**Section F: Additional Terms and Conditions**

In addition to the R-Cloud (Version 4) Terms and Conditions, the following shall apply to this Tasking Procedure and any resultant Contract:
<p><u>Procurement with suppliers from Russia and Belarus</u></p> <ol style="list-style-type: none"> <li>1. The Contractor shall, and shall procure that their Sub-contractors shall, notify the Authority in writing as soon as they become aware that:             <ol style="list-style-type: none"> <li>a) the Contract Deliverables and/or Services contain any Russian/Belarussian products and/or services; or</li> <li>b) that the Contractor or any part of the Contractor’s supply chain is linked to entities who are constituted or organised under the law of Russia or Belarus, or under the control (full or partial) of a Russian/Belarusian person or entity. Please note that this does not include companies:                 <ol style="list-style-type: none"> <li>(i) registered in the UK or in a country with which the UK has a relevant international agreement providing reciprocal rights of access in the relevant field of public procurement; and/or</li> <li>(ii) which have significant business operations in the UK or in a country with which the UK has a relevant international agreement providing reciprocal rights of access in the relevant field of public procurement.</li> </ol> </li> </ol> </li> <li>2. The Contractor shall, and shall procure that their Sub-contractors shall, include in such notification (or as soon as reasonably practicable following the notification) full details of the Russian products, services and/or entities and shall provide all reasonable assistance to the Authority to understand</li> </ol>

the nature, scope and impact of any such products, services and/or entities on the provision of the Contract Deliverables and/or Services.

3. The Authority shall consider the notification and information provided by the Contractor and advise the Contractor in writing of any concerns the Authority may have and/or any action which the Authority will require the Contractor to take. The Contractor shall be required to submit a response to the concerns raised by the Authority, including any plans to mitigate those concerns, within 14 business days of receipt of the Authority's written concerns, for the Authority's consideration.
4. The Contractor shall include provisions equivalent to those set out in this clause in all relevant Sub-contracts.

Not applicable

### Section G: Additional Information and Supporting Documentation

All supporting documentation will be published in the R-Cloud Portal, unless otherwise stated below.
