Dear Sir/Madam

**REQUEST FOR QUOTATION - PROJECT LEAD/MANAGER - ST IVES GUILDHALL RENEWAL**

Thank you for your interest.

The St Ives Guildhall Renewal is a Town Deal funded project which involves the refurbishment of the Town's traditional 1930s dance hall into a modern performance space. Funds are now in place and, after several years of feasibility work, we are now able to move forward to deliver the project with the aim of completion by Spring 2024.

The Council is seeking to appoint a professional project manager, who will have a critical role in making this exciting project a reality. We are seeking fee proposals from suitably qualified individuals or organisations to lead the technical delivery work. There will be a short lead-in time to appointment – we wish to appoint in October and will be working towards a start on site next Spring (2023).

You are invited to submit a written proposal which should include the following details:

- Your method statement and proposed approach to the successful delivery of the project
- Relevant experience (including references from at least two similar projects)
- People who will resource the project, together with information about their skills, qualifications and experience
- Your fee proposal and structure, together with any caveats or exclusions and provision for costing additional work
- Insurances and company profile

Interested parties are asked to read the accompanying background information including the role profile, an outline of the project budget, the stage one feasibility study and the key dates. The award criteria are also provided, together with the general conditions and confirmation statement template.

Any further information or requests for clarification should be directed to the mailbox [tenders@stives-tc.gov.uk](mailto:tenders@stives-tc.gov.uk) with a subject line as follows:

*Strictly Confidential - Project Lead Quote - St Ives Guildhall Renewal - [your company name]*. These will be recorded in clarifications log and shared with all tenderers.

Proposals should be submitted no later than midday on **Friday 7th of October 2022**.

We look forward to receiving your quotation.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'L. Dwelly', with a horizontal line extending to the right.

Louise Dwelly  
**Town Clerk**

## Request for Quotation (RFQ)

### Project Lead/Manager (Client Side)

#### Background

St Ives Town Council is soon to be awarded £3.2 million to create renewal of its key entertainment and community venue within the heart of the town.

The location is here ([The Guildhall, Street an Pol, St Ives, TR26 2DS](#)) and the project vision is below:

*Our vision is to re-position The Guildhall as a culturally significant venue, building on its heritage and working in partnership, to deliver a high quality, year-round programme that provides the broadest reach and appeal, giving improved access to all potential audiences.*

Proposed works include a new signature entrance and theatre bar to attract and welcome people through the building; providing numerous service tech upgrades throughout; comfortable new flexible seating; and modernising the WCs and back-stage areas.

A business plan and feasibility study have been prepared and signed-off and appended for information.

We are now preparing for the delivery stage and require a capable professional to take a lead role delivering this exciting project.

#### Role Profile Requirements

1. Provide leadership, giving the build project strategic overview and programming, to control and ensure delivery within time, on budget, and with the highest standards of quality whilst meeting the project goals
2. Procure, co-ordinate and manage the design and contractor teams including accountability for quality control
3. Client-side accountability of procurement, contract management, health and safety, employment law, insurances, and other regulatory requirements relating to design and construction
4. Project management disciplines to provide tight procedural structures for design and construction stages (including post construction) whilst ensuring effective processes for change controls and risk management
5. Accounting and budget control skills to agree cost plans, with allocation and monitoring of project expenditure to deliver within budget
6. Integral creativity with working knowledge of theatre/entertainment industry to help develop the brief and lead towards cost effective project goals
7. To be the principal client-side project contact for all operational aspects, including liaising and reporting to the client's project team.
