

Consultancy Value Statement

Section 1: To be completed and published at award of contract

Consultancy Value Statement: Value to be delivered

Name of Supplier:

MITIE TECHNICAL FACILITIES MANAGEMENT LIMITED

Title of Contract:

Defence Training Estate (DTE): Feasibility Study of Top Priority Sites

Requirement Summary:

MoD have no experience in scoping, prioritising, modelling or designing decentralised renewable systems and complimentary storage. As enabling decentralised energy options is a complete enterprise change within a changing UK network environment, external skills were required to enable the SOR.

Financial Value Statement:

This is a one-off expenditure to understand the totality of the potential offset benefits form the Defence Training Estate. Once this information is obtained, DIO can then make strategic level investment decision in the full knowledge of all their options.

Section 2: To be completed and published at the end of the contract

Consultancy Value Statement: Actual Value Delivered

Financial Value Statement:

The one-off expenditure was sufficient to complete work to understand the totality of the potential offset benefits form the Defence Training Estate. The information has successfully been obtained and DIO can now make strategic level investment decisions in the full knowledge of all their options. As the work met all requirements, the contract can be closed.

.

Non-Financial Value Statement:

The work to understand the totality of the potential offset benefits form the Defence Training Estate has successfully been completed. The information has been obtained and DIO can now make strategic level investment decisions in the full knowledge of all their options. As the work met all requirements, the contract can be closed.
