CONTRACT CHANGE NOTE

Contract Change Note Number	CCN02
Contract Reference Number and Title	Contract for the Supply of DNA Ear Tagging of TB Reactors. Contract Reference 20346.
Variation Title	Contract Extension for two (2) years.
Number of Pages	2

Whereas the Contractor (Caisley Eartag Limited) and the Authority entered into a Contract for the Supply of DNA Ear Tagging of TB Reactors dated 01/10/2014 (the "Original Contract") and now wish to amend the Original Contract.

It is agreed as follows:

1. With effect from 01/10/2019 the Original Contract shall be amended as set out in this Contract Change Note:

Change Requestor / Originator	[REDACTED]	
Summary of Change	Extension of existing contract by two (2) years to 30/09/2021	
Reason for Change	<p>APHA's government mandate regarding the TB eradication programme following the Godfray review, including potential changes to the type and scope of the TB test and the TB vaccine programme, have been delayed from being finalised and published now until at least April 2020. The TB eradication programme as part of the Agricultural Bill was tabled over the last year so that Parliament could attend to other, urgent issues (Brexit). Review outcomes are therefore still being considered. If anything changes from the current programme position, for example, a different type of testing model or at an extreme, no government funded TB testing, then there is the potential that DNA ear tag requirements could change; however this will not be known until later in 2020.</p> <p>A re-tender can commence once the scope and parameters of any new government TB programme are clarified, including whether there are to be any changes to the current type of test which may affect the type and usage (if at all) of ear tags.</p>	
Revised Contract Price	Original Contract Value	£213,280.00
	Contract Change Note 01	£66,650.00
	Contract Change Note 02	£93,310.00
	New Contract Value	£373, 240.00
Revised Payment Schedule	<p>Pricing to remain as stated in the original contract pricing (Schedule 2 of Contract Reference 20346). Please note that the volume of spend indicated here is only indicative and is not guaranteed.</p>	
Revised Specification	No change.	

Revised Contract Period	The revised contract period will be 01/10/2014 to 30/09/2021.
Change in Contract Manager(s)	No change
Other Changes	N/A

2. Save as herein amended all other terms and conditions of the Original Contract shall remain in full force and effect.

Execution of the Contract Change Note is carried out in accordance with EU Directive 99/93 (Community framework for electronic signatures) and the Electronic Communications Act 2000. The revised Contract is formed on the date on which both Parties communicate acceptance of its terms on the Authority's electronic contract management system ("Bravo").
