

Section 1 - Consultancy Value Statement: Value to be delivered	
Supplier Name	Cambridge Economic Policy Associates Ltd
Title of Contract	Supply of consultancy for National Infrastructure Assessment: Financing for Infrastructure
Requirement Summary	<p>The purpose of this requirement is to:</p> <p>Develop a thorough understanding of strategic financing choices faced made by the public and private sectors when seeking to fund infrastructure projects – drawing on examples of both the past and present projects and setting out the implications of these decisions.</p> <p>Determine good policies and market practices that have been tested and exemplified through projects which could be put into future use.</p> <p>Identify any market failure or market barriers which are crucial to long-term success of infrastructure that requires interventions. Form a view on the presence and nature of fundamental or systematic gaps in policies in infrastructure financing.</p>
Financial Value Statement	N/A
Non-financial Value Statement	Advice that will inform the NIC's independent evidence base for its National Infrastructure Assessment.
Section 2 - Consultancy Value Statement: Actual Value Delivered	
Financial Value Statement	TBC when project completed with regards to statement in Section 1.
Non-financial Value Statement	TBC when project completed with regards to statement in Section 1.
