1. List of Recognised Professional Bodies

- 1 A successful NSI will be a member of a relevant professional body.
- 2 Your level of membership must be at a sufficient level to demonstrate that you are an experienced professional, that you are maintaining your skills, knowledge and competence, and that you are regulated by that organisation's code of conduct.
- 3 Your tender response must therefore include the current level and/or status of your membership, and the date it was achieved.
- 4 A list of recognised Professional Bodies is below. The list is not exhaustive and if you are a member of a different professional body which you consider to be relevant to our work and land use planning, please email procurement@pins.gsi.gov.uk for advice.
