).

**Comparison Group** means, in relation to a Comparable Service, a sample group of organisations providing the Comparable Service identified by the Benchmarker under Paragraph 4.8 which consists of organisations which are either of similar size to the Supplier or which are similarly structured in terms of their business and their service offering so as to be (in the Benchmarker's professional opinion) fair comparators with the Supplier or which, in the professional opinion of the Benchmarker, are best practice organisations and, where there are a reasonable number of such organisations, referencing only those organisations that are carrying on at least a significant part of their business within the United Kingdom;.

**Equivalent Services Data** means in relation to a Comparable Service, data derived from an analysis of the Comparable Service provided by the Comparison Group as adjusted in accordance with Paragraphs 4.8(a) and 4.9 provided that the Benchmarker shall not use any such data that relates to a period which ended more than 36 months prior to the date of the appointment of the Benchmarker.

**Good Value** means in relation to a Benchmark Service, that:

- (a) having taken into account the Performance Indicators and Target Performance Levels, the value for money of the Charges attributable to that Benchmark Service is at least as good as the value for money of the Upper Quartile; and
- (b) any Performance Indicators and Target Performance Levels applicable to that Benchmark Service are, having taken into account the Charges, equal to or better than the median service levels for the Comparable Service using Equivalent Services Data.

**Upper Quartile** means the top 25% of instances of provision of a Comparable Service by members of the Comparison Group ranked by best value for money to the recipients of that Comparable Service.

### 2 Frequency, Purpose and Scope of Benchmark Review

- 2.1 The Authority may, by written notice to the Supplier, require a Benchmark Review of any or all of the Services in order to establish whether a Benchmark Service is, and/or the Benchmark Services as a whole are, Good Value.

## OFFICIAL

- 2.2 The Authority shall not be entitled to carry out a Benchmark Review of any Services during the 12 month period from the Operational Service Commencement Date for those Services, nor at intervals of less than 12 months after any previous Benchmark Review relating to the same Services.
- 2.3 The Services that are to be the Benchmarked Services shall be identified by the Authority in the notice given under Paragraph 2.1.

### **3 Appointment of Benchmark**

- 3.1 The Authority shall appoint as the Benchmark to carry out the Benchmark Review either an organisation on the list of organisations set out in Annex 1 or such other organisation as may be agreed in writing between the Parties.
- 3.2 The Authority shall, at the written request of the Supplier, require the Benchmark to enter into a confidentiality agreement with the Supplier in, or substantially in, the form set out in Annex Annex 2.
- 3.3 The costs and expenses of the Benchmark and the Benchmark Review shall be shared equally between both Parties provided that each Party shall bear its own internal costs of the Benchmark Review. The Benchmark shall not be compensated on a contingency fee or incentive basis.
- 3.4 The Authority shall be entitled to pay the Benchmark's costs and expenses in full and to recover the Supplier's share from the Supplier.

### **4 Benchmark Review**

- 4.1 The Authority shall require the Benchmark to produce, and to send to each Party for approval, a draft plan for the Benchmark Review within 10 Working Days after the date of the appointment of the Benchmark, or such longer period as the Benchmark shall reasonably request in all the circumstances. The plan must include:
- (a) a proposed timetable for the Benchmark Review;
  - (b) a description of the information that the Benchmark requires each Party to provide;
  - (c) a description of the benchmarking methodology to be used;
  - (d) a description that clearly illustrates that the benchmarking methodology to be used is capable of fulfilling the benchmarking objectives under Paragraph 2.1;
  - (e) an estimate of the resources required from each Party to underpin the delivery of the plan;
  - (f) a description of how the Benchmark will scope and identify the Comparison Group;
  - (g) details of any entities which the Benchmark proposes to include within the Comparison Group; and
  - (h) if in the Benchmark's professional opinion there are no Comparable Services or the number of entities carrying out Comparable Services is insufficient to create a Comparison Group, a detailed approach for meeting the relevant benchmarking objective(s) under Paragraph 2.1 using a proxy for the Comparison Services and/or Comparison Group as applicable.
- 4.2 The Parties acknowledge that the selection and or use of proxies for the Comparison Group (both in terms of number and identity of entities) and Comparable Services shall be a matter for the Benchmark's professional judgment.

## OFFICIAL

- 4.3 Each Party shall give notice in writing to the Benchmarker and to the other Party within 10 Working Days after receiving the draft plan either approving the draft plan or suggesting amendments to that plan which must be reasonable. Where a Party suggests amendments to the draft plan pursuant to this Paragraph 4.3, the Benchmarker shall, if it believes the amendments are reasonable, produce an amended draft plan. Paragraph 4.1 and this Paragraph 4.3 shall apply to any amended draft plan.
- 4.4 Failure by a Party to give notice under Paragraph 4.3 shall be treated as approval of the draft plan by that Party. If the Parties fail to approve the draft plan within 30 Working Days of its first being sent to them pursuant to Paragraph 4.1 then the Benchmarker shall prescribe the plan.
- 4.5 Once the plan is approved by both Parties or prescribed by the Benchmarker, the Benchmarker shall carry out the Benchmark Review in accordance with the plan. Each Party shall procure that all the information described in the plan, together with any additional information reasonably required by the Benchmarker is provided to the Benchmarker without undue delay. If the Supplier fails to provide any information requested from it by the Benchmarker and described in the plan, such failure shall constitute a material Default for the purposes of Clause 25.1(c) (*Rectification Plan Process*).
- 4.6 Each Party shall co-operate fully with the Benchmarker, including by providing access to records, technical documentation, premises, equipment, systems and personnel at times reasonably requested by the Benchmarker, provided that the Benchmarker shall be instructed to minimise any disruption to the Services.
- 4.7 Either Party may provide additional material to the Benchmarker to assist the Benchmarker in conducting the Benchmark Review.
- 4.8 Once it has received the information it requires, the Benchmarker shall:
- (a) finalise the sample of entities constituting the Comparison Group and collect data relating to Comparable Services. The final selection of the Comparison Group (both in terms of number and identity of entities) and of the Comparable Services shall be a matter for the Benchmarker's professional judgment;
  - (b) derive the Equivalent Services Data by applying the adjustment factors listed in Paragraph 4.9 and from an analysis of the Comparable Services;
  - (c) derive the relative value for money of the charges payable for the Comparable Services using the Equivalent Services Data and from that derive the Upper Quartile;
  - (d) derive the median service levels relating to the Comparable Services using the Equivalent Services Data;
  - (e) compare the value for money of the Charges attributable to the Benchmarked Services (having regard in particular to the applicable Performance Indicators and Target Performance Levels) to the value for money of the Upper Quartile;
  - (f) compare the Performance Indicators and Target Performance Levels attributable to the Benchmarked Services (having regard to the Charges and Service Credits) with the median service levels using the Equivalent Services Data; and
  - (g) determine whether or not each Benchmarked Service is and/or the Benchmarked Services as a whole are, Good Value.
- 4.9 The Benchmarker shall have regard to the following matters when performing a comparative assessment of a Benchmarked Service and a Comparable Service in order to derive Equivalent Services Data:

OFFICIAL

- (a) the contractual and business environment under which the Services are being provided (including the scope, scale, complexity and geographical spread of the Services);
- (b) any front-end investment and development costs of the Supplier;
- (c) the Supplier's risk profile including the financial, performance or liability risks associated with the provision of the Services as a whole;
- (d) the extent of the Supplier's management and contract governance responsibilities;
- (e) any other reasonable factors demonstrated by the Supplier, which, if not taken into consideration, could unfairly cause the Supplier's pricing to appear non-competitive (such as erroneous costing, non-sustainable behaviour including excessive consumption of energy or over-aggressive pricing).

## 5 Benchmark Report

- 5.1 The Benchmarker shall be required to prepare a Benchmark Report and deliver it simultaneously to both Parties, at the time specified in the plan approved under Paragraph 4, setting out its findings. The Benchmark Report shall:
- (a) include a finding as to whether or not each Benchmarked Service is and/or whether the Benchmarked Services as a whole are, Good Value;
  - (b) include other findings (if any) regarding the quality and competitiveness or otherwise of those Services;
  - (c) if any Benchmarked Service is not Good Value, or the Benchmarked Services as a whole are not Good Value, specify the changes that would be required to the Charges, Performance Indicators and/or Target Performance Levels, that would be required to make that Benchmarked Service or those Benchmarked Services as a whole Good Value; and
  - (d) illustrate the method used for any normalisation of the Equivalent Services Data
- 5.2 The Benchmarker shall act as an expert and not as an arbitrator.
- 5.3 If the Benchmark Report states that any Benchmarked Service is not Good Value or that the Benchmarked Services as a whole are not Good Value, then the Supplier shall (subject to Paragraphs 5.5 and 5.6) implement the changes set out in the Benchmark Report as soon as reasonably practicable within timescales agreed with the Authority but in any event within no more than 3 months. Any associated changes to the Charges shall take effect only from the same date and shall not be retrospective.
- 5.4 The Supplier acknowledges and agrees that Benchmark Reviews shall not result in any increase to the Charges, disapplication of the Performance Indicators or any reduction in the Target Performance Levels.
- 5.5 The Supplier shall be entitled to reject any Benchmark Report if the Supplier reasonably considers that the Benchmarker has not followed the procedure for the related Benchmark Review as set out in this Schedule in any material respect.
- 5.6 The Supplier shall not be obliged to implement any Benchmark Report to the extent this would cause the Supplier to provide the Services at a loss (as determined, by reference to the Financial Model), or to the extent the Supplier cannot technically implement the recommended changes.
- 5.7 In the event of any Dispute arising over whether the Benchmarker has followed the procedure for the related Benchmark Review under Paragraph 5.5 and/or any matter referred to in Paragraph 5.6, the

## OFFICIAL

Dispute shall be referred to Expert Determination. For the avoidance of doubt in the event of a Dispute between the Parties, the Authority shall continue to pay the Charges to the Supplier in accordance with the terms of this Contract and the Performance Indicators and Target Performance Levels shall remain unchanged pending the conclusion of the Expert Determination.

5.8 On conclusion of the Expert Determination:

- (a) if the Expert determines that all or any part of the Benchmark Report recommendations regarding any reduction in the Charges shall be implemented by the Supplier, the Supplier shall immediately repay to the Authority the difference between the Charges paid by the Authority up to and including the date of the Expert's determination and the date upon which the recommended reduction in Charges should have originally taken effect pursuant to Paragraph 5.3 together with interest thereon at the applicable rate under the Late Payment Of Commercial Debts (Interest) Act 1998; and
- (b) if the Expert determines that all or any part of the Benchmark Report recommendations regarding any changes to the Performance Indicators and/or Target Performance Levels shall be implemented by the Supplier:
  - (i) the Supplier shall immediately implement the relevant changes;
  - (ii) the Supplier shall immediately pay an amount equal to any Service Credits which would have accrued up to and including the date of the Expert's determination if the relevant changes had taken effect on the date determined pursuant to Paragraph 5.3 together with interest thereon at the applicable rate under the Late Payment Of Commercial Debts (Interest) Act 1998; and
  - (iii) the relevant changes shall thereafter be subject to the Change Control Procedure for the purposes of formalising and documenting the relevant change or amendment for the purposes of this Contract.

5.9 Any failure by the Supplier to implement the changes as set out in the Benchmark Report in accordance with the relevant timescales determined in accordance with Paragraph 5.3 (unless the provisions of Paragraph 5.6 and/or Paragraph 5.7 apply) or in accordance with Paragraph 5.8 shall, without prejudice to any other rights or remedies of the Authority, constitute a Supplier Termination Event.

### **ANNEX 4: Calculation Methodology for Financial Indicators**

The Supplier shall ensure that it uses the following general and specific methodologies for calculating the Financial Indicators against the Financial Target Thresholds:

#### **General methodology**

1. **Terminology:** The terms referred to in this Annex are those used by UK companies in their financial statements. Where the entity is not a UK company, the corresponding items should be used even if the terminology is slightly different (for example a charity would refer to a surplus or deficit rather than a profit or loss).
2. **Groups:** Where the entity is the holding company of a group and prepares consolidated financial statements, the consolidated figures should be used.
3. **Foreign currency conversion:** Figures denominated in foreign currencies should be converted at the exchange rate in force at the relevant date for which the Financial Indicator is being calculated.
4. **Treatment of non-underlying items:** Financial Indicators should be based on the figures in the financial statements before adjusting for non-underlying items.

#### **Specific Methodology**

The Supplier shall then re-issue the relevant Impact Assessment to the Authority within 10 Working Days of receiving such notification. At the Authority's discretion, the Parties may repeat the process described in this Paragraph 5.4 until the Authority is satisfied that it has sufficient information to properly evaluate the Change Request and Impact Assessment.

  - (ii) require the Services to be performed in a way that infringes any Law; and/or
- (b) the Supplier demonstrates to the Authority's reasonable satisfaction that the proposed Contract Change is technically impossible to implement and neither the Supplier Solution nor the Services Description state that the Supplier does have the technical capacity and flexibility required to implement the proposed Contract Change,

2.1 If a Dispute arises then:

- (a) the Authority Representative and the Supplier Representative shall attempt in good faith to resolve the Dispute; and
- (b) if such attempts are not successful within a reasonable period, not being longer than 20 Working Days, either Party may issue to the other a Dispute Notice.

2.2 A Dispute Notice:

- (a) shall set out:
  - (i) the material particulars of the Dispute;

OFFICIAL

- (ii) the reasons why the Party serving the Dispute Notice believes that the Dispute has arisen; and
    - (iii) if the Party serving the Dispute Notice believes that the Dispute should be dealt with under the Expedited Dispute Timetable, the reason why; and
  - (b) may specify in accordance with the requirements of Paragraphs 9.2 and 9.3 that the Party issuing the Dispute Notice has determined (in the case of the Authority) or considers (in the case of the Supplier) that the Dispute is a Multi-Party Dispute, in which case Paragraph 2.3 shall apply.
- 2.3 If a Dispute Notice specifies that the Dispute has been determined or is considered to be a Multi-Party Dispute pursuant to Paragraph 2.2(b), then:
- (a) if it is served by the Authority it shall be treated as a Multi-Party Procedure Initiation Notice; and
  - (b) if it is served by the Supplier it shall be treated as a Supplier Request,
- and in each case the provisions of Paragraph 9 shall apply.

- 2.6 Unless agreed otherwise in writing, the Parties shall continue to comply with their respective obligations under this Contract regardless of the nature of the Dispute and notwithstanding any issue of a Dispute Notice or a Multi-Party Procedure Initiation Notice or proceedings under Paragraph 8 (*Urgent Relief*).

### 3 Expedited Dispute Timetable

- 3.1 In exceptional circumstances where the use of the times in this Schedule would be unreasonable, including (by way of example) where one Party would be materially disadvantaged by a delay in resolving the Dispute, the Parties may agree to use the Expedited Dispute Timetable. If the Parties are unable to reach agreement on whether to use the Expedited Dispute Timetable within 5 Working Days of the issue of a Dispute Notice, the use of the Expedited Dispute Timetable shall be at the sole discretion of the Authority.

## OFFICIAL

(c) in Paragraph 6.2, 5 Working Days; and

- 3.3 If at any point it becomes clear that an applicable deadline cannot be met or has passed, the Parties may (but shall be under no obligation to) agree in writing to extend the deadline. If the Parties fail to agree within 2 Working Days after the deadline has passed, the Authority may set a revised deadline provided that it is no less than 5 Working Days before the end of the period of time specified in the applicable Paragraphs (or 2 Working Days in the case of Paragraph 6.2). Any agreed extension shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension. If the Authority fails to set such a revised deadline then the use of the Expedited Dispute Timetable shall cease and the normal time periods shall apply from that point onwards.

#### 4 Commercial Negotiation

- 4.1 Following the service of a Dispute Notice, then, so long as the Authority has not served a Multi-Party Procedure Initiation Notice in respect of the relevant Dispute, the Authority and the Supplier shall make reasonable endeavours to resolve the Dispute as soon as possible by commercial negotiation between the Authority's Senior Responsible Officer and the Supplier's Chief Executive. If:
- (a) either Party is of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiation, will not result in an appropriate solution;

  - (c) the Parties have not settled the Dispute in accordance with Paragraph 4.1 within 30 Working Days of service of the Dispute Notice,

- 5.3 If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if both Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.
- 5.4 Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the Change Control Procedure where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

The Supplier shall not commence any court proceedings or arbitration until the expiry of such 15 Working Day period.
- 7.3 If the Authority serves a Counter Notice, then:
- (a) if the Counter Notice requires the Dispute to be referred to arbitration, the provisions of Paragraph 7.5 shall apply; or
  - (b) if the Counter Notice requires the Dispute to be subject to the exclusive jurisdiction of the courts of England and Wales, the Dispute shall be so referred to those courts and the Supplier shall not commence arbitration proceedings.
- 7.4 If the Authority does not serve a Counter Notice within the 15 Working Day period referred to in Paragraph 7.2, the Supplier may either commence arbitration proceedings in accordance with Paragraph 7.5 or commence court proceedings in the Courts of England and Wales which shall (in those circumstances) have exclusive jurisdiction.
- 7.5 The Parties hereby confirm that if any arbitration proceedings are commenced pursuant to Paragraphs 7.1 to 7.4:

  - (b) the arbitration shall be administered by the LCIA;
  - (c) the LCIA procedural rules in force at the date that the Dispute was referred to arbitration shall be applied and are deemed to be incorporated by reference into this Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;

- 9.2 If at any time following the issue of a Dispute Notice, the Authority reasonably considers that the matters giving rise to the Dispute involve one or more Related Third Parties, then the Authority shall be entitled to determine that the Dispute is a Multi-Party Dispute and to serve a notice on the Supplier which sets out the Authority's determination that the Dispute is a Multi-Party Dispute and specifies the Related Third Parties which are to be involved in the Multi-Party Dispute Resolution Procedure, such notice a **Multi-Party Procedure Initiation Notice**.
- 9.3 If following the issue of a Dispute Notice but before the Dispute has been referred to Expert Determination or to arbitration in accordance with Paragraph 7, the Supplier has reasonable grounds to believe that the matters giving rise to the Dispute have been contributed to by one or more Related Third Parties, the Supplier may serve a Supplier Request on the Authority.
- 9.4 The Authority shall (acting reasonably) consider each Supplier Request and shall determine within 5 Working Days whether the Dispute is:
- (a) a Multi-Party Dispute, in which case the Authority shall serve a Multi-Party Procedure Initiation Notice on the Supplier; or
  - (b) not a Multi-Party Dispute, in which case the Authority shall serve written notice of such determination upon the Supplier and the Dispute shall be treated in accordance with Paragraphs 3 to 8.
- 9.5 If the Authority has determined, following a Supplier Request, that a Dispute is not a Multi-Party Dispute, the Supplier may not serve another Supplier Request with reference to the same Dispute.

- (c) in seeking to resolve or settle any Multi-Party Dispute, the members of the Multi-Party Dispute Resolution Board shall have regard to the principle that a Multi-Party Dispute should be determined based on the contractual rights and obligations between the Parties and the Related Third Parties and that any apportionment of costs should reflect the separate components of the Multi-Party Dispute.

9.8 If a Multi-Party Dispute is not resolved between the Parties and all Related Third Parties within 25 Working Days of the issue of the Multi-Party Procedure Initiation Notice (or such longer period as the Parties may agree in writing), then:

Prior to starting its review, the Supplier shall provide an accurate written estimate of the total costs payable by the Authority for the Authority's approval. The costs of both Parties of any such additional reviews shall be met by the Authority except that the Supplier shall not be entitled to charge the Authority for any costs that it may incur above any estimate without the Authority's prior written approval.
- 6.2 Each review of the Service Continuity Plan pursuant to Paragraph 6.1 shall be a review of the procedures and methodologies set out in the Service Continuity Plan and shall assess their suitability having regard to any change to the Services or any underlying business processes and operations facilitated by or supported by the Services which have taken place since the later of the original approval of the Service Continuity Plan or the last review of the Service Continuity Plan and shall also have regard to any occurrence of any event since that date (or the likelihood of any such event taking place in the foreseeable future) which may increase the likelihood of the need to invoke the Service Continuity Plan. The review shall be completed by the Supplier within the period required by the Service Continuity Plan or, if no such period is required, within such period as the Authority shall reasonably require. The Supplier shall, within 20 Working Days of the conclusion of each such review of the Service Continuity Plan, provide to the Authority a report (a **Review Report**) setting out:

6.5 The Supplier shall as soon as is reasonably practicable after receiving the Authority's approval of the Supplier's Proposals (having regard to the significance of any risks highlighted in the Review Report) effect any change in its practices or procedures necessary so as to give effect to the Supplier's Proposals. Any such change shall be at the Supplier's expense unless it can be reasonably shown that the changes are required because of a material change to the risk profile of the Services.

## **7 Testing of the Service Continuity Plan**

- 7.1 The Supplier shall test the Service Continuity Plan on a regular basis (and in any event not less than once in every Contract Year). Subject to Paragraph 7.2, the Authority may require the Supplier to conduct additional tests of some or all aspects of the Service Continuity Plan at any time where the Authority considers it necessary, including where there has been any change to the Services or any underlying business processes, or on the occurrence of any event which may increase the likelihood of the need to implement the Service Continuity Plan.
- 7.2 If the Authority requires an additional test of the Service Continuity Plan, it shall give the Supplier written notice and the Supplier shall conduct the test in accordance with the Authority's requirements and the relevant provisions of the Service Continuity Plan. The Supplier's costs of the additional test shall be borne by the Authority unless the Service Continuity Plan fails the additional test in which case the Supplier's costs of that failed test shall be borne by the Supplier.
