Christmas Lights

Invitation to Tender

Crowborough Town Council is seeking quotes for the annual Christmas Lights.

Crowborough Town Council organises an annual Christmas Fair, where the Christmas Lights are switched on. This tradition has been held in Crowborough for years and is seen as an important part of the Christmas fair event as well as marking the beginning of the Christmas celebrations. The event itself attracts over 1000 people from all over Crowborough covering all ages and backgrounds. The event also creates a great space for local business to showcase their products and services. The event is greatly valued by young families, and it really sets the scene for the beginning of the festive season.

Crowborough Town Council is seeking quotes for the hire, installation/dismantling, and maintenance for the festive lights for the town. The contract will be awarded for a period of three years commencing 2023.

The installation of the lights will be within November before the light switch on event. They will remain in place until January.
