- 16.2 NHS Supply Chain shall be entitled to extend the Term on one or more occasions by giving the Supplier written notice no less than one (1) month prior to the date on which this Framework Agreement would otherwise have expired, provided that the duration of this Framework Agreement shall be no longer than the total term specified in the Key Provisions.
- 16.3 In the case of a breach of any of the terms of this Framework Agreement by either Party that is capable of remedy (including any failure to pay any sums due under this Framework Agreement), the non-breaching Party shall, without prejudice to its other rights and remedies under this Framework Agreement, issue notice of the breach and allow the Party in breach the opportunity to remedy such breach in the first instance via a remedial proposal put forward by the Party in breach ("**Remedial Proposal**") before exercising any right to terminate this Framework Agreement in accordance with Clause 16.4.1(ii) of this Schedule 2. Such Remedial Proposal must be agreed with the non-breaching Party (such agreement not to be unreasonably withheld or delayed) and must be implemented by the Party in breach in accordance with the timescales referred to in the agreed Remedial Proposal. Once agreed, any changes to a Remedial Proposal must be approved by the Parties in writing. Any failure by the Party in breach to:
- 16.3.1 put forward and agree a Remedial Proposal with the non-breaching Party in relation to the relevant default or breach within a period of ten (10) Business Days (or such other period as the non-breaching Party may agree in writing) from written notification of the relevant default or breach from the non-breaching Party;
 - 16.3.2 comply with such Remedial Proposal (including, without limitation, as to its timescales for implementation, which shall be thirty (30) days unless otherwise agreed between the Parties); and/or
 - 16.3.3 remedy the default or breach notwithstanding the implementation of such Remedial Proposal in accordance with the agreed timescales for implementation,
- shall be deemed, for the purposes of Clause 16.4.1(ii) of this Schedule 2, a material breach of this Framework Agreement by the Party in breach not remedied in accordance with an agreed Remedial Proposal.
- 16.4 Either Party may terminate this Framework Agreement forthwith by notice in writing to the other Party if such other Party:
- 16.4.1 commits a material breach of any of the terms of this Framework Agreement which is:
 - (i) not capable of remedy; or
 - (ii) in the case of a breach capable of remedy, which is not remedied in accordance with a Remedial Proposal; or
 - 16.4.2 has been served with at least two (2) previous breach notices as a result of any material breaches which are capable of remedy within any twelve (12) month rolling period whether or not the Party in breach has remedied the breach in accordance with a Remedial Proposal. The twelve (12) months rolling period is the twelve (12) months immediately preceding the date of the third breach notice.
- 16.5 NHS Supply Chain may terminate this Framework Agreement forthwith by notice in writing to the Supplier if:
- 16.5.1 the Supplier, or any third party guaranteeing the obligations of the Supplier under this Framework Agreement, ceases or threatens to cease carrying on its business;

suspends making payments on any of its debts or announces an intention to do so; is, or is deemed for the purposes of any Law to be, unable to pay its debts as they fall due or insolvent; enters into or proposes any composition, assignment or arrangement with its creditors generally; takes any step or suffers any step to be taken in relation to its winding-up, dissolution, administration (whether out of court or otherwise) or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) otherwise than as part of, and exclusively for the purpose of, a bona fide reconstruction or amalgamation; has a liquidator, trustee in bankruptcy, judicial custodian, compulsory manager, receiver, administrative receiver, administrator or similar officer appointed (in each case, whether out of court or otherwise) in respect of it or any of its assets; has any security over any of its assets enforced; or any analogous procedure or step is taken in any jurisdiction;

- 16.5.2 the Supplier undergoes a change of control within the meaning of sections 450 and 451 of the Corporation Tax Act 2010 (other than for an intra-group change of control) without the prior written consent of NHS Supply Chain and NHS Supply Chain shall be entitled to withhold such consent if, in the reasonable opinion of NHS Supply Chain, the proposed change of control will have a material impact on the performance of this Framework Agreement or the reputation of NHS Supply Chain;
 - 16.5.3 where the Supplier is a distributor, the distribution rights required for it to supply Goods on behalf of the original manufacturer of those Goods expire or otherwise cease to exist;
 - 16.5.4 the Supplier purports to assign, subcontract, novate, create a trust in or otherwise transfer or dispose of this Framework Agreement in breach of Clause 29 of this Schedule 2;
 - 16.5.5 pursuant to and in accordance with the Key Provisions and Clauses 16.6, 24.8; 26.2; 26.4 and 30.2 of this Schedule 2;
 - 16.5.6 the Supplier is in material breach of any of the Contracts to such an extent that the Participating Authority terminates or has the right in the circumstances to terminate that Contract; or
 - 16.5.7 the Supplier is in breach of Clause 10.4 of this Schedule 2.
- 16.6 If NHS Supply Chain, acting reasonably, has good cause to believe that there has been a material deterioration in the financial circumstances of the Supplier and/or any third party guaranteeing the obligations of the Supplier under this Framework Agreement and/or any material subcontractor of the Supplier when compared to any information provided to and/or assessed by NHS Supply Chain as part of any procurement process or other due diligence leading to the award of this Framework Agreement to the Supplier or the entering into a subcontract by the Supplier, the following process shall apply:
- 16.6.1 NHS Supply Chain may (but shall not be obliged to) give notice to the Supplier requesting adequate financial or other security and/or assurances for due performance of its material obligations under this Framework Agreement on such reasonable and proportionate terms as NHS Supply Chain may require within a reasonable time period as specified in such notice;
 - 16.6.2 a failure or refusal by the Supplier to provide the financial or other security and/or assurances requested in accordance with Clause 16.6 of this Schedule 2 in accordance with any reasonable timescales specified in any such notice issued by NHS Supply Chain shall be deemed a breach of this Framework Agreement by the Supplier and shall be referred to and resolved in accordance with the Dispute Resolution Procedure; and
 - 16.6.3 a failure to resolve such breach in accordance with such Dispute Resolution Procedure by the end of the escalation stage of such process (as set out in Clause 23.3 of this Schedule 2) shall entitle, but shall not compel, NHS Supply Chain to

terminate this Framework Agreement in accordance with Clause 16.4.1(i) of this Schedule 2.

- 16.7 In order that NHS Supply Chain may act reasonably in exercising its discretion in accordance with Clause 16.6 of this Schedule 2, the Supplier shall provide NHS Supply Chain with such reasonable and proportionate up-to-date financial or other information relating to the Supplier or any relevant third party entity upon request.
- 16.8 NHS Supply Chain may terminate this Framework Agreement immediately at any time by giving notice in writing to the Supplier where:
 - 16.8.1 the Framework Agreement has been substantially amended to the extent that the Public Contracts Regulations 2015 require a new procurement procedure; or
 - 16.8.2 NHS Supply Chain has become aware that the Supplier should have been excluded, under Regulation 57(1) or (2) of the Public Contracts Regulations 2015, from the procurement procedure leading to the award of this Framework Agreement.

17 Consequences of expiry or earlier termination of this Framework Agreement

- 17.1 Upon expiry or earlier termination of this Framework Agreement, NHS Supply Chain and the Supplier agree that all Contracts entered into under this Framework Agreement will continue in full force and effect unless otherwise terminated under the terms and conditions of such Contracts.
- 17.2 The Supplier agrees that where this Framework Agreement has been terminated properly in accordance with Clause 16 of this Schedule 2 it shall not be entitled to make a claim against NHS Supply Chain in relation to costs incurred in the provision of the Goods and/or Services which do not form part of the Contract Price paid or payable by an Authority.
- 17.3 The Supplier shall cooperate fully with NHS Supply Chain or, as the case may be, any replacement supplier during any re-procurement and handover period or novation of the Framework Agreement or any Contract prior to and following the expiry or earlier termination of this Framework Agreement. This cooperation shall extend to providing access to all information relevant to the operation of this Framework Agreement and signing any documents, as reasonably required by NHS Supply Chain to achieve a fair and transparent re-procurement and/or an effective transition without disruption to routine operational requirements.
- 17.4 The expiry or earlier termination of this Framework Agreement for whatever reason shall not affect any rights or obligations of either Party which accrued prior to such expiry or earlier termination.
- 17.5 The expiry or earlier termination of this Framework Agreement shall not affect any obligations which expressly or by implication are intended to come into or continue in force on or after such expiry or earlier termination.

18 Suspension of Supplier's appointment

- 18.1 Without prejudice to NHS Supply Chain's rights to terminate this Framework Agreement, if a right for NHS Supply Chain to terminate this Framework Agreement arises (irrespective of whether the circumstances leading to such right are capable of remedy) in accordance with Clause 16 of this Schedule 2, NHS Supply Chain may suspend the Supplier's appointment to receive new Orders under this Framework Agreement by giving notice in writing to the Supplier and all Participating Authorities.
- 18.2 If NHS Supply Chain provides notice to the Supplier in accordance with Clause 18.1 of this Schedule 2, the Supplier's appointment shall be suspended for the period set out in the notice

or such other period notified to the Supplier by NHS Supply Chain in writing from time to time provided that such suspension shall be lifted if:

- 18.2.1 the circumstances leading to NHS Supply Chain's right to terminate this Framework Agreement have been remedied;
- 18.2.2 NHS Supply Chain has satisfied itself that the risk and/or impact of the circumstances giving rise to NHS Supply Chain's right to terminate this Framework Agreement no longer requires such suspension; or
- 18.2.3 NHS Supply Chain exercises its rights to terminate this Framework Agreement in accordance with Clause 16 of this Schedule 2.

19 Complaint's process

- 19.1 The Supplier shall notify NHS Supply Chain of any formal written complaints made by other Participating Authorities relating to the Supplier's noncompliance with any of its obligations under any Contract within two (2) Business Days of the Supplier becoming aware of such complaints.
- 19.2 Without prejudice to any rights and remedies that the Participating Authority may have under the relevant Contract and/or NHS Supply Chain may have under this Framework Agreement, the Supplier shall use its reasonable endeavours to resolve such complaint within ten (10) Business Days and in so doing, shall deal with the complaint fully, expeditiously and fairly.
- 19.3 Within two (2) Business Days of a written request by NHS Supply Chain, the Supplier shall provide further reasonable details of the complaint to NHS Supply Chain, including details of the steps being taken to progress its resolution and, following its resolution, details of how and when the complaint was resolved.

20 Sustainable development

- 20.1 The Supplier shall comply in all material respects with applicable environmental and social Law requirements in force from time to time in relation to the Goods and Services. Where the provisions of any such Law are implemented by the use of voluntary agreements, the Supplier shall comply with such agreements as if they were incorporated into English law subject to those voluntary agreements being cited in the Specification. Without prejudice to the generality of the foregoing, the Supplier shall:
 - 20.1.1 comply with all Policies and/or procedures and requirements set out in the Specification in relation to any stated environmental and social requirements, characteristics and impacts of the Goods and Services and the Supplier's supply chain;

- 21.1 Where requested by NHS Supply Chain, the Supplier shall provide NHS Supply Chain with the Product Information in such manner and upon such media as agreed between the Supplier and NHS Supply Chain from time to time for the sole use by NHS Supply Chain.
- 21.2 The Supplier warrants that the Product Information is complete and accurate as at the date upon which it is delivered to NHS Supply Chain and that the Product Information shall not contain any data or statement which gives rise to any liability on the part of NHS Supply Chain following publication of the same in accordance with Clause 21 of this Schedule 2.
- 21.3 If the Product Information ceases to be complete and accurate, the Supplier shall promptly notify NHS Supply Chain in writing of any modification or addition to or any inaccuracy or omission in the Product Information.
- 21.4 The Supplier grants NHS Supply Chain a perpetual, non-exclusive, royalty free licence to use and exploit the Product Information and any Intellectual Property Rights in the Product Information for the purpose of illustrating the range of goods and services (including, without limitation, the Goods and Services) available in NHS Supply Chain's product catalogue in relation to any catalogues produced during the Term. Subject to Clause 21.5 of this Schedule 2, no right to illustrate or advertise the Product Information is granted to the Supplier by the NHS Supply Chain, as a consequence of the licence conferred by this Clause 21.4 of this Schedule 2.
- 21.5 NHS Supply Chain may reproduce for its sole use the Product Information provided by the Supplier in NHS Supply Chain's product catalogue from time to time which may be made available on any healthcare communications networks in electronic format and/or made available on NHS Supply Chain's external website and/or made available on other digital media from time to time.
- 21.6 For the avoidance of doubt the Supplier shall have no right to compel NHS Supply Chain to exhibit the Product Information in any product catalogue as a result of the approval given by it pursuant to this Clause 21.6 of this Schedule 2 or otherwise under the terms of this Framework Agreement.
- 21.7 NHS Supply Chain may approach the Supplier during the Term to offer the Supplier the opportunity to take part in specific promotions or to purchase additional advertising space in relation to the Goods and/or Services, the Framework Agreement and any Contract and the Parties shall agree an appropriate price for any such advertising. If any such opportunity is cancelled by NHS Supply Chain it shall refund the purchase price to the Supplier but for the avoidance of doubt, NHS Supply Chain shall not be liable for any incidental costs incurred by the Supplier, including costs associated with the development of an advert.
- 21.8 The Supplier agrees to indemnify and keep indemnified NHS Supply Chain against any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings arising out of or in connection with NHS Supply Chain's use of the Product Information, provided always that NHS Supply Chain has not materially misused the Product Information.

22 Change management

- 22.1 The Supplier acknowledges to NHS Supply Chain that the requirements for the Goods and Services may change during the Term and the Supplier shall not unreasonably withhold or delay its consent to any reasonable variation or addition to the Specification and Tender Response Document, as may be requested by NHS Supply Chain from time to time.
- 22.2 Without limitation to the provisions of Clause 22.1 of this Schedule 2, the Supplier acknowledges to NHS Supply Chain that over the Term, additional goods and services may be made available for purchase under the Framework Agreement. Such additional goods and services may also include the provision of associated goods, materials or items associated with those additional goods and services (which together shall be the "**Additional and Associated Goods and Services**").

- 22.3 Additional and Associated Goods and Services will be made available for purchase under the Framework Agreement at the sole discretion of NHS Supply Chain. In order to determine whether the Additional and Associated Goods and Services will be made available for purchase under the Framework Agreement NHS Supply Chain shall consider a number of different factors, including (but not limited to) whether the proposed Additional and Associated Goods are deemed to be within scope of the procurement exercise under which the Framework Agreement was awarded.
- 22.4 The Supplier acknowledges and agrees that, to the extent relevant, any Additional and Associated Goods and Services must comply with the standards set out in the Specification and the Tender Response Document.
- 22.5 Without prejudice to any of the other provisions set out in this Schedule 2, NHS Supply Chain reserves the right to undertake in consultation with the Supplier a review of the Goods and Services which are supplied under the Framework Agreement. Following such review, NHS Supply Chain may change supply routes for any of the Goods and Services and/or remove certain Goods and Services and/or Additional and Associated Goods and Services from the Framework Agreement.
- 22.6 Subject to Clause 22.7 below, and paragraph 3.2 of Schedule 6, any change to the Goods and Services or other variation to this Framework Agreement shall only be binding once it has been agreed in writing and signed by an authorised representative of both Parties.
- 22.7 Where a change in Law has occurred, or will occur, in relation to the Data Protection Legislation NHS Supply Chain may amend the applicable provisions of this Framework Agreement and/or the Call Off Terms and Conditions for the Supply of Goods and Services, to the extent that it deems reasonably necessary in the circumstances, by giving the Supplier no less than 30 days' notice of such amendments.

23 Dispute resolution

- 23.1 During any dispute, including a dispute as to the validity of this Framework Agreement, it is agreed that the Supplier shall continue its performance of the provisions of the Framework Agreement to the extent that such obligations are not the subject of the dispute (unless NHS Supply Chain requests in writing that the Supplier does not do so).
- 23.2 In the case of a dispute arising out of or in connection with this Framework Agreement the Supplier and NHS Supply Chain shall make every reasonable effort to communicate and cooperate with each other with a view to resolving the dispute and follow the procedure set out in Clause 23.3 of this Schedule 2 before commencing court proceedings.

Level 1 of the management levels of the dispute as set out in Clause 1.6.2 of the Key Provisions will commence on the date of service of the dispute notice. Respective representatives, as set out in Clause 1.6.2 of the Key Provisions, shall have five (5) Business Days at each level to resolve the dispute before escalating the matter to the next level as appropriate.
- 23.4 If the procedure set out in Clause 23.3 of this Schedule 2 above fails to resolve such dispute, the Parties will attempt to settle it by mediation either: (a) with the Centre for Effective Dispute Resolution (“CEDR”); or (b) if agreed in writing by the Parties, with any other alternative mediation organisation, using the respective model procedures of CEDR or such other mediation organisation.
- 23.5 To initiate mediation a Party shall:
- 23.5.1 give notice in writing (“**Mediation Notice**”) to the other Party requesting mediation of the dispute; and

- 23.5.2 send a copy of the Mediation Notice to CEDR or an equivalent mediation organisation as agreed by the Parties asking them to nominate a mediator if the Parties are not able to agree such appointment by negotiation.
- 23.6 Neither Party may issue a Mediation Notice until the process set out in Clause 23.3 of this Schedule 2 has been exhausted.
- 23.7 The mediation shall commence within twenty-eight (28) days of the Mediation Notice being served. Neither Party will terminate such mediation until each Party has made its opening presentation and the mediator has met each Party separately for at least one hour or one Party has failed to participate in the mediation process. Neither Party will commence legal proceedings against the other until thirty (30) days after such mediation of the dispute in question has failed to resolve the dispute. NHS Supply Chain and the Supplier will cooperate with any person appointed as mediator providing them with such information and other assistance as they shall require and will pay their costs, as they shall determine or in the absence of such determination such costs will be shared equally.
- 23.8 Nothing in this Framework Agreement shall prevent:
- 23.8.1 NHS Supply Chain taking action in any court in relation to any death or personal injury arising or allegedly arising in connection with supply of the Goods and/or Services; or
- 23.8.2 either Party seeking from any court any interim or provisional relief that may be necessary to protect the rights or property of that Party or that relates to the safety of patients or the security of Confidential Information, pending resolution of the relevant dispute in accordance with the CEDR or other mediation organisation procedure.

- 24.2 The Supplier shall only be entitled to rely on a Force Majeure Event and the relief set out in Clause 24 of this Schedule 2 and will not be considered to be in default or liable for breach of any obligations under this Framework Agreement if:

- 24.2.2 the Force Majeure Event does not arise directly or indirectly as a result of any wilful or negligent act or default of the Supplier; and
- 24.2.3 the Supplier has complied with the procedural requirements set out in Clause 24 of this Schedule 2.
- 24.3 Where a Party is (or claims to be) affected by a Force Majeure Event it shall use reasonable endeavours to mitigate the consequences of such a Force Majeure Event upon the performance of its obligations under this Framework Agreement and to resume the performance of its obligations affected by the Force Majeure Event as soon as practicable.
- 24.4 Where the Force Majeure Event affects the Supplier's ability to perform part of its obligations under the Framework Agreement the Supplier shall fulfil all such contractual obligations that are not so affected and shall not be relieved from its liability to do so.
- 24.5 If either Party is prevented or delayed in the performance of its obligations under this Framework Agreement by a Force Majeure Event, that Party shall as soon as reasonably

practicable serve notice in writing on the other Party specifying the nature and extent of the circumstances giving rise to its failure to perform or any anticipated delay in performance of its obligations.

- 24.6 Subject to service of such notice, the Party affected by such circumstances shall have no liability for its failure to perform or for any delay in performance of its obligations affected by the Force Majeure Event only for so long as such circumstances continue and for such time after they cease as is necessary for that Party, using its best endeavours, to recommence its affected operations in order for it to perform its obligations.
- 24.7 The Party claiming relief shall notify the other in writing as soon as the consequences of the Force Majeure Event have ceased and of when performance of its affected obligations can be resumed.
- 24.8 If the Supplier is prevented from performance of its obligations as a result of a Force Majeure Event, NHS Supply Chain may at any time if the Force Majeure Event subsists for thirty (30) days or more, terminate this Framework Agreement on service of written notice on the Supplier.
- 24.9 Following such termination in accordance with Clause 24.8 of this Schedule 2 and subject to Clause 24.10 of this Schedule 2, neither Party shall have any liability to the other.
- 24.10 Any rights and liabilities of either Party which accrued prior to such termination in accordance with Clause 24.8 of this Schedule 2 shall continue in full force and effect unless otherwise specified in this Framework Agreement.

- 25.7 The Supplier shall provide reasonable cooperation to NHS Supply Chain, its representatives and any regulatory body in relation to any audit, review, investigation or enquiry carried out in relation to the subject matter of this Framework Agreement.
- 25.8 The Supplier shall provide all reasonable information as may be reasonably requested by NHS Supply Chain to evidence the Supplier's compliance with the requirements of this Framework Agreement.

26 Conflicts of interest and the prevention of fraud

- 26.1 The Supplier shall take appropriate steps to ensure that neither the Supplier nor any Staff are placed in a position where, in the reasonable opinion of NHS Supply Chain, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Supplier and the duties owed to NHS Supply Chain under the provisions of this Framework Agreement. The Supplier will disclose to NHS Supply Chain full particulars of any such conflict of interest which may arise.
- 26.2 NHS Supply Chain reserves the right to terminate this Framework Agreement immediately by notice in writing and/or to take such other steps it deems necessary where, in the reasonable opinion of NHS Supply Chain, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Supplier and the duties owed to NHS Supply Chain under the provisions of this Framework Agreement. Appendix 3

Additional Types of Savings-Based and Value-Based Offers

These opportunities are included to provide alternative procurement options to Customers (in addition to capital purchase); to provide short term solutions, aid installation and commissioning of equipment; to deliver efficiencies in the Customer's own service provision; to reduce costs, ease staff pressures and improve patient care; and, to ensure that the Framework Agreement provides access to the latest technology and innovations available in the market.

The opportunities may be made available to Customers within all Lots of the Framework Agreement and to all Customers buying through the Framework Agreement. The Supplier is not obliged to offer any/all of these options from the Commencement Date if unable to provide them. However, the Supplier may (by prior agreement with NHS Supply Chain) introduce any/all of these options at any time during the term of the Framework Agreement.

Details of the opportunities that may be offered to Customers as at the Commencement Date are outlined below. However, NHS Supply Chain reserves the right to vary these, to remove options or to add further options (either across all Lots or by individual Lot), should it be deemed appropriate (and in accordance with section 9 of the Invitation to Tender). The Supplier will be notified of any proposed changes by NHS Supply Chain – additional terms and conditions may be introduced in connection with these.

1. Value Based Procurement

Subject to NHS Supply Chain's prior written approval, the Supplier may offer value based procurement opportunities to Customers via the Framework Agreement. Value-based procurement opportunities should be designed to deliver efficiencies in service provision and demonstrate tangible and measurable financial and non-financial benefit. The savings methodologies and values will be determined specific to each opportunity and will need to be evidenced and approved by NHS Supply Chain prior to being made available to Customers.

The table below highlights some of the potential areas which would deliver value:

Area	Measure
Financial	Reduction in capital costs Reduction in maintenance costs Reduction in consumable costs Reduction in staff costs Increased tariff income generation
Clinical	Improvements in patient care Improved patient experience Reduction in bed days Reduction in infection rates Increase in the number of appointments Improved equipment utilisation
Sustainability	Reduction in energy use Reduction in waste

This is not an exhaustive list and other factors would be considered if they can be directly attributed to the delivery of a service efficiency or improvement and can be evidenced.

2. NHS Service Improvement Solutions

NHS Supply Chain's may give the Supplier (alone or along with other Suppliers) the opportunity to offer Customers solutions which are aimed at improving the Customer's ability to deliver its own clinical services (and so improve those services).

This is how it will operate:

NHS Supply Chain will work with Customers to understand the challenges that they are facing in terms of service delivery, required improvements, expected outputs and objectives, key performance indicators, service level agreements, financial restraints etc. The information will be collated and provided to capable Suppliers to create a solution which supports the successful delivery of the Customer's service.

Solutions could include the equipment, point of sale maintenance, training building works etc. but would also consider staffing, equipment utilisation, use of artificial intelligence, patient pathway, room / department layouts etc. An itemised cost for implementation would be provided via NHS Supply Chain detailing the benefits and savings that could be achieved, the mechanisms for measuring and recompense to the Customer should those benefits not be realised.

NHS Supply Chain would facilitate the negotiation and agreement of a Contract between the Supplier and the Customer to contain details of the solution, communications, stakeholders, timescales, cost/consideration etc. and would support the management of the solution (although NHS Supply Chain would not be a party to that Contract). Any Contract would be between the Customer and the Supplier, facilitated by NHS Supply Chain, and would incorporate the Call-off Terms.

A management fee percentage would be payable to NHS Supply Chain by the Supplier. The percentage will be the same as the management fee for the supply of equipment as outlined in paragraph 7, Schedule 6 of the Framework Agreement. The percentage will be applied to the total quoted value, excluding building works / turnkey solutions, and would be invoiced following receipt of the customer purchase order as part of the quarterly reconciliation process.

3. Other Savings Opportunities

Any of the following types of discount/savings arrangements can be made available to Customers by the Supplier via the Framework Agreement, subject to the prior written approval of NHS Supply Chain. These will be collated and managed by NHS Supply Chain prior to implementation and must be made available to all Customers.

Value / Volume Discounts

A volume / value discount is available to encourage Customers to aggregate their requirements to achieve economies of scale by providing them with an incremental saving. These will be a fixed percentage for banded volumes and will be made available to all Customers.

Multi Authority Aggregation (MAA)

An MAA is where NHS Supply Chain combines the equipment requirements of 2 or more Customers to achieve savings based on aggregated requirements and spend. The MAA discount is applicable to the total value of multiple Customer orders for equipment from the Supplier.

Combined Trust Procurements

A combined Trust procurement is when 2 or more Customers have an agreement to work together and place one aggregated order with the Supplier to cover their full requirements. The discount is applicable to the total value of multiple Customer orders for equipment from the Supplier.

Multi Lot Discounts

A multi-Lot discount is applied to a single Customer quote for equipment from 2 or more Lots within this Framework Agreement. The discount is applicable to the total value of multiple Customer orders for equipment from the Supplier.

Annual Spend Discounts

An annual-spend discount is applied based on customer commitment to a Supplier for a specified volume of equipment with phased ordering over an agreed period. The discount can be applied as a flat rate to each order processed, incrementally to each order processed or retrospectively on the last order processed. This will be agreed prior to the first purchase order being raised with all subsequent order values, relevant discounts and timescales outlined.

NHS Supply Chain Commitment

NHS Supply Chain may implement commitment for any of the above on behalf of Customers to achieve savings. In these instances, the purchase order may be raised with NHS Supply Chain and the usual management fee may not be applicable depending on the agreed commercial terms of the commitment.

- 1.2 NHS Supply Chain may:
 - 1.2.1 undertake a mini-competition between suppliers deemed capable of performing the relevant Contract / Order ("capable suppliers") based upon a Participating Authority's bespoke requirements. In the event that a mini-competition is undertaken, NHS Supply Chain may introduce further criteria and award weightings and/or refine the award criteria (including the option to conduct further competition on the basis of price alone), to meet the specific requirements of the Participating Authority;
 - 1.2.2 seek an offer from (i) one capable supplier; or (ii) some capable suppliers; or (iii) all capable suppliers (which in each case may not include the Supplier) to submit an offer in relation to (a) a specific requirement of a Participating Authority; or (b) a proposed purchase by NHS Supply Chain. Such a specific requirement and/or proposed purchase could be based upon any combination, in whole or part, of the Core Lines, Options and Accessories;
 - 1.2.3 request an offer on the basis of:
 - 1.2.3.1 aggregated requirements across multiple Participating Authorities; and/or
 - 1.2.3.2 a commitment by NHS Supply Chain or a Participating Authority or Participating Authorities to purchase a specified volume or value of Goods and/or Services during an agreed period of time for which the supplier may be paid in advance;
 - 1.2.3.3 any of the other types of options/offer set out in Schedule 6 (including its Appendices);
 - 1.2.4 reopen competition using an eAuction or other methodologies advised to suppliers.
 - 1.2.5 where the Tender Response Document in relation to the Framework Agreement has insufficient detail to be able to price up bespoke requirements and award a Contract without further information, NHS Supply Chain may invite either: (i) one capable supplier; or (ii) some capable suppliers; or (iii) all capable suppliers (which in each case may not include the Supplier) to submit a quotation in relation to a specific requirement of an Authority. All elements of the quotation must meet the tender specification as detailed in Attachment 4b. This bespoke package will then be added to the framework agreement.
- 1.3 Pricing may also be sought in circumstances where a Participating Authority has previously undertaken its own trials/clinical evaluations. The result of any such trial/clinical evaluation, and the detail of the processes by which they have been conducted may not be known by NHS Supply Chain, and will have been the responsibility of the Participating Authority only. NHS Supply Chain may agree to request pricing from those suppliers identified as capable suppliers by the Participating Authority following its own trials/clinical evaluation. Following receipt of any

such pricing information it will be for the Participating Authority to determine whether to place an Order for the Goods and/or Services.

- 1.4 Where more than one capable supplier is invited to submit an offer, the offers shall be evaluated using such criteria as NHS Supply Chain or a Participating Authority shall determine and in each case the terms of the resulting Contract (including the price and Specification of the relevant Goods and Services) may differ from those set out in this Framework Agreement.
- 1.5 Only NHS Supply Chain may carry out further competitions (including by means of electronic auction) under this Framework Agreement.
- 1.6 NHS Supply Chain reserves the right to re-check the Supplier's economic and financial standing (taking into account the specific requirements of the relevant Contract or Order) in order to assist in determining whether, or not, the Supplier is a capable supplier for the purposes of paragraphs 1.2, 1.3, 1.4 or 2.1 of this Schedule 7.

2. Call off

- 2.1 As an alternative to re-opening competition, for Lots 1, 3, 4 and 5 NHS Supply Chain or a Participating Authority may elect to purchase Goods and Services from the Supplier on the terms and at the Contract Price stated in this Framework Agreement.
- 2.2 Where a call off is requested, NHS Supply Chain will verify the price against the core pricing in order to complete and authorise the call off order under this Framework Agreement. Where the price does not match the call off order will not be authorised.
