complies with the requirements set out at Annex 1 (Exposure Information (Contracts List)), Annex 2 (Corporate Resolvability Assessment (Structural Review)) and Annex 3 (Financial Information and Commentary) respectively.

Following receipt by the Appropriate Authority or Appropriate Authorities of the CRP Information pursuant to Paragraphs 3.2, 3.8 and 3.9, the Buyer shall procure that the Appropriate Authority or Appropriate Authorities shall discuss in good faith the contents of the CRP

Information with the Supplier and no later than 60 days after the date on which the CRP Information was delivered by the Supplier either provide an Assurance to the Supplier that the Appropriate Authority or Appropriate Authorities approve the CRP Information or that the Appropriate Authority or Appropriate Authorities reject the CRP Information.

If the Appropriate Authority or Appropriate Authorities reject the CRP Information:

the Buyer shall (and shall procure that the Cabinet Office Markets and Suppliers Team shall) inform the Supplier in writing of its reasons for its rejection; and

the Supplier shall revise the CRP Information, taking reasonable account of the Appropriate Authority's or Appropriate Authorities' comments, and shall re-submit the CRP Information to the Appropriate Authority or Appropriate Authorities for approval within 30 days of the date of the Appropriate Authority's or Appropriate Authorities' rejection. The provisions of paragraph 3.3 to 3.5 shall apply again to any resubmitted CRP Information provided that either Party may refer any disputed matters for resolution under clause 32 of the Framework Agreement (Managing disputes).

Where the Supplier or a member of the Supplier Group has already provided CRP Information to a central government body or the Cabinet Office Markets and Suppliers Team (or, in the case of a Strategic Supplier, solely to the Cabinet Office Markets and Suppliers Team) and has received an Assurance of its CRP Information from that central government body and the Cabinet Office Markets and Suppliers Team (or, in the case of a Strategic Supplier, solely from the Cabinet Office Markets and Suppliers Team), then provided that the Assurance remains Valid (which has the meaning in paragraph 3.7 below) on the date by which the CRP Information would otherwise be required, the Supplier shall not be required to provide the CRP Information under Paragraph 3.2 if it provides a copy of the Valid Assurance to the Appropriate Authority or Appropriate Authorities on or before the date on which the CRP Information would otherwise have been required.

An Assurance shall be deemed Valid for the purposes of Paragraph 3.6 if:

the Assurance is within the validity period stated in the Assurance (or, if no validity period is stated, no more than 12 months has elapsed since it was issued and no more than 18

months has elapsed since the Accounting Reference Date on which the CRP Information was based); and

no Corporate Change Events or Financial Distress Events (or events which would be deemed to be Corporate Change Events or Financial Distress Events if the Call-Off Contract had then been in force) have occurred since the date of issue of the Assurance.

If the Call-Off Contract is a Critical Service Contract, the Supplier shall provide an updated version of the CRP Information (or, in the case of Paragraph 3.8.3 of its initial CRP Information) to the Appropriate Authority or Appropriate Authorities:

within 14 days of the occurrence of a Financial Distress Event (along with any additional highly confidential information no longer exempted from disclosure under Paragraph 3.11) unless the Supplier is relieved of the consequences of the Financial Distress Event as a result of credit ratings being revised upwards;

within 30 days of a Corporate Change Event unless

the Supplier requests and the Appropriate Authority (acting reasonably) agrees to a Corporate Change Event Grace Period, in the event of which the time period for the Supplier to comply with this Paragraph shall be extended as determined by the Appropriate Authority (acting reasonably) but shall in any case be no longer than six months after the Corporate Change Event. During a Corporate Change Event Grace Period the Supplier shall regularly and fully engage with the Appropriate Authority to enable it to understand the nature of the Corporate Change Event and

the Appropriate Authority shall reserve the right to terminate a Corporate Change Event Grace Period at any time if the Supplier fails to comply with this Paragraph; or not required pursuant to Paragraph 3.10;

within 30 days of the date that:

the credit rating(s) of each of the Supplier and its Parent Undertakings fail to meet any of the criteria specified in Paragraph 3.10; or

none of the credit rating agencies specified at Paragraph 3.10 hold a public credit rating for the Supplier or any of its Parent Undertakings; and

in any event, within 6 months after each Accounting Reference Date or within 15 months of the date of the previous Assurance received from the Appropriate Authority (whichever is the earlier), unless:

updated CRP Information has been provided under any of Paragraphs 3.8.1 3.8.2 or 3.8.3 since the most recent Accounting Reference Date (being no more than 12 months previously) within the timescales that would ordinarily be required for the provision of that information under this Paragraph 3.8.4; or

not required pursuant to Paragraph 3.10.

Where the Supplier is a Public Sector Dependent Supplier and the Call-Off Contract is not a Critical Service Contract, then on the occurrence of any of the events specified in

Paragraphs 3.8.1 to 3.8.4, the Supplier shall provide at the request of the Appropriate Authority or Appropriate Authorities and within the applicable timescales for each event as set out in Paragraph 3.8 (or such longer timescales as may be notified to the Supplier by the Buyer), the CRP Information to the Appropriate Authority or Appropriate Authorities.

Where the Supplier or a Parent Undertaking of the Supplier has a credit rating of either:

Aa3 or better from Moody's;

AA- or better from Standard and Poors;

AA- or better from Fitch;

the Supplier will not be required to provide any CRP Information unless or until either (i) a Financial Distress Event occurs (unless the Supplier is relieved of the consequences of the Financial Distress Event due to credit ratings being revised upwards) or (ii) the Supplier and its Parent Undertakings cease to fulfil the criteria set out in this Paragraph 3.10, in which cases the Supplier shall provide the updated version of the CRP Information in accordance with paragraph 3.8.

Subject to Paragraph 5, where the Supplier demonstrates to the reasonable satisfaction of the Appropriate Authority or Appropriate Authorities that a particular item of CRP Information is highly confidential, the Supplier may, having orally disclosed and discussed that information with the Appropriate Authority or Appropriate Authorities, redact or omit that information from the CRP Information provided that if a Financial Distress Event occurs, this exemption shall no longer apply and the Supplier shall promptly provide the relevant information to the Appropriate Authority or Appropriate Authorities to the extent required under Paragraph 3.8.

## Termination Rights

The Buyer shall be entitled to terminate the Call-Off Contract if the Supplier is required to provide CRP Information under Paragraph 3 and either:

- the Supplier fails to provide the CRP Information within 4 months of the Start Date if this is a Critical Service Contract or otherwise within 4 months of the Appropriate Authority's or Appropriate Authorities' request; or
- the Supplier fails to obtain an Assurance from the Appropriate Authority or Appropriate Authorities within 4 months of the date that it was first required to provide the CRP Information under the Call-Off Contract, which shall be deemed to be an event to which Clause 18.4 applies.

## Confidentiality and usage of CRP Information

The Buyer agrees to keep the CRP Information confidential and use it only to understand the implications of an Insolvency Event of the Supplier and/or Supplier Group members on its UK Public Sector Business and/or services in respect of CNI and to enable contingency planning to maintain service continuity for end users and protect CNI in such eventuality.

Where the Appropriate Authority is the Cabinet Office Markets and Suppliers Team, at the Supplier's request, the Buyer shall use reasonable endeavours to procure that the Cabinet Office enters into a confidentiality and usage agreement with the Supplier containing terms

no less stringent than those placed on the Buyer under paragraph 5.1 and incorporated Framework Agreement clause 34.

The Supplier shall use reasonable endeavours to obtain consent from any third party which has restricted the disclosure of the CRP Information to enable disclosure of that information to the Appropriate Authority or Appropriate Authorities pursuant to Paragraph 3 subject, where necessary, to the Appropriate Authority or Appropriate Authorities entering into an appropriate confidentiality agreement in the form required by the third party.

Where the Supplier is unable to procure consent pursuant to Paragraph 5.3, the Supplier shall use all reasonable endeavours to disclose the CRP Information to the fullest extent possible by limiting the amount of information it withholds including by:

redacting only those parts of the information which are subject to such obligations of confidentiality;

providing the information in a form that does not breach its obligations of confidentiality including (where possible) by:

summarising the information;

grouping the information;

anonymising the information; and

presenting the information in general terms

The Supplier shall provide the Appropriate Authority or Appropriate Authorities with contact details of any third party which has not provided consent to disclose CRP Information where that third party is also a public sector body and where the Supplier is legally permitted to do so.

## **ANNEX 1: EXPOSURE: CRITICAL CONTRACTS LIST**

The Supplier shall:

provide details of all agreements held by members of the Supplier Group where those agreements are for goods, services or works provision and:

are with any UK public sector bodies including: central government departments and their arms-length bodies and agencies, non-departmental public bodies, NHS bodies, local buyers, health bodies, police fire and rescue, education bodies and the devolved administrations;

are with any private sector entities where the end recipient of the service, goods or works provision is any of the bodies set out in Paragraph 1.1(a) of this Annex 1 and where the member of the Supplier Group is acting as a key sub-contractor under the contract with the end recipient; or

involve or could reasonably be considered to involve CNI;

provide the Appropriate Authority with a copy of the latest version of each underlying contract worth more than £5m per contract year and their related key sub-contracts, which shall

be included as embedded documents within the CRP Information or via a directly accessible link

## ANNEX 2: CORPORATE RESOLVABILITY ASSESSMENT (STRUCTURAL REVIEW)

The Supplier shall:

- provide sufficient information to allow the Appropriate Authority to understand the implications on the Supplier Group's UK Public Sector Business and CNI agreements listed pursuant to Annex 1 if the Supplier or another member of the Supplier Group is subject to an Insolvency Event;
- ensure that the information is presented so as to provide a simple, effective and easily understood overview of the Supplier Group; and
- provide full details of the importance of each member of the Supplier Group to the Supplier Group's UK Public Sector Business and CNI agreements listed pursuant to Annex 1 and the dependencies between each.

## ANNEX 3: Financial information AND COMMENTARY

The Supplier shall:

provide sufficient financial information for the Supplier Group level, contracting operating entities level, and shared services entities' level to allow the Appropriate Authority to understand the current financial interconnectedness of the Supplier Group and the current performance of the Supplier as a standalone entity; and

ensure that the information is presented in a simple, effective and easily understood manner.

For the avoidance of doubt the financial information to be provided pursuant to Paragraph 1 of this Annex 3 should be based on the most recent audited accounts for the relevant entities (or interim accounts where available) updated for any material changes since the Accounting Reference Date provided that such accounts are available in a reasonable timeframe to allow the Supplier to comply with its obligations under this Schedule. If such accounts are not available in that timeframe, to the extent permitted by Law financial information should be based on unpublished unaudited accounts or management accounts (disclosure of which to the Appropriate Authority remains protected by confidentiality).
