

Safety, Health & Environmental Information

All works are to be carried out by a person competent to undertake the type of work indicated on this drawing.

This drawing is to be read in conjunction with the risk register produced for inclusion in the Health & Safety Plan.

In addition to the hazards/risks normally associated with the types of works detailed on the drawing, note the following.

Construction: Refer to relevant H/S & risk register

Maintenance/Cleaning: Refer to relevant manual

Demolition/Adaption: Refer to relevant manual

Environmental: Refer to Asbestos Survey

All works are to comply with latest Building Regulation Requirements

Notes.

1. All dimensions are to be checked on site prior to any works taking place.
