## Bovey Tracey Community Centre

### Stage I Tender Addendum

6<sup>th</sup> March 2018

#### Extension of Tender Period

Owing to the inclement weather experienced in the South West last week which meant some businesses were unable to open, the tender period has been extended. Tenders are now to be returned by **noon on Thursday 15<sup>th</sup> March 2018**.

#### Existing Site Hoarding

The existing hoarding around the site has been erected by Bovey Tracey Town Council and is in their ownership. The hoarding will be as existing when the successful Contractor takes possession of the site. The Contractor will be responsible for the demolition and removal from site. The Contractor may retain or reuse the hoarding for the site compound during the Works.

#### Existing Information Centre Cabins

The Information Centre will be relocated to temporary accommodation prior to the start on site. The cabins will still be on site when the successful Contractor takes possession, so the Contractor will be responsible for the demolition and removal from site. The Contractor may use the cabins for site accommodation for some or all of the Contract. The cabins have power and telephone/broadband services.
