For you to progress this requirement, you must raise your own Purchase Order directly with Agilent Technologies LDA UK Limited and quote the following unique reference number within the main body of your purchase order.

This is essential to ensure the details on the order, including price, are processed and accepted by the supplier under the terms and conditions governed by the National Framework Agreement.

The resulting contract will be subject to the terms and conditions set out in the NHS Supply Chain Framework Agreement.

Please Note that the reference numbers above cover you for this order only, for the attached quote detail and value.

If the value or details vary from those quoted, please inform me straight away. For auditing purposes, each reference number issued under the Framework must reflect those agreed within the body of this mail

I will pass the same details to Agilent Technologies LDA UK Limited who will expect to see your order within the next couple of days. Should this not be possible, please let me know as soon as possible.

When your Purchase Order Number is available, please forward a copy to the following email address Pathology@Supplychain.nhs.uk. This enables us to keep the Framework records up to date.

Many thanks,
