

Main (Management) Contractors For Housing Development – Additional Information

This Contract Notice has been published by Central Housing Investment Consortium Limited ("CHIC") and Efficiency East Midlands Limited ("EEM") on behalf of their members and the other organisations described below as being Authorised Users. CHIC and EEM are each incorporated as companies limited by guarantee. The Framework Agreements being procured by the procurement exercise begun by publication of this Contract Notice will be entered by CHIC and EEM as the Contracting Authorities which will have undertaken and completed that procurement exercise. Any reference in this Contract Notice to Contracting Authority is deemed to be and include a reference to CHIC and EEM.

CHIC and EEM are combining their separate requirements for the purpose of the procurement exercise commenced by publication of this Contract Notice. CHIC and EEM have jointly appointed Ark Housing Consultancy LLP to conduct the procurement exercise begun by publication of this Contract Notice, but neither organisation will be jointly or severally liable for the other during the conduct of the procurement exercise begun by publication of this Contract Notice and/or under the Framework Agreements to be awarded. CHIC and EEM will award Framework Agreements only in their own name and only on behalf of their own members (Existing, Future, or Participants as defined below).

The current members of CHIC and EEM are detailed in Annexe A. All of the current members are to be regarded as Contracting Authorities under the Public Contracts Regulations 2015 for the purpose of the procurement exercise begun by publication of this Contract Notice and Authorised Users entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of this Contract Notice.

The Authorised Users of the Framework Agreements being advertised by this Contract Notice (in addition to CHIC and EEM) and entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of this Contract Notice are:

1 Any current CHIC and EEM Member - being an organisation which is a member of CHIC or EEM at the date of this Contract Notice and being one of the organisations identified in Annex A; and

2 Any Future Member of CHIC or EEM - being a local authority i.e. County, Metropolitan (City), District, Borough Council or a Unitary Authority in England and Wales, any Arm's Length Management Organisation ("ALMO") or any statutory replacement or successor organisation managed by such local authority under a Management Agreement under Section 27 of the Housing Act 1985 (or subsequent legislation) or a Registered Provider (under the Housing and Regeneration Act 2008 or subsequent legislation) (and/or (in the case of EEM) is any NHS Trust or organisation, police authority, fire authority, ambulance trust, university, higher education or further education college or other public sector organisation) and in all cases being an organisation which has applied to join and has joined CHIC or EEM as a member in accordance with the constitutional documents of CHIC or EEM and in respect of which such organisation notice has been given to the economic operators that are a party to the Framework Agreements awarded at conclusion of the procurement exercise begun by publication of this Contract Notice that such organisation is an Authorised User. Future CHIC or EEM Members may include consortia made up of organisations which would themselves individually be a Future CHIC or EEM Member and may include any special purpose vehicle (of whatever nature) owned and controlled by the consortia members and would include in those circumstances the individual consortia members of the special purpose vehicle that own and control that special purpose vehicle; and

3 A CHIC or EEM Participant - being an organisation which is neither a current CHIC or EEM Member (as defined at 1 above) nor a Future Member of CHIC or EEM (as defined at 2 above) based within England and Wales which owns and/or maintains/manages housing stock in one or more geographic area in which it operates and is a local authority i.e.. a County, Metropolitan (City), District or Borough Council or a Unitary Authority in England or Wales or is an Arm's Length Management Organisation ("ALMO") or any statutory replacement or successor organisation managed by such local authority

under a management agreement under section 27 of the Housing Act 1985 (or subsequent legislation) or is a Registered Provider under the Housing and Regeneration Act 2008 (or subsequent legislation) (and (in the case of EEM) is any NHS Trust or organisation, police authority, fire authority, ambulance trust, university, higher education or further education college or other public sector organisation) and which is itself a Contracting Authority for the purpose of the Public Contracts Regulations 2015 and in respect of which organisation notice has been given by CHIC or EEM to the economic operators that are a party to the Framework Agreements awarded at conclusion of the procurement exercise being advertised by this Contract Notice that such organisation is an Authorised User of the Framework Agreements, CHIC or EEM Participants may include consortia made up of organisations which would themselves individually be a CHIC Participant or an EEM Participant and may include any special purpose vehicle (of whatever nature) owned and controlled by the consortia members and would include in those circumstances the individual consortia members of that special purpose vehicle that own and control that special purpose vehicle.

Details of the Members of CHIC and EEM at the date of this Contract Notice and the current Authorised Users can be obtained from the following website address www.chicltd.co.uk and www.encyency-em.co.uk.

For the purpose of this Notice, the geographical area of local authorities and the names of those authorities are identifiable by reference to the DirectGov website at www.gov.uk.

A full list of all current registered providers can be found at www.homesandcommunities.gov.uk.

Reference to legislation in this Contract Notice includes successor and/or replacement legislation. CHIC and EEM reserves the right not to award any Framework Agreements at the end of the procurement exercise begun by publication of this Contract Notice or to award only part of parts of the proposed works and reserves the right not to award any one or more Lot.

The Authorised Users will have requirements predominantly within the West and East Midlands, East of England, Wales, the South West and South East of England but not exclusively so and may in the future have requirements in other parts of England and Wales. Authorised Users in other parts of England and Wales may also access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of this Contract Notice. The successful economic operators may therefore expect the Framework Agreements to be awarded at conclusion of this procurement exercise to be operated and implemented throughout England and Wales.

CHIC and EEM operate a range of existing supply chain arrangements with which successful economic operators will need to interface and will also be required to work with and interface with consultants (Architects, Employers Agents Principal Designers and CDM Advisors) and contractors and OSM suppliers procured as part of the wider CHIC and EEM new build solutions package.

Framework Agreements may be awarded on a multi client as well as a single client basis with the facility for Authorised Users to join both.

Organisations expressing interest and receiving PQQ documents should be aware that TUPE legislation may apply to the arrangements which are being advertised by this Contract Notice (as explained in the PQQ documents); CHIC and EEM for themselves and all Authorised Users express no view or opinion about whether TUPE legislation will or will not apply and all organisations expressing interest in response to publication of this Contract Notice and selected to be invited to tender must take their own legal and other relevant advice at all Stages.

The Lotting Strategy adopted by CHIC and EEM is explained in the procurement documents.

CHIC & EEM reserve the right to amend the procurement documents prior to issuing the ITT for whatever reason and in response to comments and observations received from interested economic operators.

The Call Off Contracts to be awarded pursuant to the Framework Agreements to be entered at

conclusion of the procurement exercise begun by publication of this Contract Notice may extend for a duration of up to two years beyond expiry of the four year term of the Framework Agreements.

Economic operators interested in the opportunity being advertised by this Contract Notice should note that a Bidders Day will be held (for those economic operators who have succeeded at PQQ stage) on Wednesday 22nd July 2015 in the morning (exact location and time still to be confirmed). Those economic operators who are successful at PQQ assessment stage will be notified by no later than Monday 20 July 2015 but at this stage all economic operators should note the date and time of the proposed Bidders Day.

Economic operators should also note that the procurement documents will contain the opportunity for bidders to express interest in working in areas other than the geographical areas within the Lots described in the procurement documents.
