17.2.2 notify the Customer immediately in the event of any incident occurring in the performance of its obligations under the Agreement on the Customer's premises where that incident causes any personal injury or damage to property which could give rise to personal injury.

17.3 The Supplier shall:

17.3.1 perform its obligations under the Agreement in accordance with all applicable equality Law and the Customer's equality and diversity policy as provided to the Supplier from time to time; and

17.3.2 take all reasonable steps to secure the observance of clause 17.3.1 by all Staff.

17.4 The Supplier shall supply the Services in accordance with the Customer's environmental policy as provided to the Supplier from time to time.

17.5 The Supplier shall comply with, and shall ensure that its Staff shall comply with, the provisions of:

17.5.1 the Official Secrets Acts 1911 to 1989; and

17.5.2 section 182 of the Finance Act 1989.

18 Prevention of Fraud and Corruption

- 18.1 The Supplier shall not offer, give, or agree to give anything, to any person an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of the Agreement or for showing or refraining from showing favour or disfavour to any person in relation to the Agreement.
- 18.2 The Supplier shall take all reasonable steps, in accordance with good industry practice, to prevent fraud by the Staff and the Supplier (including its shareholders, members and directors) in connection with the Agreement and shall notify the Customer immediately if it has reason to suspect that any fraud has occurred or is occurring or is likely to occur.
- 18.3 If the Supplier or the Staff engages in conduct prohibited by clause 18.1 or commits fraud in relation to the Agreement or any other contract with the Crown (including the Customer) the Customer may:
- 18.3.1 terminate the Agreement and recover from the Supplier the amount of any loss suffered by the Customer resulting from the termination, including the cost reasonably incurred by the Customer of making other arrangements for the supply of the Services and any additional expenditure incurred by the Customer throughout the remainder of the Agreement; or
 - 18.3.2 recover in full from the Supplier any other loss sustained by the Customer in consequence of any breach of this clause.

19 Dispute Resolution

- 19.1 The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Agreement and such efforts shall involve the escalation of the dispute to an appropriately senior representative of each Party.
- 19.2 If the dispute cannot be resolved by the Parties within one month of being escalated as referred to in clause 19.1, the dispute may by agreement between the Parties be referred to a neutral adviser or mediator (the “**Mediator**”) chosen by agreement between the Parties. All negotiations connected with the dispute shall be conducted in confidence and without prejudice to the rights of the Parties in any further proceedings.
- 19.3 If the Parties fail to appoint a Mediator within one month, or fail to enter into a written agreement resolving the dispute within one month of the Mediator being appointed, either Party may exercise any remedy it has under applicable law.

20 General

- 20.1 Each of the Parties represents and warrants to the other that it has full capacity and authority, and all necessary consents, licences and permissions to enter into and perform its obligations under the Agreement, and that the Agreement is executed by its duly authorised representative.
- 20.2 A person who is not a party to the Agreement shall have no right to enforce any of its provisions which, expressly or by implication, confer a benefit on him, without the prior written agreement of the Parties.
- 20.3 The Agreement cannot be varied except in writing signed by a duly authorised representative of both the Parties.
- 20.4 The Agreement contains the whole agreement between the Parties and supersedes and replaces any prior written or oral agreements, representations or understandings between them. The Parties confirm that they have not entered into the Agreement on the basis of any representation that is not expressly incorporated into the Agreement. Nothing in this clause shall exclude liability for fraud or fraudulent misrepresentation.
- 20.5 Any waiver or relaxation either partly, or wholly of any of the terms and conditions of the Agreement shall be valid only if it is communicated to the other Party in writing and expressly

stated to be a waiver. A waiver of any right or remedy arising from a breach of contract shall not constitute a waiver of any right or remedy arising from any other breach of the Agreement.

- 20.6 The Agreement shall not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in the Agreement. Neither Party shall have, nor represent that it has, any authority to make any commitments on the other Party's behalf.
- 20.7 Except as otherwise expressly provided by the Agreement, all remedies available to either Party for breach of the Agreement (whether under the Agreement, statute or common law) are cumulative and may be exercised concurrently or separately, and the exercise of one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.
- 20.8 If any provision of the Agreement is prohibited by law or judged by a court to be unlawful, void or unenforceable, the provision shall, to the extent required, be severed from the Agreement and rendered ineffective as far as possible without modifying the remaining provisions of the Agreement, and shall not in any way affect any other circumstances of or the validity or enforcement of the Agreement.

21 Notices

- 21.1 Any notice to be given under the Agreement shall be in writing and may be served by personal delivery, first class recorded or, subject to clause 21.3, e-mail to the address of the relevant Party set out in the Award Letter, or such other address as that Party may from time to time notify to the other Party in accordance with this clause:
- 21.2 Notices served as above shall be deemed served on the Working Day of delivery provided delivery is before 5.00pm on a Working Day. Otherwise delivery shall be deemed to occur on the next Working Day. An email shall be deemed delivered when sent unless an error message is received.
- 21.3 Notices under clauses 15 (Force Majeure) and 16 (Termination) may be served by email only if the original notice is then sent to the recipient by personal delivery or recorded delivery in the manner set out in clause 21.1.

22 Governing Law and Jurisdiction

The validity, construction and performance of the Agreement, and all contractual and non contractual matters arising out of it, shall be governed by English law and shall be subject to the exclusive jurisdiction of the English courts to which the Parties submit.

Annex 4
Department of Health and Social Care Travel and Expense Policy

1.0 Rail

General Principles

1.1 Below is a set of principles that staff are expected to be aware of and adhere to when undertaking rail travel:

- The **lowest cost option should be the default** when travelling by rail.
- Unless there is clear and approved justification (see below), **first class/ premium class Eurostar rail travel is not permitted** and standard class should be the default choice when travelling by rail;
- Where possible, rail travel should have **date and time restrictions**.
- Rail travel should be procured as far in advance as practical.
- The purchase of rail discount cards eg 16-25, senior, disabled persons etc may be reimbursed where it can be demonstrated they will yield savings to the Department.

Clear and approved justification for “non-standard” rail travel

3.2 Only in exceptional circumstances would it be appropriate for rail travel not to be in standard class, justifiable criteria would include:

- standard class facilities do not accommodate disabled or other special needs requirements (the disability must be relevant to the need to travel first class/premium class Eurostar
- where there are good grounds for security concerns e.g. significant risk of unwarranted attention from the media or the public; or
- you are accompanying a minister who is travelling first class/ premium class Eurostar and the business need dictates that you must sit with them.

2.0 Car

General Principles

2.1 The Department will **not** pay any penalty imposed under the Road Traffic Acts or any associated expense arising from a traffic accident or offence. Parking fines and other public transport fines will not be reimbursed by the Department.

Your own car - specific principles

2.2 If you decide that using your own vehicle for a business related journey is cost effective both in time and money, you will need to **ensure that your vehicle is insured for business use**. Insurance and other documentation are your responsibility. You will be required to declare for each mileage claim, via expenses, that insurance conditions have been met.

2.3 For business travel in your own car, the reimbursement of mileage costs should **not exceed the cost of a hire car** (including the actual cost of petrol/diesel). In such cases public transport or a hire car should be used instead, or the claim restricted to the cost to the Department if you had used a hire car.

2.4 Staff who own their own vehicle and have insured it for business use may be reimbursed:

- 45p per mile for the first 10,000 miles in any tax year (starting 6 April), and
- 25p per mile for subsequent miles.

NB the mileage rate includes cover for additional motoring costs over and above fuel, such as additional insurance premiums, repairs, maintenance etc.

Supplements for official passengers:

- 4p per mile for the first
- 2p per mile for each additional

For hire cars, actual fuel costs will be reimbursed

Motorcycle travel

- 24p per mile

Bicycle travel

- 20p per mile

Hire cars - specific principles

2.4 Hire cars should **only be used where cheaper forms of transport, including public transport, are not available, are unfeasible and/or unpractical** for the business journey(s) to be undertaken.

2.5 Cars hired for DHSC official business **cannot be used for personal use** and no private passengers should be carried

3.0 Taxis

3.1 The general principle for taxi usage is that they should only be used if their use is cost effective and staff are encouraged to travel by public transport wherever practical.

3.2 However, there may be other circumstances where travel by taxi is appropriate, examples (albeit not exhaustive) where this may be the case include:

- there is a personal safety risk;
- if you work late into the evening and as a result cannot use your normal transport home either because it is unavailable, inappropriate or unsafe;
- the overall cost is cheaper than using public transport because of the number of staff sharing;
- there is a demonstrable and necessary saving in official time; for example, where public transport is not readily available for the journey or it would take much longer;
- the traveller has special needs e.g. a disability; or
- heavy luggage or equipment is being transported.
- a necessary early morning start when public transport options are not available

3.3 Taxis must not be used for journeys of more than five miles unless no other form of public transport is available. Only exceptionally should taxis be used for journeys within London or Leeds.

4.0 Other forms of transport

4.1 There are other forms of transport in addition to those outlined already, for which the following set of general principles can be applied:

- Oyster cards or contactless debit/credit cards should be used where this offers best value for money to the Department;

If you are unable to travel by means of an Oyster card or contactless debit/credit card, receipts should generally be kept, scanned and uploaded when you seek reimbursement.

Expenses for overnight stays

For the **UK**, the limits are:

£115.00 for London

£85.00 elsewhere

For **overseas** stays the maximum cost of the hotel is specified as the “Room Rate” per the HMRC Worldwide Subsistence Rates. *

[HMRC Worldwide Subsistence Rates](#)

The subsistence rates below should be used to cover the cost of any meals when staying overnight in the UK, provided that the cost of these meals is not also included in the accommodation payment.

For overseas, the maximum meal allowances is as specified in the HMRC Worldwide Subsistence Rates (see link above).

In addition to the above up to £5.00 per day receipted expenses can be claimed for incidental overnight expenses (non-subsistence) where you have actually spent the money while on a business trip in the UK. For travel outside the UK you may claim up to £10.00 per day receipted incidental overnight expenses.

Alternatively, if you stay anywhere other than in a hotel or guest house (eg staying with friends) you may claim a “Friends & Family” allowance of up to £25.00. A receipt is not required for this.

Other than the above, there will be no reimbursement for non-receipted expenses. As such, DHSC no longer pay a Residential Course Allowance.

Subsistence rates for time away from the office outside the UK

DHSC approved rates for overseas travel are based on the worldwide subsistence rates as updated by HMRC [worldwide subsistence rates](#).

Receipts are required and the amounts stated act as a limit.
