Purchase terms

- 1.Sharing individual or company account details is not allowed outside or inside your organisation and your account may be blocked without notification if detected.
- 2.Sharing data from the Dealroom.co database outside the client organisation is not allowed except for publishing Dealroom data in thought leadership reports & content marketing. Client agrees to mention Dealroom as a data source when publishing Dealroom data.
- 3.Upon approval of this Agreement, Dealroom shall invoice the Client the amount payable as described in the order form. Client will provide Dealroom with all the client details needed for processing invoices, such as Purchase Orders, Cost Centres, Contact persons, etc within 7 days after the signature date of this orderform.
- 4.Autorenewal, unless terminated in writing to support@dealroom.co, giving at least a 30-day notice prior to the end of the initial term (contract term).
- 5.Payments shall be made yearly in advance. All invoices have a payment term of 14 days after the invoice date.
- 6.Under this license you may use our database for internal business purposes only, you may not in any way commercialise the data shown on Dealroom.co to third parties.
- 7.A Premium license grants you access to export a certain number of data rows or records from Dealroom.co. The exact number of records is stipulated in the required order form.
- 8.Offered prices do not include possible expenses or any taxes or levies imposed by relevant authorities.
- 9.The duration and termination period is defined in the order form. Termination during a subscription period does not in any way terminate or suspend payment obligations from you to us, nor are you entitled to a (partial) refund.
- 10. Unless otherwise agreed any data offered via the platform is offered "as-is" and "as-available". Dealroom.co makes no representation or warranty with respect to the data. You indemnify us for all claims by third parties relating to the data that you have collected, saved, or, processed by means of our software. We are not liable for the content of the data that you have collected, saved, or processed within the framework of our software.
