Re: Corporate Information Systems ITT

I refer to your tender submission dated 12/03/19 in respect of our Corporate Information Systems ITT. We have now completed our assessment of all tenders received for this contract and in accordance with our previously published evaluation criteria your tender has been found to be the most economically advantageous tender overall. We believe it is the most likely to support us achieving the objectives laid out in our original ITT documentation and below is a breakdown of the assessment made by our evaluation panel.

Supplier Name Discretionary Criteria	Technology One Weighted Score (%)
Account Management / Personnel	4.0
Proposal / Evidence of Capability	12.0
Customer Support / Services	12.0
Innovation / New Solutions	10.0
Management Information / Reporting	4.0
Social / Environmental Impact	8.0
Pricing	27.06
Total	77.06

We will now observe a 'standstill period', during which we shall refrain from entering into the contract with you. The standstill period shall run for a duration of 10 calendar days commencing from the date that this letter is dispatched to you and is anticipated to end on 13/09/19. As soon as possible after the expiry of the standstill period, unless we are made aware of any other circumstances which may indicate why the contract should not be awarded, it is our intention to proceed and award the contract to Technology One (UK) Ltd. Thank you for your interest in this project and the high standard of work demonstrated by your team. We shall be in touch with you in due course.

Yours sincerely,

Paul Revell MCIPS
Head of Procurement
Finance Department
