Dear Sir/Madam

West Midlands Combined Authority: Thrive into Work IPSPC Evaluation – Ref: 05692-2024 – ITT 1449 (the "Project")

I am pleased to inform you that WMCA has made the provisional decision to award the Call-Off Contract in respect of the Project (the "**Contract**") to your organisation, on the basis of your organisation's Tender.

Copies of the contracts will be prepared and sent to you in due course.

WMCA has awarded the Contract on the basis of the most economically advantageous tender in terms of the criteria stated below:

Evaluation Criterion	Weighting
Technical	70%
Commercial	30%

The above criteria were further sub-divided into sub-criteria which were set out in the 05692-2024 Thrive into Work IPSPC Evaluation-Instructions for Tenderers document. As a result of the evaluation carried out in full accordance with that evaluation methodology, WMCA has decided that the most economically advantageous tender was submitted by your organisation. Feedback will be provided upon request.

In respect of the evaluation of your organisation's tender, the overall scores obtained by Social Finance were as follows:

Supplier Name	Quality Score	Commercial Score	Total Score
Social Finance	46%	30%	76%

I would like to emphasise that this letter does not constitute any form of binding commitment and you are strongly advised not to incur any expense or make any binding arrangements until such time as we have entered into a binding agreement with you.

I would once again like to take this opportunity of thanking you and your colleagues for your interest in this requirement and for the work undertaken in the submission of your bid. We now look forward to working with you and to the success of this arrangement.

Please acknowledge receipt of this letter.

Yours faithfully

Procurement Lead Officer
