

OJEU Contract Notice reserved rights for Crown Commercial Service Framework Agreement Procurement

If the Authority decides to enter into a Framework Agreement with the successful Supplier, this does not mean that there is any guarantee of subsequent contracts being awarded. Any expenditure, work or effort undertaken prior to contract award is accordingly a matter solely for the commercial judgement of Potential Providers. Any orders placed under this Framework Agreement will form a separate contract under the scope of this Framework between the Supplier and the specific requesting other Contracting Authority. The Authority and other Contracting Authorities utilising the Framework reserve the right to use any electronic portal during the life of the Agreement.

In the event that there is a challenge to the Procurement and such a challenge is confined to any one particular Lot, the Authority reserves the right to the extent that it is lawful to do so, to conclude a Framework Agreement with the successful Suppliers in respect of the Lot(s) that has (have) not been so challenged.
