Tender Ref: MFF 07 2016-19

Dear Sir/Madam,

Enclosed is information regarding a Tender for Peat Dam and Reprofilng Works. Briefly, we are procuring the construction of peat dams and associated gully re-profiling on sites in the Peak District National Park and South Pennines SAC. This Tender will form the basis of a Framework Agreement.

The works to which this tender relates will be undertaken in order assist in the restoration of the hydrology of moorland restoration sites.

If you are interested, please read the Tender carefully and return with the following items:

1. Completed Form of Tender (including any sub-contractor details).
2. Completed Part D Itemised Costs.
3. Copies of relevent insurance documents.
4. All H&S Documents specified in **Section 1 Part C Clauses 10 and 11.**

Please return the tender in an un-branded/marked envelope with the enclosed Tender Return Label attached by **5pm Wednesday 28th September 2016**. Please be aware that many postal services are not guaranteed and any tenders received after the Tender Return Date will NOT be accepted.

If you have any questions or require further information about the tender, please do not hesitate to get in touch using the above contact details.

Yours faithfully,

Dewi Jackson
Conservation Works Officer
