

## **Bellinge Field Pathworks & Turning Circles Tender**

Billing Parish Council is inviting tenders to be submitted for the installation of two new vehicular turning circles and replacement of two pre-existing pathways on Bellinge Field, Off Station Road, Great Billing, Northampton, NN3 9DS from suitably qualified and competent contractors as per the description contained within this tender document.

Quotations should be submitted on the attached form.

**Tenders should be sent via email to [clerk@billing-pc.gov.uk](mailto:clerk@billing-pc.gov.uk) and clearly marked as Bellinge Field Pathworks & Turning Circles Tender. Alternatively, tenders can be returned by post to: Billing Parish Council, Bernard Weston Pavilion, Off Penfold lane, Great Billing, Northampton, NN3 9EF.**

Tenders will be assessed using the following criteria:

1. Price
2. Previous track record and experience
3. Health & Safety and qualifications
4. Location to Northamptonshire

The council shall not be obliged to accept the lowest or any tender, quote or estimate.

The following information must be returned as part of the quotation otherwise the tender will not be considered:

- References from two organisations for whom other similar works have been completed.
- Details of relevant qualifications, experience and professional accreditation.
- A copy of existing Professional Indemnity and Public Liability Insurance.
- Typical Risk Assessments and Method Statements that would normally be used for this type of work.
- A copy of the company Health and Safety Policy

The contractor will price up the works using the Quotation Form at the end of this specification.

The quotation will be based on a per liner metre rate. It is anticipated that any additional length of paths required will be added at the pro-rata rate and carried out whilst at the site.

The rate per metre will include all ancillary costs associated with the works including waste disposal and arising removal, equipment, machinery and materials and site welfare facilities.

**Tenders should be submitted by: Noon on Wednesday 5<sup>th</sup> July 2023**

Once approval has been obtained from the Council to proceed, it is anticipated that the successful contractor will be notified in late July 2023 with works ideally undertaken before October 2023.
